Can't See the Wood for the Trees? Alison Smith,2018-08-21 A guide to using the metaphorical language of a stuck situation to discover the solution Shares an easy fun process of exploring well known sayings as a means to identify new solutions and get unstuck in life and work Explains how to bring clarity to a problem highlight alternative perspectives bypass any conscious resistance to finding a solution and allow solutions to emerge organically from within ourselves Details the author s Landscaping Your Life method which has been used successfully in business strategy development team development project problem resolution and in one to one coaching If you can t see the wood for the trees feel like a fish out of water or are going around in circles we ve got good news for you that saying is also a clue to where you ll find the solution Yes you read right you can use the language you re using to describe the stuck situation to discover the solution It s not even the language as much as the landscape contained within your description of the situation that can give you pointers As Alison Smith explains If a picture paints a thousand words then a metaphor paints a thousand pictures In other words the metaphor in the saying you re using will provide a million words that will undoubtedly have the solution contained within them That s what this book is all about taking these sayings that you re using to describe being stuck and using them to get unstuck again The language you apply provides clues to how you perceive the current situation Subconsciously you know the solution Exploring the metaphors contained within your language allows your subconscious to communicate to your conscious awareness more easily The metaphor reduces resistance and the barriers we put up to change It s as if we enjoy exploring the metaphor and forget what it means in reality and before we know it we have a metaphorical solution that we cannot help but translate into real life Offering an effective easy process based on the power of metaphors Alison Smith introduces her Landscaping Your Life method as a means to bring clarity to a problem highlight alternative perspectives and allow solutions to emerge organically from within ourselves A Line in the Sand Teri Wilson,2022-08-02 He s here to save the sea turtles She s the local mermaid with a flair for chaos Together they re about to make waves thanks to one wayward dog and a beach full of second chances Welcome to Turtle Beach where sun kissed days and quirky neighbors set the stage for a heartwarming enemies to lovers romance Molly Prince never imagined her job as the aquarium s resident mermaid or her unruly rescue dog would land her in a standoff with a grumpy marine biologist But Max Miller has a mission to protect sea turtles and Molly s unpredictable pup just disrupted his research But when the dog s nose turns out to be the unexpected key to saving endangered nests and reviving the struggling aquarium Max and Molly will have to navigate their clashing personalities and undeniable attraction USA Today bestselling author Teri Wilson s signature blend of humor heart and happily ever afters shines in this summery escape perfect for fans of Jenny Hale Kate Angell and Hallmark Channel romance

If you're looking for joy redemption and a rescue dog with more personality than most people you'll find yourself utterly charmed Praise for Teri Wilson Teri Wilson is the Queen of Romantic Comedy Sarah Morgan USA Today bestselling author A preposterous premise turned into delightfully escapist fun Kirkus Reviews for *The Accidental Beauty Queen* A delightful romp Library Journal Starred Review for Royally Roma Fans of Kate Angell and Julie James will appreciate this fun lighthearted story Publishers Weekly for *A Spot of Trouble*

Cannon,Addams Stratton McAllister,1930 **Miscellaneous Publication - National Bureau of Standards** United States.
National Bureau of Standards,1934 *Bong the Bouncing Elephant and His Fantastic Friends* Wayne Teall,2012 I have always wanted to write a book ever since I can remember but one day I was listening to a programme on Radio 5 which I don't normally listen to Sir Terry Pratchett the famous author was on there saying how everyone has something in them but if they can't write it down or if they can't type try and get it down somehow After a while a couple of days after listening to the programme I was asked to go and clear up something at work and funnily enough there were two dictaphones I thought this was a bit spooky so I decided to use one of the dictaphones and start my book It wasn't easy it was difficult at first to talk into a tape recorder and put down your feelings and thoughts on there This book was done purely through my imagination the characters are purely my thoughts and I see how everything was when I was a kid at school how we were brought up and how the school is broken down into different elements at school where you have some friends there some friends there not so many friends there no friends there and you went around in a group all your life This book is about Bong how he meets his friends how he falls out with friends and how he has some great friends and they always will be this is what the book is all about friends The biggest thing about the book is honour and respect to your friends and family The characters in the book are also caricatures of themselves which is self explanatory **New and extensive sailing directions for the navigation of the North sea, arranged and written to accompany the new charts, drawn by J.W.
