A Guardian's Dream Renee Wildes, 2019-04-15 Plagued with nightmares of a goblin child tormented by monsters and with her usual cures having no effect, dream faerie Pryseis journeys to the Shadowlands to heal the child in person, even though doing so risks the wrath of the faerie council. And if she's away from home too long, her very existence is caught and imprisoned by an ungrateful goblin sorcerer. She's now trapped underground, chained in her despair, growing as her time ticks down, yet warmed by the memory of a man she has only touched in dreams. Benilota Myran drained his spirit-healing powers during the war, but he has no choice. The beautiful faerie in his dreams is in trouble, and not even his worried king and queen can stop him from trying to save her before the darkness snuffs out her light. Finally, they are together, chained side by side in a goblin dungeon. Their only hope for escape is to break the law, to merge their powers in a ritual so intensely erotic it binds them for life. However short and nightmarish that life might be. Warning: Beware beautiful faeries and hot elves appearing in your dreams. They may lead you astray and steal your heart.
