**Haym Salomon, Liberty's Son** Shirley Milgrim,1979      **Haym Salomon: Son of Liberty** Howard Fast,1968      Haym Salomon Charles Spencer Hart,19??      Haym Salomon and the Revolution Charles Edward Russell,1970      **History Lessons** Beth S. Wenger,2021-06-08 Most American Jews today will probably tell you that Judaism is inherently democratic and that Jewish and American cultures share the same core beliefs and values But in fact Jewish tradition and American culture did not converge seamlessly Rather it was American Jews themselves who consciously created this idea of an American Jewish heritage and cemented it in the popular imagination during the late nineteenth and mid twentieth centuries History Lessons is the first book to examine how Jews in the United States collectively wove themselves into the narratives of the nation and came to view the American Jewish experience as a unique chapter in Jewish history Beth Wenger shows how American Jews celebrated civic holidays like Thanksgiving and the Fourth of July in synagogues and Jewish community organizations and how they sought to commemorate Jewish cultural contributions and patriotism often tracing their roots to the nation s founding She looks at Jewish children s literature used to teach lessons about American Jewish heritage and values which portrayed and sometimes embellished the accomplishments of heroic figures in American Jewish history Wenger also traces how Jews often disagreed about how properly to represent these figures focusing on the struggle over the legacy of the Jewish Revolutionary hero Haym Salomon History Lessons demonstrates how American Jews fashioned a collective heritage that fused their Jewish past with their American present and future      **Divergent Jewish Cultures** Deborah Dash Moore,S. Ilan Troen,2008-10-01 Two creative centers of Jewish life rose to prominence in the twentieth century one in Israel and the other in the United States Although Israeli and American Jews share kinship and history drawn from their Eastern European roots they have developed divergent cultures from their common origins often seeming more like distant cousins than close relatives This book explores why this is so examining how two communities that constitute eighty percent of the world s Jewish population have created separate identities and cultures Using examples from literature art history and politics leading Israeli and American scholars focus on the political social and memory cultures of their two communities considering in particular the American Jewish challenge to diaspora consciousness and the Israeli struggle to forge a secular national Jewish identity At the same time they seek to understand how a sense of mutual responsibility and fate animates American and Israeli Jews who reside in distant places speak different languages and live within different political and social worlds      American Revolution Spencer C. Tucker,2018-09-14 With more than 1 300 cross referenced entries covering every aspect of the American Revolution this definitive scholarly reference covers the causes course and consequences of the war and the political social and military origins of the nation This authoritative and complete encyclopedia covers not only the eight years of the American Revolutionary War 1775 1783 but also the decades leading up to the war beginning with the French and Indian War and the aftermath of the conflict with an emphasis on the early

American Republic Volumes one through four contain a series of overview essays on the causes course and consequences of the American Revolution followed by impeccably researched A Z entries that address the full spectrum of political social and military matters that arose from the conflict Each entry is cross referenced to other entries and also lists books for further reading In addition there is a detailed bibliography timeline and glossary A fifth volume is devoted to primary sources each of which is accompanied by an insightful introduction that places the document in its proper historical context The primary sources help readers to understand the myriad motivations behind the American Revolution the diplomatic military and political maneuvering that took place during the conflict and landmark documents that shaped the founding and early development of the United States

**Monuments of Diverse Heritage in Early America** Barry L. Stiefel,2025-10-01  
**Monuments of Diverse Heritage in Early America** Placemaking and Preservation by Black Indigenous and Jewish Peoples explores a more inclusive history of preserving public historic sites At a time when some Americans have embraced white nationalism in response to unfolding demographic changes and others celebrate individual identities over all else an inclusive tolerant and unifying historical vision is sorely needed While past preservation efforts sometimes resulted in exclusionary forms of historical inspiration that need not be the case in the future Bringing greater attention to the diverse heritage of the United States will not only help dismantle the lingering remnants of exclusionary and elitist narratives but also celebrate a pluralistic and diverse past and present An inclusive empowering history can provide social cohesion while allowing room for individual groups to have authority over their pasts and representation in public side by side with one another
