He Brought Us Out To Bring Us In:

The Israelite Samaritan Version of the Torah Benyamim Tsedaka, Sharon Sullivan, 2013-04-26 This landmark volume presents the first ever English translation of the ancient Israelite Samaritan version of the Pentateuch or Torah. A text of growing interest and importance in the field of biblical studies, the Samaritan Pentateuch preserves a version of the Hebrew text distinct from the traditional Masoretic Text that underlies modern Bible translations. Benyamim Tsedaka's expert English translation of the Samaritan Pentateuch is here laid out parallel to the more familiar Masoretic Text, highlighting the more than 6,000 differences between the two versions. In addition to extensive explanatory notes in the margins throughout the book, its detailed appendices show affinities between the Samaritan and Septuagint versions and between the Samaritan and Dead Sea Scroll texts. Concluding the volume is a categorical name index containing a wealth of comparative information.

The Life Recovery Bible KJV Tyndale, 2014-11 With over 2,000,000 copies sold, The Life Recovery Bible is today's #1 selling Bible tied to the Twelve Steps of recovery, helping millions of people turn to the true source of healing, Jesus Christ. Now available in the King James Version. **Jubilee of Hope** Archbishop Rino Fisichella, 2024-11-07 Hope is the theme for the Jubilee of 2025, opening the door to a certain evangelical realism. There is today a great need for hope because this new culture we live in causes people to experience fear, anxiety, and uncertainty. This can lead to feelings of desperation if people are not properly supported. Humanity needs to hear a message that restores the certainty of true hope. Jubilee of Hope is an invitation to be strong in a faith that supports hope. Christian hope does not deceive or disappoint because it is grounded in the certainty that nothing and no one may ever separate us from God's love. To live the Jubilee year well, we must delve deeper into the virtue of hope and foster hope for the pastoral renewal of our communities. Deuteronomy Gerhard von Rad, 1966-01-01 This commentary on Deuteronomy meets and exceeds the high standards of the Old Testament Library series. It provides one of the most sophisticated explanations to date of the compositional process that produced Deuteronomy, presenting that process as a combination of large-scale redactional activity and micro-redaction. The commentary is also attentive to the historical background of Deuteronomy's origins in the reigns of Manasseh and Josiah. The fresh translation that heads each section is followed by insightful linguistic comments that highlight Deuteronomy's famous homiletical and didactic style. The Old Testament Library provides fresh and authoritative treatments of important aspects of Old Testament study through commentaries and general surveys. The contributors are scholars of international standing. Deuteronomy Thomas Wingate Mann, 1995-01-01 Deuteronomy is a living document that deals with issues that have relevance for the modern-day reader, including justice and the vision of the Great Society, individual responsibility versus the importance of community, and the nature of loyalty to God and to the world. By examining these issues, readers will draw striking parallels between the world of Israel several millennia ago and today. **Joshua** Adolph L. Harstad, 1991-07-01 What is the book of Joshua about?
