## **He Ascended Into Heaven:**

**He Ascended into Heaven** Tim Perry, Aaron Perry, 2010-05-01 Why do you stand looking up toward heaven That s what the angels said to the baffled disciples who had just experienced the Ascension of Jesus Christ Peter James John and the others stood there squinty into the sky trying to make sense of it all Tim and Aaron Perry confess to being baffled too For centuries Christians have confessed He ascended into heaven in their creeds but what do these words actually mean The Perrys offer a probing look at this unfamiliar doctrine and offer new insight into how the actual event can shape the life of a follower of Jesus Theologians have long made the bold claim that we need to work the Ascension into our theology They claim in fact that without the Ascension our theology is weak The cry of the Church has been Why and Show me Theologians have yet to answer that pressing question and answer that claim Until right now In your hands is one of the only books written that makes the Ascension a part of the Christian life and I hope you read and devour this insightful study and become and Ascensional follower of Jesus Scot McKnight author of The Jesus Creed and 40 Days Living the Jesus Creed **He Ascended Into Heaven a Study in the History of Doctrine** J. Nicene trinitarian Christology with its application to the practicalities of Christian life today Praise for Jesus Ascended Gerrit Dawson harkens back to an older vision of ministry that of the pastor theologian This vision is remarkably illustrated in this beautifully written book that can properly lay claim to being practical theology Very highly recommended for both pastors and theologians who want to have a faith grounded in the continuing reality of the incarnation in the ascension of Jesus Andrew Purves Princeton Theological Seminary This is a truly outstanding book for students pastors and thinking Christians alike I could not recommend it more enthusiastically Alan Torrance St Andrew s University UK A yawning gulf often appears between the interests of preacher and scholar of pastor and theologian Serious attempts to bridge that gulf are too few This book is one of them It brings to life the voice of the Fathers on the subject of the ascension of Jesus and calls the church back to the roots of its faith Douglas Farrow McGill University Canada Jesus Ascended. What Does That Mean? Scott Douglas,2020-11 Discover the Power of the Ascension Something happened Jesus rose But Christ didn t just rise from the dead He ascended to Heaven We hear the stories about Peter and John and all the heroes of the New Testament and they re unstoppable Christians fearless and bold And sometimes we wrongly assume that they just got that way That Christ died for their sins and bam They re instantly changed On the contrary the disciples were actually quite cowardly in their actions after the Resurrection It wasn t until after the Ascension that they were on fire for Christ So what happened during the forty days Something happened There s more written about Christ s ministry before his death than the events that happened after his Resurrection but when we look at Ascension we begin to see that there s power in small details We begin to see that something happened after the Resurrection something happened to transform the lives of believers and make them more than followers Looking at what happened after the Resurrection and further at the Ascension of Christ we start to see what happened to transform the followers and in seeing this we might just be transformed ourselves Something did indeed happen during the forty days Jesus was not done teaching An Exposition of the Creed John Pearson,1865 *The Missing Ending* Moira Astin,2024-09-30 The Ascension is a key Christian doctrine that receives very little attention in the textbooks on Christian doctrine most widely used in ministerial training There are almost no books focusing solely on this topic and this dearth also affects those who preach at the Ascension a major feast day that concludes the Easter season and also at the Feast of Christ the King which concludes the Christian year and which has a central focus on the Ascension After more than twenty years of teaching ordinands and readers in training Moira Astin provides a comprehensive and readable book that also covers the required academic ground for those in training In straightforward language it considers the Ascension in the gospels in Paul s letters and in Hebrews and Revelation its heavenly and earthly meanings theological understandings over the centuries why the Ascension matters today its importance for understanding other key doctrines such as the incarnation and resurrection **A Thematic Access-Oriented Bibliography of Jesus's Resurrection** Michael J. Alter,2019-12-31 The keystone of Christianity is Jesus s physical bodily resurrection Present day scholars can be significantly challenged as they

forage through voluminous documents on the resurrection of Jesus The literature measures well over seven thousand sources in English language books alone This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task Even when a specific book is relevant finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort A Thematic Access Oriented Bibliography of Jesus s Resurrection addresses these challenges in several ways First the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty four subcategories which are designed to help you find the most relevant literature quickly and efficiently Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views theistic e g Christian Jewish Muslim etc agnostic and nontheistic The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives allowing you to browse or find the one source accurately and with ease

**A Body of Divinity...** Thomas Ridgley, 1815 [SUMMA THEOLOGICA](#) Thomas Aquinas, 2017-10-06 This ebook is the best known work of Thomas Aquinas c 1225-1274 Although unfinished the Summa is one of the classics of the history of philosophy and one of the most influential works of Western literature It is intended as an instructional guide for moderate theologians and a compendium of all of the main theological teachings of the Catholic Church It presents the reasoning for almost all points of Christian theology in the West The Summa Theologica is divided into three parts and each of these three parts contains numerous subdivisions Part 1 deals primarily with God and comprises discussions of 119 questions concerning the existence and nature of God the Creation angels the work of the six days of Creation the essence and nature of man and divine government Part 2 deals with man and includes discussions of 303 questions concerning the purpose of man habits types of law vices and virtues prudence and justice fortitude and temperance graces and the religious versus the secular life Part 3 deals with Christ and comprises discussions of 90 questions concerning the Incarnation the Sacraments and the Resurrection Some editions of the Summa Theologica include a Supplement comprising discussions of an additional 99 questions concerning a wide variety of loosely related issues

such as excommunication indulgences confession marriage purgatory and the relations of the saints toward the damned  
Scholars believe that Rainaldo da Piperno a friend of Aquinas probably gathered the material in this supplement from a work  
that Aquinas had completed before he began working on the Summa Theologica      *Lessons in the Small Catechism of Dr.*
