Going Home 5 9 Soar To Success:

Just Around Midnight Jack Hamilton, 2016-09-26 By the time Jimi Hendrix died in 1970 the idea of a black man playing lead guitar in a rock band seemed exotic Yet a mere ten years earlier Chuck Berry and Bo Diddley had stood among the most influential rock and roll performers Why did rock and roll become white Just around Midnight reveals the interplay of popular music and racial thought that was responsible for this shift within the music industry and in the minds of fans Rooted in rhythm and blues pioneered by black musicians 1950s rock and roll was racially inclusive and attracted listeners and performers across the color line In the 1960s however rock and roll gave way to rock a new musical ideal regarded as more serious more artistic and the province of white musicians Decoding the racial discourses that have distorted standard histories of rock music Jack Hamilton underscores how ideas of authenticity have blinded us to rock's inextricably interracial artistic enterprise According to the standard storyline the authentic white musician was guided by an individual creative vision whereas black musicians were deemed authentic only when they stayed true to black tradition Serious rock became white because only white musicians could be original without being accused of betraying their race Juxtaposing Sam Cooke and Bob Dylan Aretha Franklin and Janis Joplin Jimi Hendrix and the Rolling Stones and many others Hamilton challenges the racial categories that oversimplified the sixties revolution and provides a deeper appreciation of the twists and turns that kept the music alive *S.O.A.R - Success over Adversity Reigns!* Abir Mukherjee, 28-05-15 Frustrated with their current jobs Uday Adhyayan and Rajasekaran team up to start an innovative business non-existent in India until then Ignoring all pragmatic aspects of life they chase their dreams with immense pleasure However their journey is no cakewalk as they confront financial crisis and rejections soon Uday plays a business trick to triumph over that uninfluenced market it works initially but soon boomerangs blowing the team apart The police arrests Uday accusing him of illegal activity by his organization Were there any blemishes in their plan or was it just a typical Indian market reluctant to accept an unexperimented concept Will they be successful in implementing their innovation staking their hard-earned money stable jobs relationships and life S O A R is the story of chasing a dream quandary between desire and responsibility friendship and love Join the gutsy journey of three young entrepreneurs **Coming Home** Roger D.
