Going Fishing Travel Adventure With A Fishing Rod:

Going Fishing Negley Farson, 2016-03-31 James Negley Farson never failed to take his fishing rod wherever he went. As much an autobiography as it is a book on fishing, Going Fishing describes Farson's vast experiences river fishing while travelling the world. This wonderfully illustrated volume includes varied chapters on Pacific salmon, the Shetland Islands, Uxbridge, the Hebrides, Ireland, the Caucasus, Moscow, the Danube, erupting volcanoes in Chile, and both rural and urban life in England, France, and Norway. Considered one of the classics of fishing literature, it details a lifetime of grand adventures and fishing tales. Combining lively writing of the countryside with beautiful illustrations, Going Fishing will delight any lovers of fishing, traveling, or the great outdoors. Outing: Sport, Adventure, Travel, Fiction, 1920 *Outing*, 1921 Life at the End of a Rod Robert Veltidi, 2012-10 Life at the End of the Rod Tales of a Fisherman is the lifelong journey of Robert Veltidi as he grows into a man. The outdoors was an important part of his upbringing, and he transported that love of the outdoors into his way of life. This book begins with his earliest recollection of fishing, takes us through a time of self-discovery and exploration, then to a rebirth of his love of fishing. Then the author leaps back into fishing as a means of relaxation and camaraderie between him and his father and brothers. Later on, after the death of his father, his son joins the group along with a host of friends of all the Veltidi boys. Each story is the tale of one time that the author feels either fishing has affected his life or that he affected somebody else's life by fishing. My Fishing Beginnings is the author's first recollections of his fishing life. It introduces you to the boy that he was and later the man he would become. Like the prologue, My Fishing Beginnings gives you the background information about the people in the rest of the stories. The Home Pond is a tribute to the author's grandparents. They played a huge role in his early childhood. Although the story takes place on one brief day, it depicts life in a rural area in the early 1950s. Huck Grows Up takes place over two summers and tells of the fishing adventures of the author when he was first given his independence and allowed to go out fishing and into town on his own. It was a turning point in his life when childhood dreams change and his life takes a new direction. The Norma K is the author's first experience into ocean fishing. It's interesting because the story is divided into three sub-chapters: The Norma K, The Norma K II, and The Norma K III. All three were party boats out of Point Pleasant, New Jersey, that the author fished on in various times in his life: first with his father, then with his wife, and finally with his son. All three experiences were surprisingly similar in some ways and subtly different in others. The Norma K is the last story of the author as a child, and it finishes up with him as an adult. The remaining stories depict the author as an adult or as near to one as he can be while still having as much fun as he can while fishing. My Turn is the first story the author ever wrote. It came after the death of his father, and it was part of the grieving process the author went through. The story tells of the changing of the guard when the son becomes the leader and mentor and fulfills one of his father's lifelong dreams with surprising results. Fixing a Roof is a whimsical tale of grown men deciding to play hooky for the day and go fishing. This is where you meet Alan, the author's brother, and are introduced to one of Alan's

friends Lake Ontario is an ongoing process it started in 1987 when the author's father died and chronicled the first eight years of an ongoing trip that continues even to today In this tale you become more acquainted with Doug the author's son and he becomes a vital part of the rest of the saga New Jersey Trout is the exploration into new waters and the discovery of a whole new fishery Along the way the author meets new friends and bonds closely with his son Tiger Muskies is the start of something new the author has stepped up and bought a bigger boat The small lake fishing and wading by the edge of the streams has been replaced by fishing for trophy sport fish It is also the second story written by the author Thoughts on Retirement is a reflective essay that was written one afternoon in August when the author was sitting down in his shed by the lake and was a little scared of what the future would bring For the first time in fifty years the author was free of any obligations Shark Fishing at Montauk *Hawaii Travel Adventures* John Penisten,2010-09-14 Annotation This guide takes you to the best the islands have to offer both above and below the water's surface Underwater enthusiasts will revel in the vivid descriptions of dive sites from the wreck of the Chikuzen just off Virgin Gorda to the Painted Walls of Norman Island Each of the dives is chosen for visual appeal marine life or the challenge it offers Depth strength of currents accessibility marine life you will encounter level of expertise required and special points of interest are covered This guide is aimed at the dive traveler not just the diver It offers details on sightseeing dining and accommodations You will also find contact numbers for watersports operators stables and boat charter companies Shopping is covered in the guide as well Aimed at the dive traveler this book takes you to the best places the islands have to offer both above and under the water There are vivid descriptions of the dive sites and each one profiled is chosen for its visual appeal marine life or the challenge it offers The depth strength of currents accessibility marine life you will encounter level of experience required and special points of interest are covered A special section covers medical and travel insurance for divers **Travel** ,1914 Toronto (Rough Guides Snapshot Canada) Rough Guides,2016-07-01 The Rough Guides Snapshot Canada Toronto is the ultimate travel guide to Canada's largest city It leads you through the city with reliable information and comprehensive coverage of all the sights and attractions from uber cool Queen Street West to the sprawling Distillery District and the outstanding Art Gallery of Ontario to TIFF the Toronto International Film Festival Detailed maps and up to date listings pinpoint the best cafés restaurants hotels shops bars and nightlife ensuring you make the most of your trip whether passing through staying for the weekend or longer The Rough Guides Snapshot Canada Torontocovers Downtown Toronto Uptown Toronto the waterfront and the Toronto Islands Also included is the Basics section from the Rough Guide to Canada with all the practical information you need for travelling in and around Toronto including accommodation transport food drink costs health and spectator sports Also published as part of the Rough Guide to Canada The Rough Guides Snapshot Canada Toronto is equivalent to 68 printed pages Montréal and Southwest Québec (Rough Guides Snapshot Canada) Rough Guides,2016-07-01 The Rough Guides Snapshot Canada Montréal and Southwest Québec is the ultimate travel guide to this area of Canada It leads
