Mathewson, Jennifer J. Fitzgerald, 2024-05-28 The purpose of this book is to provide a devotional resource that will lead readers into a personal encounter with God's presence It is meant to help the reader connect the head and the heart This book is organized around 30 readings that will take you through an entire month Each reading one for each day of a month consists of a detailed study of a biblical passage From the Head followed by a devotional application based on that passage To the Heart The book both traces the theme of God's presence throughout Scripture but focuses on engaging God's presence at a personal level The goal is that you practice encountering the presence of God *An Encounter with Him* Terri Copeland Pearsons, 2024-08-06 Wouldn't it be wonderful if you could have a living encounter with God any time you wanted You can In fact that's God's plan for you He never meant for you to encounter Jesus just once when you were saved or even just on occasion He designed you to live in continual fellowship with Him to encounter Him every time you pray In this book Terri Copeland Pearsons shares how she began to encounter Jesus as a little girl sitting at her praying grandmother's feet She reveals how those encounters with Him changed her life and shaped her ministry in prayer today And by combining practical teaching with her inspiring stories she takes you on your own personal journey A journey that will lead you into the kinds of encounters with God your heart craves As you read these pages sit with Terri at the feet of Jesus Allow Him to draw you into a closer fellowship with Him that will not only affect your own life but also many others Let Him show you how your prayer life can increasingly become An Encounter With Him *Reforming the Broken Heart of Leadership* Fred Meadows, 2013-06-10 Dynamic leaders are created from the inside out They are those individuals who have discovered that their identity as leaders are found in the integrity of being a child of the creator God rather than being shaped by their abilities performances and successes This book uncovers the underlying reality of why Christian leaders stray off the path of faithfully living out their calling Centered in the formative spirituality of Fr Adrian van Kaam Dr Fred Meadows links the many anomalies of leadership to what van Kaam labels as functionalism a self

sufficient mode of operation initiated by internal pride that pushes us to define ourselves in terms of our accomplishments we are what we do Functionalism blocks our ability to see from a higher perspective and to experience transcendence By rediscovering the ancient practices of silence solitude meditation on the Word lectio divina journaling prayer and practicing community pastors ministry leaders and laity alike can begin the process of reforming broken leadership Acknowledging their souls as well as their abilities leaders are able to renew and reconnect with their calling and minister out of the overflow of Gods presence while maintaining a healthy and dynamic inner life that fosters being conformed to the image and life of Jesus Christ
