*Hazardous Pursuit* Bruce Strachan, 1995 A gripping account of the strained relationships between First Nations people and the RCMP      Police Vehicular Pursuits Wendy L. Hicks, 2007 The field of police vehicular pursuits is replete with complex often conflicting legal issues The consequences of negligence can have far reaching implications for law enforcement agencies as well as individuals While this book is not an indepth legal analysis of pursuit ramifications it provides discriminating readers with the most up to date guide to understanding the many legal intricacies involved with police pursuits The text provides comprehensive examination of legal aspects underlying police department pursuits and policy considerations exploration of liability and negligence including municipal liability training breach of duty and deliberate indifference state tort law including intentional tort public duty contributing negligence assumption of risk and sudden peril federal liability law pertaining to police vehicular pursuits the use of force involved in pursuits and considerations of a national pursuit policy This timely book is an exceptional resource for professionals and students of criminal justice and law enforcement in helping to understand the many intricate concepts in vehicular pursuit currently facing administrators and patrol officer in the field      **Navy Department Appropriation Bill** United States. in modern Shakespeare studies At this crucial point then Presentist Shakespeares is a compelling collection of readings by a distinguished team of authors but it is also much more it is a landmark which reflects develops and even rejoices in the indeterminacy of the field Contributors include Catherine Belsey Michael Bristol Linda Charnes John Drakakis Ewan Fernie Evelyn Gajowski Hugh Grady Terence Hawkes and Kiernan Ryan Miscellaneous Documents United States.
