Healed At Last A Story Of Faith:

Healed at Last Gladys P. Farmer, 2003-12 Although dry the well is a fantastic place Home to thousands of bottom dwellers it is crowded with bustling markets coliseums and temples There are also puddles that are filled with boats and ships trying to catch bountiful harvests On the docks and harbors frantic mercantile activity flourishes And the hundreds of tributaries that feed into the puddles are crammed with bridges shops and Dwarf tree houses can be seen everywhere along with thousands of mushroom cottages and mansions The foot of the interior wall is also riddled with dwellings embellished by countless little windows and balconies In this colorful world lives a humble dung beetle Simon Caught in a power struggle between the religious fundamentalists and the republicans his fate will eventually intertwine with that of the emperor of the world a frog To complicate matters a butterfly from the outside gets sucked down into the well by a gust of wind The well has a fascinating history In ancient times entire civilizations clashed with one another for survival They even built the Great Wall to keep out the barbarians And the epic battles were filled with catapults siege towers and charging rhinoceros beetles Frog in the Well is an exciting fantasy novel for young adults But adults will also gain much insight from the story Peppered with bittersweet humor throughout it is a timeless parable that raises questions about the meaning of life More than just a story Frog in the Well is also a new philosophy a new movement The novel hopes to change the way we all view our world and the universe Visit the official website www.froginthewell.com

My Stories of Faith Eric Elder, 2020-05-25 From the Introduction The Gift of Faith When I first put my faith in Christ He gave me a gift of faith I thought every Christian received the same gift In that moment I suddenly believed God could do anything absolutely anything I believed the whole Bible was true from cover to cover I believed anything God did in the past He could do again And I believed He could do even greater things than these even through me As Jesus said Truly I tell you whoever believes in Me will do the works I have been doing and they will do even greater things than these John 14 12 It wasn't until several years later when I took a spiritual gifts inventory that I realized God had given me a gift of faith a supernatural gift to believe God can do supernatural things And it was then that I realized God wanted me to use this gift as He wanted all of us to use our gifts for building up others in their faith Or as the Apostle Paul says to equip His people for works of service so that the body of Christ may be built up until we all reach unity in the faith and in the knowledge of the Son of God and become mature attaining to the whole measure of the fullness of Christ Ephesians 4 12 13 But I wondered how to do this As I asked others they said that whenever I would tell them my stories of faith how God had worked in my life they were encouraged in their faith to believe that God could work in their lives too Yes That made sense When people needed a boost in their faith I could give them some of mine Isn't that the way with all of our gifts When people need wisdom or money or healing or help or encouragement we share with them whatever wisdom or money or healing or help or encouragement we have been given see 1 Corinthians 12 14 So I began that day sharing my stories of faith in a more intentional way writing them down sending them out and telling them to others

when they needed a lift And that s what I m doing with this book for you If you need a boost in your faith if you need to believe that God can do something impossible for you if you need to know that God is real that He loves you that He is FOR you and has a purpose for your life then this book is for you Because along with hope and love faith is one of the top three things we all need in life see 1 Corinthians 13 13 With that as an introduction I d like to begin telling you a few of my stories of faith starting with the day I was born Well not that far back I ll start with the day I was born again at age 23 the day I put my faith in Christ and He put His gift of faith in me Eric Elder *Overcoming the Trials of a Lifetime* Randall K. Mighty in Word and Deed Stephen Hultgren,2025-10-14 The second of a two volume work continues the social memory approach of the first volume seeking social frameworks of memory and narrative patterns of social significance that can explain the construction of a gospel as an extended narrative about Jesus including his words and deeds This volume focuses on Elijah and Elisha typology in the gospels these prophets serving as major figures of memory in the construction of gospel narrative It shows how traditions preserved in Mark and Q functioned to raise the question of Jesus s identity vis vis Elijah to offer answers to the question and to locate stories about Jesus on one or more time maps thereby establishing the basis for an extended narrative about Jesus It also demonstrates how extended gospel narrative functioned to integrate memories of Jesus into different frameworks of

Christological interpretation *Miracle Discourse in the New Testament* Duane F. Watson, 2012-10-26 This volume explores the rhetorical role that miracle discourse plays in the argumentation of the New Testament and early Christianity The investigation includes both the rhetoric within miracle discourse and the rhetorical role of miracle discourse as it was incorporated into the larger works in which it is now a part The volume also examines the social cultural religious political and ideological associations that miracle discourse had in the first century Mediterranean world bringing these insights to bear on the broader questions of early Christian origins The contributors are L Gregory Bloomquist Wendy Cotter David A deSilva Davina C Lopez Gail O Day Todd Penner Vernon K Robbins and Duane F Watson **Fact and Faith** David L. Bartlett, 2007-08-01 How shall we interpret the stories of miracles particularly the resurrection in this secular age The author calls us to look beyond the fact of a miracle to faith in what the miracle means To do this he tells us we must first of all try to understand what actually happened in history However he warns us that merely knowing what happened will not necessarily lead to vital Christian faith In developing his theme the author discusses the way in which each of the Four Gospels presents miracles the meaning of exorcism in the New Testament and today and the significance of the resurrection accounts Throughout the author suggests significant themes for preaching **A Path to Following The Bible** Alex Mather, 2023-02-15 The Path to Following the Bible is a comprehensive guide that takes the reader through the narrative of the Bible in a clear and easy to understand way This book covers all 66 books of the Bible presenting the events and teachings in a way that is accessible to readers of all backgrounds Beginning with the creation story in Genesis the book then proceeds to the stories of the patriarchs the exodus of the Israelites from Egypt the reigns of the kings of Israel and the prophetic books of the Old Testament The New Testament is also covered in detail including the life and teachings of Jesus the growth of the early Christian church and the epistles of the apostles Each chapter is filled with insightful takeaways providing context and facts that help readers understand the significance of each event and teaching The book also includes helpful references to related passages in scripture helping readers make connections between different parts of the Bible Throughout the book the author provides a clear and concise overview of the major themes of the Bible including salvation redemption and the nature of God This helps readers gain a deeper understanding of the doctrinal teachings of the Bible while also providing practical guidance on how to live a life guided by the principles of the Bible The Path to Following the Bible is an invaluable resource for anyone looking to gain a deeper understanding of the Bible and how it can be applied to everyday life Whether you are a seasoned reader of the Bible or a newcomer this book provides a clear and accessible guide to the most important teachings of scripture **Faith in Jesus and Paul** Maureen W. Yeung, 2002 For the hundred years since W Wrede Paulus 1904 made the provocative claim that Paul should rightly be regarded as the second founder of Christianity scholars have debated vigorously on the relationship between Jesus and Paul Past studies on the Jesus Paul debate have largely been confined to either the literary or the theological level This study looks at the issue afresh by

combining the historical and the theological approaches The discussion focuses on the issue of faith paying special attention to two groups of Jesus sayings Faith that can remove mountains and Your Faith has healed saved you and Paul's use of Gen 15 6 and Hab 2 4 The distinctive methodology of this study is to compare Jesus and Paul against the backdrops of the Jewish biblical tradition and Hellenistic parallels The picture of the Jesus Paul relationship that emerges is a most complex one To a great extent the similarity between Jesus and Paul is due to their common Jewish heritage The early Church plays a part in influencing Paul's concept of faith and Paul himself reinterprets the Jewish Scriptures in an innovative manner At the same time Paul is found to be greatly indebted to Jesus for his concept of faith The method of placing Jesus and Paul against the Jewish and Hellenistic backgrounds permits a fuller appreciation of the historical and theological continuities between Jesus and Paul than has hitherto been possible

Course Corrections to Faith and Identify the Real Gospel Authors John

Zavicar,2022-07-19 The author believed he was a saved Christian and never doubted he was going to heaven Recently during a traumatic surgery that nearly killed him God took him to hell to show him his true eternal destination After surgery and during recovery John started working with the Holy Spirit to understand why God sent him to visit hell He realized it was because he hadn't wholeheartedly accepted the story of Jesus Many of the Biblical Gospels never made sense to John and he couldn't fully commit to Jesus Read John's story to find out how God worked in his life to identify the real authors of the Gospels and how this solidified his faith Following this investigation John committed 100% to Jesus Apply the five step process he describes to firm up your faith and eliminate your doubts in Jesus just as he did

Faith Unravels Daniel

Franklin Greyber,2012-09-12 Every year thousands of young people die leaving in their wake circles of grieving friends in need of support Many look to how clergy understand loss but few religious traditions have a defined mourning process or even a role in mourning for non family members Faith Unravels speaks to the profound pain experienced by a forgotten mourner not by making an argument about God or by offering a recipe of rituals but by sharing a profound story of faith lost and regained anew

Mark's Choice of Stories

Tan Geok Hock,2018-09-23 It is commonly believed that Jesus ministry lasted roughly three years That approximates a thousand days Yet Mark relates only about fifty events prior to Passion Week Even if those events took place on separate days it would still mean Mark covers only fifty days or five percent of Jesus ministry It cannot be that Jesus did nothing significant on the other days The apostle John said that if everything Jesus did were written down the world would not have sufficient space for the books So why did Mark choose these fifty or so stories Why did he not include more spectacular miracles like the raising of Lazarus Or remarkable teachings like the Sermon on the Mount This short commentary tries to answer these questions It concludes that Mark wants to provide guidance for believers at various stages of maturity Therefore although the subject matter should interest all serious students of Mark technical language is kept to a minimum so that this commentary can also be used for personal study and reflection
