Reading the Art in Caldecott Award Books Heidi K. Hammond, Gail D. Nordstrom, 2014-08-14 Reading the Art in Caldecott Award Books is a practical and easy to use reference handbook explaining what makes the art in Caldecott Medal and Honor books distinguished. It is a useful manual for librarians, teachers, and others who want to better understand picture book illustration. This book includes many useful components: Short entries about fifty-six books; Information on styles and media; Artistic analysis of the illustrations; Appendixes on selected sources for further reading; Randolph Caldecott Medal terms and criteria; bibliography of entries; and a list of Caldecott winners. Glossary of art terms; Indexes of author, illustrator, title, media, and style. This book, used as a handbook in conjunction with Caldecott Award books, provides readers with ready-to-use information they can share with children and others while helping to build confidence in one's ability to talk about art in all picture books.

Newbery and Caldecott Medalists and Honor Book Winners Muriel Brown, Rita Schoch Foudray, James W. Roginski, 1992 This is an enlarged version of the 1982 edition, updated to include the 1991 recipients. It offers the same inclusive listing of Newbery and Caldecott Medal and Honor Books library collections with significant holdings and background readings on each of the 325 award-winning authors and illustrators. The volume is organized by author, illustrator, and identifies the first appearance of each title. It also includes separate listings of Newbery Medal and Honor Books, Caldecott Medal and Honor Books collections, a background reading bibliography, and an author-illustrator title index. It has a companion volume, *Newbery and Caldecott Medal and Honor Books in Other Media*, and the two books are also available as a set at a price of \$72.00.

Newbery and Caldecott Medalists and Honor Book Winners, 1982 Children's Book Award Handbook Diana F. Marks, 2006-03-30 Diana Marks looks at children's and young adult book awards in depth. The history, award criteria, and a biography of the person behind each of the well-known awards is included. Also of interest are lists of the winners in each category, teaching and exploration activities, reproducible teaching aides, and a timeline of events leading up to the establishment of the award. Information about well-known awards is accompanied by information on the lesser-known Pura Belpré, Jane Addams, etc. Information is formatted in quick, easy-to-read tables and charts suitable for classroom duplication. Although some of this information is available online, this is a one-stop handbook that contains lesser-known awards and offers activities for enriching the study of each award, whether well-known or not. Grades K-8.
