Management: Lessons from Research and Practice Carol Simon Weinstein,Jr. Mignano, Andrew,2007 Stressing the need
to build caring supportive relationships with and among students this trusted text offers research based guidance on
effective classroom management It addresses current concerns about student motivation and helps prospective and
beginning teachers develop a philosophy of classroom management that focuses on building connections with students and
creating safe caring classrooms The text profiles five master teachers grades K 1 3 4 and 5 in very different school settings
as they create classrooms that are orderly and productive humane and caring The integration of the thinking and the actual
management practices of five real elementary teachers into discussions of research based management principles prompts
readers to connect theories with actual results Further the text demonstrates how real teachers can adapt to any
circumstances physical room constraints curriculum requirements challenging behaviors and still be successful *El-Hi*
