Naderman, 2019-09-10 *Walk with Me* is a story about the

transformative power of friendship In friendship we feel accepted valued and understood This is the story of two people from

different walks of life who discovered they were more alike than different Ultimately they realize that it is the love of God that transforms us into being who we are created to be beacons of hope and love This story contemporary and compelling calls the reader to look introspectively into how daily decisions form our families and neighborhoods stretching to our global community Walk with Me probes the social questions of our time in how we view and sometimes refuse to see our neighbors while oftentimes loudly professing a Christian platform for living Ultimately it is our actions that speak loudest Walk with Me takes an honest hard look at who we profess to be who our actions reflect we are and who we are called to be It addresses racism and the challenging social issues of our time through the eyes of love and responsibility Walk with Me is a book that will make you laugh and cry and create a desire to seek the very best in each day you are given *Follow Me: Walking with Jesus through the Gospels* William C. Mattison, III, 2023-09-28 When we read the Gospels we learn about what Jesus did and how He reveals God the Father to us We read about His interactions with tax collectors fishermen or hospitable women and take away lessons on how to act or not act Yet the Gospel encounters also reveal how Jesus longs to speak directly to our hearts Follow Me Walking with Jesus through the Gospel serves as an invitation to deepen our relationship with the living God by providing imaginative access to various characters encounters with Jesus Drawing from Scripture and supplementing with questions for further reflection and study Follow Me will deepen a reader's understanding of who Jesus is and how He sees His beloved sons and daughters not just those recalled in Scripture but each of us in the present day **Walking In Authority** William L Sheals, 2007-10 In biblical times Jesus spoke about believers performing greater works after he died for their sins Now the manifestation of Jesus words requires that Christians walk in the authority that God has granted to each and every one of us In this motivational guide Dr William L Sheals shows believers how to use their gifts treasures time and talents to accomplish those greater works and realize Jesus prophecy Walking in Authority teaches and inspires believers to confidently act upon the word of God Dr Sheals shares practice biblical and modern day examples of others who have boldly assumed the power of enforcement to challenge us to spread God's message and reclaim the territory the enemy has stolen With simple but powerful lessons and tools for practical application in our lives and relationships these stories and characters will strengthen our walk and bring us closer to the Father Whether we take big ones or little the important thing to remember is that every great voyage begins with a single step Start walking in authority today and set off on the journey of a lifetime **Making Crooked Places Straight** Penelope Kaye, 2019-02-05 Making Crooked Places Straight is a spiritual warfare training manual equipping believers to walk in victory over the perverse spirit Everyone wants to shine like a star but not everyone is willing to pay the price Because in paying the price all come face to face with the perverse spirit in his or her life Since the church has for the most part relegated the perverse spirit to the homosexual community most Christians have no clue how the perverse spirit works in their lives homes or churches Making Crooked Places Straight solves that dilemma by providing information insights and answers from a solid biblical base Writing an exposé of the perverse spirit in

Will the Real Jesus Please Stand Up! Robert McClelland,2014-10-28 In a world where the God hypothesis is no longer necessary today s Church may offer skeptical Seekers a Jesus Story that no longer connects with their lives Nevertheless their honest questions are to be valued and honored by the Church because they keep us honest and make us rethink the relevancy of our faith Today s world is asking if there is any Reality to the Jesus about whom we speak and if so would he please stand up It is my contention that faith in God does not depend upon proof of his existence as much as what that God s attitude is toward us While the Good News proposed by Christian Faith is that God s attitude was definitively displayed in Jesus I am suggesting that our Jesus Story must take the Apostle Paul s understanding of Reconciliation seriously God too has to pay the price of Sin He is part of the problem of our alienation and neither we nor God can escape its consequences Therein lies the POWER I believe of the Jesus Story to hold the attention of today s Seeker Jesus not only died for our sins he died for God s Sin as well Our Sin was our disobedience God s Sin was his Ignorance It is Paul who getting his message directly from the Risen Christ sees this most clearly Paul wants us to understand that God was in Christ s life and death reconciling the world to himself not just forgiving us Unlike the Jesus Story told by today s Church Paul sees God s Grace as much more amazing than mere payment for our peccadilloes
