

Have you heard the story about

- the elderly lady hitchhiker with remarkably hairy hands...
- the mini-convertible Porsche Turbo on sale for ten dollars cash...
- the beloved canary who meets an untimely end after the carpet installers leave...
- the peculiar spider that has a way of getting under one's skin...

As chilling as they are familiar, and familiar because they touch upon our worst fears and expectations, told and retold until they have become classics of terror and surprise, here are twenty stories not recommended for the faint of heart.
