Neo-Stalinism Irfan Saeed,2018-08-10 This book is a combination of Science Philosophy Politics and Religion It is a highly blasphemous book disproving all religions as the fantasies of the false Specially it is written against Islam Koran and Mohammed The name of the book is Neo Stalinism as it proves that the Communism and Marxism is the only truth for the greatest cause to emancipate humans from the yoke of slavery bondage and exploitation of man by man It was the dream of Comrade Stalin to abolish religions from the face of this earth but he was not capable to do so My pen is sharper than the sword of Stalin On the basis of reason and logic I have left no ground under the feet of religious thinkers to argue against me Thus the greatest goal of Communism is achieved by abolishing exploitation as well as the superstitions of religions This combination of communism with abolition of religions is named as Neo Stalinism
