Hannibal's War John Francis Lazenby, 1998 Hannibal is acknowledged to be one of history's greatest generals and his crossing of the Alps complete with elephants to make war against Rome on its home soil is legendary But even Hannibal met his match in Scipio and ultimately Carthage was defeated by the rising power of Rome In *Hannibal's War* J F Lazenby provides the first scholarly account in English since 1886 solely devoted to the Second Punic War what some have called the first world war for mastery of the Mediterranean world By closely examining the accounts of Livy and Polybius supplemented with the fruits of modern research Lazenby provides a detailed military history of the entire war as it was fought in Italy Spain Greece and North Africa This edition includes a new preface covering recent research on Hannibal's war against Rome

*The Lives of the Noble Grecians and Romans, Etc*, 1612 **The Atlantic Monthly**, 1899 **Hannibal's Road** Mike Roberts, 2017-03-30 Many books have been written on the Second Punic War and Hannibal in particular but few give much space to his campaigns in the years from 213-203 BC Most studies concentrate on Hannibal's series of stunning victories in the early stages of the war culminating at Cannae in 216 BC then refocus on the activities of his nemesis Scipio Africanus in

Spain until the two meet in the final showdown at Zama But this has led to the neglect of some of the Carthaginian genius most remarkable campaigns By 212 the wider war was definitely going against the Carthaginians Yet Hannibal despite being massively outnumbered and with little support from home was able to sustain his polyglot army and campaign actively across southern Italy for another ten years His skilful manoeuvring and victory in numerous engagements kept several veteran armies of the normally aggressive Romans tied up and on the defensive until Scipios invasion of North Africa pulled him home to defend Carthage Mike Roberts follows the course of these remarkable events in detail analysing Hannibals strategy and aims in this phase of the war and revealing a genius that had lost none of its lustre in adversity The Standard ,1908
