He Who Fears the Wolf Karin Fossum, 2006-07-03 When a woman who lived alone in the woods is brutally murdered Inspector Sejer investigates the chief suspect a schizophrenic loner who recently escaped from a mental institution *He who Fears the Wolf* Karin Fossum, 2005 A boy arrives at his police station to report the discovery of a horribly maimed body The village misfit who has been committed to a psychiatric clinic was seen nearby The next morning a bank in the nearby town is robbed at gunpoint The gunman takes a hostage and flees As his plans begin to come apart he unlike his hostage rapidly loses control The Publishers Weekly, 2007 Library Journal Melvil Dewey, Richard Rogers Bowker, L. Pylodet, Charles Ammi Cutter, Bertine Emma Weston, Karl Brown, Helen E. Wessells, 2006 Includes beginning Sept 15 1954 and on the 15th of each month Sept May a special section School library journal ISSN 0000 0035 called Junior libraries 1954 May 1961 Also issued separately *Books Out Loud*, 2007 Children's Books in Print, 2007, 2006 Library Journal, 2006-04 **When the Devil Holds the Candle** Karin Fossum, 2005 When two teenagers steal a purse from a stroller it results in an infant's death Unaware of the enormity of their crime Zipp and Andreas are intent on committing another They follow an elderly woman home and Andreas enters her house with his switchblade In the dark Zipp waits for his friend to come out Inspector Konrad Sejer and his colleague Jacob Skarre see no connection between the infant's death and the reported disappearance of a local delinquent And so while the confusion outside mounts the heart stopping truth unfolds inside the old woman's home Unflappable as ever Sejer digs below the surface of small town tranquility in an effort to understand how and why violence destroys everyday lives **Inspector Sejer Series** Karin Fossum, 2015-12-01 No one can thoroughly chill the blood the way Karin Fossum can Los Angeles Times Critically acclaimed across Europe Karin Fossum's Inspector Sejer novels are masterfully constructed psychologically convincing and compulsively readable They evoke a world that is at once profoundly disturbing and terrifyingly familiar The inaugural Inspector Sejer novels have been conveniently packaged together for your very own chilling reading experience EVA S EYE When the body of a man floats to the surface of a river Inspector Sejer is called in Sejer and his team determine that the man Egil died in a violent attack But Egil has been missing for months and the trail to his killer has gone cold It's as puzzling as another unsolved case on Sejer's desk the murder of a prostitute who was found dead just three days before Egil went missing Sejer sets to work piecing together the fragments of these two impossible cases soon enough he realizes that they might not be as separate as they had seemed DON T LOOK BACK At the foot of the imposing Kollen Mountain lies a small idyllic village where neighbors know neighbors and children play happily in the streets But when the body of a teenage girl is found by the lake at the mountaintop the town's tranquility is shattered forever Annie was strong intelligent and loved by everyone What went so terribly wrong Doggedly yet subtly Inspector Sejer uncovers layer upon layer of distrust and lies beneath the town's seemingly perfect facade HE WHO FEARS THE WOLF Inspector Sejer is hard at work again investigating the murder of a woman who lived alone in the middle of the

woods The chief suspect is another loner a schizophrenic recently escaped from a mental institution The only witness is a twelve year old boy overweight obsessed with archery and a resident at a home for delinquents Shrewdly patiently as is his way Sejer confronts a case where the strangeness of the crime is matched only by the strangeness of the criminals and where small town prejudices warp every piece of information he tries to collect In spare incisive prose Fossum turns a conventional police procedural into a sensitive examination of troubled minds and a disturbing look at the way society views them A superb writer of psychological suspense New York Times Talking Book Topics ,2014-07 *Bowker's Guide to Characters in Fiction* 2007 ,2008-02 *Eva's Eye* Karin Fossum,2013-08-06 The debut mystery novel in the Inspector Sejer Series from Norway s award winning author of *Hell Fire* and *The Whisperer* Eva Magnus and her daughter are out walking by the river when they make a grisly discovery a man s body floating on the water s surface Eva goes to call the police but when she reaches the phone she dials another number altogether for her own reasons But when the police find the body anyway Inspector Sejer and his team quickly determine that the man Egil died from a violent attack But Egil himself had been missing for months and the trail to his killer is all but vanished It s just as puzzling as another unsolved case on Sejer s desk the murder of a prostitute found dead just before Egil went missing And as Sejer tries to piece together these two impossible cases it soon appears that the two murders are connected And if the Inspector can t figure out the culprit behind the crimes someone else is going to pay with their life No one can thoroughly chill the blood the way Karin Fossum can Los Angeles Times **The British National Bibliography** Arthur James Wells,2003 *Calling Out for You* Karin Fossum,2006 Gunder Jomann a quiet middle aged man from a peaceful Norwegian town thinks his life is made complete when he returns from a trip to India a married man But on the day his bride is due to join him she fails to show Then the body of an Indian woman is found battered to death But Not For Fear Bj Bourg,2020-12-22 Something evil is lurking beneath the waters of Mechant Loup and it s up to Clint Wolf to figure out what it is In broad daylight on a calm sunny day in August a young college student suddenly disappears in Le Diable Lake and never resurfaces Despite a desperate search by her boyfriend she is not found While en route to the scene of the disappearance Clint Wolf and Officer Melvin Saltzman make a grim discovery that is seemingly unrelated to the initial report However as the community comes together to search for the missing girl it becomes increasingly evident that something evil is operating beneath the dark waters and no one is safe from its clutches **But Not Forewarned** Bj Bourg,2019-12-10 It s Mardi Gras in Mechant Loup and a dog complaint pulls Clint Wolf away from the town s yearly parade Happy to be away from the bustling crowds noise and lights he responds to the complaint and arrives just in time to stop a man from shooting a friendly German shepherd that posed no threat to anyone After addressing the man heatedly he attempts to return the dog to its home but instead finds a seemingly empty house an abandoned detective car a set of keys on the ground and a single drop of blood in the driveway It s unclear if anyone is home as nearly all of the townspeople are attending the parade and no one will answer his persistent knocking but Clint is determined to find the

source of the blood Finally his attention is drawn to the neighboring property where he locates an off duty officer bound and gagged and barely clinging to life As though things weren't bad enough Clint soon stumbles upon a ghastly murder scene that will shock even him to his core and it will inject sheer terror into the hearts of the rest of the town's citizens The one person who might hold the key to the case is in a coma leaving Clint to delve deep into the lives of the victims in hopes of finding the killer or killers Clint's biggest fear is not solving the case it's wondering what he might do once he comes face to face with the killer
