TWO GENERATIONS OF COLORADO STORIES

BY MARGARET COEL, AS TOLD BY SAM SPEAS

Goin Railroading Two Generations Of Colorado Stories

M Walker

Goin Railroadin Two Generations Of Colorado Stories:

Goin' Railroadin Sam Speas, Margaret Coel, 1998 As America carried along by the expanding rail system moved westward in the nineteenth century few occupations seemed more exciting or romantic than that of railroad engineer And in the mountains and plains of the West long hours backbreaking labor bitter temperatures and faulty brakes were the crucible in which the best of the early railroaders were formed only the most dedicated and skilled men passed the tests the narrow gauge lines of Colorado meted out Goin Railroadin is the story of two generations of such men four members of the Speas family who from the open cabs of narrow gauge steam engines watched Colorado grow Sam Speas tells the story of his father Sam Speas Sr who left Missouri in 1883 to become an engineer in Colorado and recounts his own experiences and those of his brothers and fellow railroaders on the Colorado and Southern Railway from the golden era of the narrow gauge lines in South Park to the final days of steam power on the Front Range and the coming of the diesel engine His stories are a profound document of a vanished way of life a testament to the courage and tenacity of the early citizens of Colorado and a tribute to the rough hewn often gallant men who took the trains through incredible almost unbelievable hazards Funny tragic bittersweet and poignant Goin Railroadin is a remarkable book that brings a portion of the history and people of an earlier Colorado to vibrant life Goin' Railroadin Sam Speas, Margaret Coel, 1991-01 A Colorado History Carl

Ubbelohde, Maxine Benson, Duane A. Smith, 2006 For forty years A Colorado History has provided a comprehensive and accessible panoramic history of the Centennial State From the arrival of the Paleo Indians to contemporary times this enlarged edition leads readers on an extraordinary exploration of a remarkable place **The Detective as Historian** Ray Browne, Lawrence Kreiser, 2009-03-26 Deeper understanding of history is enhanced by encasing it in art and interest Crime fiction is one of the widest and most rapidly growing forms of literature Historical crime fiction serves effectively the double purpose of entertaining while it teaches The truth of the narrative account the editors of this volume believe is dependent on the understanding of human nature reflected in the author who writes the narrative Historical crime fiction the editors of this volume write has an obligation and a golden opportunity It must bring the past up to the present through the device of timeless crime and it must take the reader into the world about which is being written so that the characters are alive and the events interesting and challenging Professional writers of fiction need to be more effective than mere authors of dates and assumed motivations Therefore they can fill in human motivations and drives where no records exist and can aid the professional historians in what historian David Thelen calls the challenge of history which is to recover the past and interpret it for the present The essays in this volume accept the challenge and make major accomplishments for meeting it

Railroads in Colorado, 1858-1948, 1997 **Colorado Libraries**, 1992 **Journal of the West** Lorrin L.
