Hayim Greenberg Anthology:

Hayim Greenberg Anthology Hayim Greenberg, 1968 Hayim Greenberg was more than just a leader of the American Labor Zionist movement. He was a Zionist theoretician, socialist thinker, writer on ethical and philosophical problems, and political spokesman who influenced widely spread circles within the Jewish and non-Jewish world. He was a paradoxical, ambivalent figure, many faceted, sensitive. He had that rare combination of poetry and lucidity which makes a great essayist and a great teacher. In this collection, some of his best essays offer his thoughts on religion and ethics, Jews and Zionism, socialism and communism, and the broader aspects of life in general. Penetrating, lucid, profound, they were written originally in different languages, some in English, which was the last of many languages Hayim Greenberg mastered. The depth and range of these essays makes this collection a significant contribution to the discussion of the Jewish condition as part of the human condition.

The Essential Hayim Greenberg Hayim Greenberg, 2017-02-15 This landmark collection showcases the writings of Hayim Greenberg, a founder of the Labor Zionist movement in America and a foremost writer, thinker, and activist in the fields of twentieth-century Jewish culture and politics.

Hayim Greenberg Marie Syrkin, 1977 *Anthology* Hayim Greenberg, 1968 **The Sabbath Anthology** Abraham Ezra Millgram, 2018-07 Back by popular demand, the classic JPS holiday anthologies remain essential and relevant in our digital age. Unequaled in depth, compilations of classic and contemporary writings, they have long guided rabbis, cantors, educators, and other readers seeking the origins, meanings, and varied celebrations of the Jewish festivals. The Sabbath Anthology delves into one of the earliest Jewish institutions, the holiday, the prophet Isaiah characterized as the day of delight, elucidating its history, laws, customs, and traditions, religious and ethical insights, and observances in different eras throughout the world. A wealth of Jewish creativity, past and present. The Sabbath in Judeo-Hellenistic Literature by Flavius Josephus and Philo Judaeus. Talmud and midrashim, medieval Jewish literature by Judah Halevi, Abraham ibn Ezra, and Moses Maimonides, modern Jewish literature by Solomon Schechter, Mordecai Kaplan, Sholom Asch, Hayyim Nahman Bialik, and Ahad Ha'am, short stories by S. Y. Agnon, I. L. Peretz, Meyer Levin, and Martin Buber, ceremonial and decorative art, musical compilations, and programming will yield delight for many Sabbaths to come.

The Other New York Jewish Intellectuals Carole S. Kessner, 1994-10 Irving Howe, Saul Bellow, Lionel Trilling. These are names that immediately come to mind when one thinks of the New York Jewish intellectuals of the late thirties and forties. And yet, the New York Jewish intellectual community was far larger and more diverse than is commonly thought. In *The Other New York Jewish Intellectuals*, we find a group of thinkers who may not have had widespread celebrity status but who fostered a real sense of community within the Jewish world in these troubled times. What unified these men and women was their commitment and allegiance to the Jewish people. Here we find Hayim Greenberg, Henry Hurwitz, Marie Syrkin, Maurice Samuel, Ben Halperin, Trude Weiss, Rosmarin Morris, Raphael Cohen, Ludwig Lewisohn, Milton Steinberg, Will Herberg, A. M. Klein, and Mordecai Kaplan, and many others. Divided into 3 sections: Opinion Makers, Men of Letters, and Spiritual Leaders, the

the Challenge of Ethnic Leadership Deborah Dash Moore, 2013-08-20 Bnai B'rith has a history almost as diverse as the story of American Jewry itself. The oldest secular Jewish organization in the United States, it was founded in 1843. Thereafter, it followed in the footsteps of its immigrant founders, spreading into the cities, towns, and villages of America, eventually becoming the worldwide order it is today. What is more, Bnai B'rith's physical expansion was paralleled by the scope of its activities. It supports one of the most prominent American Jewish defense organizations, the Anti-Defamation League. Its Hillel Foundations constitute an international network of student activities on college campuses. It sponsors a broad array of learning programs through its Adult Jewish Education Commission. The Bnai B'rith Youth Organization serves the entire Jewish community. It conducts projects and programs in Israel of philanthropic and educational nature, helps finance several national Jewish hospitals and homes for the aged, and supervises an International Council to coordinate its overseas units and to take responsible action on issues relating to world Jewish affairs. And it is partnered in all these activities by Bnai B'rith Women, an independent organization. This is the saga of Bnai B'rith, recounted by Professor Deborah Dash Moore. To elucidate the diverse facets of this venerable yet youthful organization and to reveal their integral relationship to the history of the Jews in America, Professor Moore focuses on the moments of innovation that have influenced its development and direction, and on the outstanding individuals who have guided the Order's destiny. **Encyclopaedia Judaica: Fr-Ha**, 1996

National Poetry, Empires and War David Aberbach, 2016-09-13 Nationalism has given the world a genre of poetry bright with ideals of justice, freedom, and the brotherhood of man, but also at times burning with humiliation and grievance, hatred and lust for revenge, driving human kind as the Austrian poet Grillparzer put it, from humanity via nationality to bestiality. National Poetry, Empires and War considers national poetry and its glorification of war from ancient to modern times in a series of historical, social, and political perspectives. Starting with the Hebrew Bible and Homer and moving through the Crusades and examples of subsequent empires, this book has much on pre-modern national poetry but focuses chiefly on post-1789 poetry which emerged from the weakening and collapse of empires as the idealistic liberalism of nationalism in the age of Byron, Whitman, D. Annunzio, Yeats, Bialik, and Kipling was replaced by darker purposes culminating in World War I and the rise of fascism. Many national poets are the subject of countless critical and biographical studies, but this book aims to give a panoramic view of national poetry as a whole. It will be of great interest to any scholars of nationalism, Jewish Studies, history, comparative literature, and general cultural studies. **Nazism, the Jews and American Zionism, 1933-1988** Aaron Berman, 1992

An investigation of the response of American Jews to Nazism and the extermination of European Jewry. The demand for Jewish statehood politicized the rescue issue and made it impossible to appeal for American aid on purely humanitarian grounds. Berman tries to understand the constraints within which American Jews operated. Annotation copyrighted by Book News, Inc., Portland, OR. **Nazism, the Jews and American Zionism, 1933-1948** Aaron Berman, 2018-02-05 A sophisticated analysis of how the Zionist understanding of the Holocaust shaped the development of

American Jewish policies and political activism Aaron Berman takes a moderate and measured approach to one of the most emotional issues in American Jewish historiography namely the response of American Jews to Nazism and the extermination of European Jewry In remarkably large numbers American Jews joined the Zionist crusade to create a Jewish state that would finally end the problem of Jewish homelessness which they believed was the basic cause not only of the Holocaust but of all anti-Semitism Though American Zionists could justly claim credit for the successful establishment of Israel in 1948 this triumph was not without cost Their insistence on including a demand for Jewish statehood in any proposal to aid European Jewry politicized the rescue issue and made it impossible to appeal for American aid on purely humanitarian grounds The American Zionist response to Nazism also shaped the political turmoil in the Middle East which followed Israel's creation Concerned primarily with providing a home for Jewish refugees and fearing British betrayal Zionists could not understand Arab protests in defense of their own national interests Instead they responded to the Arab revolt with armed force and sought to insure their own claim to Palestine Zionists came to link the Arabs with the Nazi and British forces that were opposed to the establishment of a Jewish state In the thinking of American Zionists the Arabs were steadily transformed from a people with whom an accommodation would have to be made into a mortal enemy to be defeated Aaron Berman does not apologize for American Jews but rather tries to understand the constraints within which they operated and what opportunities if any they had to respond to Hitler In surveying the latest scholarship and responding to charges against American Jewry Berman's arguments are reasoned and reasonable

Muresianu, 1988 Analyzes the views of editorial commentators in the most influential newspapers and journals of the time Ch 3 pp 169-236 The Extermination of European Jewry examines their reaction to the Nazi persecution of the Jews Most commentators devoted little space to the plight of the Jews e.g. Walter Lippmann Henry Luce nor did the large magazines and newspapers such as the New York Times provide permanent coverage preferring to concentrate on the military actions and the future of Europe Others e.g. Dorothy Thompson campaigned tirelessly to open U.S. borders to European refugees Even amongst Jewish publications and in pronouncements by prominent Jews such as Stephen S. Wise fears of an American antisemitic reaction led to a cautionary approach when discussing the Holocaust and rescue efforts Claims that lack of public pressure due to indifferent press reporting was one of the reasons for the Roosevelt administration's failure to help the Jews
