First Thoughts Ken & Val Baker, 2015-10-02 This is a compilation of four previously published rather slenderer books entitled *The God of More than Enough* *Christ the Hope of Glory* *According to the Power and This Hope we Have* It appears now by popular request in one volume to encourage the reading and reflection on God s word every morning It also contains the revised script of an E book from some years back entitled *First Thoughts Be My First Thought in the Morning* As a couple we always try to start and finish each day centred on God s word to let it be our first thought and our last thought And so *First Thoughts* still seems to be an appropriate title for the present volume There s a theme that comes consistently to the surface wherever we travel it s the theme of God s supply Everywhere we go we find people hungry for the truth that God is all we need that He is our supplier that He provides for every single situation So here are some of those verses that have blessed us in that discovery

E. Phillips Oppenheim: 72 Novels & 100+ Short Stories (Illustrated Edition) E. Phillips Oppenheim, 2023-12-07 E Phillips Oppenheim 72 Novels 100 Short Stories Illustrated Edition is a comprehensive collection that encapsulates the prodigious output of one of the early 20th century s most prolific writers Oppenheim often regarded as the Prince of Storytellers

masterfully blends elements of mystery adventure and romance in his narratives which reflect the era's cultural tensions and technological advancements This illustrated edition offers rich visual context alongside Oppenheim's sharp prose providing readers with a dual experience that enhances the thematic depth of his stories from espionage to societal critique Born in 1866 E Phillips Oppenheim's storytelling prowess was arguably shaped by his early career in journalism and his exposure to the dynamic world of British high society His understanding of human psychology and social structures permeated his narratives which often feature complex characters navigating morally ambiguous landscapes The juxtaposition of his fascination with the thrill of adventure and a critique of societal norms suggests Oppenheim's reflective engagement with the changing world around him particularly during the tumultuous years leading up to and beyond World War I I highly recommend this illustrated edition to readers who appreciate historical fiction and the art of storytelling in its classic form Oppenheim's works not only entertain but also provoke thought about human nature and societal values making this collection an essential addition for both literary enthusiasts and casual readers alike

Good Morning Message Peggy Edwards, 2010-08 This daily devotional book has been a God led inspiration from its very start up from its original Bible verse and note of encouragement to some coworkers and family members to people around the world via my email network Our God is so awesome I've had people return emails to me or speak to me and ask How did you know that I needed that today or How did you know I was going through this That is when I thankfully remind them that God inspired each and every one of these devotionals I am just being faithful and following His directions Now I'm led to put them into a year of daily devotions book to reach others Occasionally my emailed devotionals have colored photographs that I take as God inspired message for the day Unfortunately I couldn't include those in this book I did include a photo in grayscale at the beginning of each month the cover photo is a God blessed look at an Alaskan sunset I am so thankful that God is working in my life I want to encourage each of you to grasp hold of whatever gift He has blessed you with and step out in trust and faith to go forth and to share it with others When you feel down just start counting each of the blessings God has touched you with in your life and you will feel His Presence and comfort to encourage you We are never alone He is just a prayer away nothing is impossible for our God He is not done with us yet He is asking us to be obedient in our service to Him and He will help us grow in our faith Trust in Him and you will be astounded at what He has in store for you
