Witt,2020-10-28 Their plan was perfect until the world stopped After the Navy boots him out Tristan is screwed Without an honorable discharge or a college degree his job prospects are grim If only he knew a service member who was willing to get married make Tristan a dependent and transfer his GI Bill Such as say a former coworker who s single gay and wants his family off his back about his refusal to settle down and who maybe feels guilty for his role in Tristan losing his career Casey has never liked Tristan but the plan is irresistible In fact it s perfect Now Tristan has health insurance and a place to live and he s going to school Meanwhile Casey s conscience is assuaged and he s still sleeping his way through town while his family is none the wiser The guys stay out of each other s way and it s all good Right up until a pandemic locks everything down Suddenly it s just Casey and Tristan and maybe that s not such a bad thing In a time when they re both desperate for strength support and human contact they find them in the most unexpected place each other But when feelings come into play is it something real Or just two lonely men making the best of terrifying times And how in the world do Casey and Tristan tell the difference Until

the World Stops is a 72 000 word standalone gay romance CW COVID 19 A note from the author As the events of 2020 have unfolded in particular the COVID 19 pandemic I ve debated when and how to incorporate that reality into my work It s not something I want to make light of or capitalize on but it has become a part of our lives and one that doesn t look to be going anywhere any time soon There comes a point when if I m to write about life I need to write about the ugly parts too For that matter writing is how I process the world around me and as time has gone on I ve found myself needing the catharsis of looking this reality in the eye and putting it into words as best I can Most importantly however this is a time when we all need hope and even moments of peace While pure escapism is important to me so too is finding that hope and peace when everything feels so bleak So it s with that in mind that I give you a couple of guys finding a little bit of light when all the world feels dark

**Sparky and the Waarheid Camera** Stephen DeLuca,2008-03-18 Set in 1970 we follow Sparky Donnelly a ten year old boy whose superficially idyllic home life is about to shatter Sparky is aware that something is wrong a feeling which he experiences as an vague dissatisfaction and naively believes that other people are living far more fun and exciting lives This idea obsesses Sparky and triggers an extraordinary dream of an entire day during which he sets out through the neighborhoods of his city at first in a vain attempt to find his classmates and later just to get home Armed with a special camera that purportedly reveals the true essence of things Sparky gets a taste of a wide spectrum of dysfunctional and perverse adults in his travels The conversations that ensue from these encounters serve up slyly ironic and raunchy humor including some unwittingly sardonic observations by Sparky himself Sparky is given the opportunity to learn that adulthood has its own limitations and frustrations and that the fun and exciting life comes at a cost
