Sri Brhad-bhagavatamrta Gopiparanadhana Dasa,2005-01-01 The hero s quest for the extraordinary an ever recurring theme in literature reflects the urge of every heart at its noblest to discover the full possibilities of life Anyone dissatisfied with the scant potential of mundane existence is naturally stimulated by the prospect of finding even vicariously a world of greater liberty There should be some better place for the soul Why should happiness be so elusive and why should confusion and resentment always shroud the mind s eye making it unable to see clearly what is in front of it Srila Sanatana Gosvami s Brhad bhagavatamrta written in Sanskrit nearly five hundred years ago is a gemlike example of the quest genre but different from the sort commonly encountered in fable and fiction Narada and Gopa kumara the respective heroes of this book s two parts are searching for a key to fulfillment much subtler than wealth influence mundane love the Fountain of Youth or even the Holy Grail Narada has vast experience of the cosmos Gopa kumara is illiterate and naive yet they share the same vision of what is most valuable What both want is not to conquer or exploit on any level but to explore the mystery of selfless service As Narada already knows and Gopa kumara will gradually learn the superior mode of life they seek is personal and defined by the interplay of those who take part in it rather than by material laws of nature In Part Two of Sri Brhad Bhagavatamrta the book s hero Gopa kumara an illiterate naive cowherd living near Govardhana Hill in Vrindavan is inspired by a mysterious bhakta to start on a spiritual quest His journey takes him in this volume all the way from his home to Vaikuntha Ayodhya and from sraddha to almost perfect prema Gopa kumara s adventure is different from the hero s journeys we read about in less spiritual literature because he explores the material universe not with his sights set on mundane wealth or power or romance but the sweetness of confidential selfless devotional service to his dearest Lord and friend Sri Krishna It is this focus that takes him beyond all temporal dimensions into the spiritual world beyond *Srimad-Bhagavatam, Ninth Canto* His Divine Grace A. C. Bhaktivedanta Swami Prabhupada,1977-12-31 Srimad Bhagavatam an epic philosophical and literary classic holds a prominent position in India s voluminous written wisdom The timeless wisdom of India is expressed in the Vedas ancient Sanskrit texts that touches upon all fields of human knowledge Originally preserved through oral tradition the Vedas were first put into writing by Srila Vyasadeva the literary incarnation of God After compiling the Vedas Srila Vyasadeva was inspired by his spiritual master to present their profound essence in the form of Srimad Bhagavatam Known as the ripened fruit of the tree of Vedic literature Srimad Bhagavatam is the most complete and authoritative exposition of Vedic knowledge After writing the Bhagavatam Vyasa taught it to his son Shukadeva Goswami who later spoke the Bhagavatam to Maharaja Parikshit in an assembly of sages on the bank of the sacred Ganges River Although Maharaja Parikshit was a great rajarshi

saintly king and the emperor of the world when he received notice of his death seven days in advance he renounced his entire kingdom and retired to the bank of the Ganges to seek spiritual enlightenment The questions of King Parikshit and Shukadeva Goswami s illuminating answers concerning everything from the nature of the self to the origin of the universe are the basis of Srīmad Bhagavatam This edition of Bhagavatam is the only complete English translation with an elaborate and scholarly commentary and it is the first edition widely available to the English reading public This work is the product of the scholarly and devotional effort of His Divine Grace A C Bhaktivedānta Swami Prabhupada the world s most distinguished teacher of Indian religious and philosophical thought His Sanskrit scholarship and intimate familiarity with Vedic culture combine to reveal to the West a magnificent exposition of this important classic *Bṛihad Bhagavatamrita* ALFRED J.
