Be Not Deceived Michelle Wolkomir,2006-01-24 In Be Not Deceived Michelle Wolkomir explores the difficult dilemma that gay Christians face in their attempts to reconcile their religious and sexual identities She introduces the ideologies and practices of two alternative and competing ministries that offer solutions for Christians who experience homosexual desire Through careful analysis of the groups ideologies interactions and symbolic resources Be Not Deceived goes far beyond the obvious differences between the ministries to uncover their similarities namely that both continue to define heterosexuality

as the normative and dominant lifestyle Healing in Progress: How I Overcame a Homosexual Life Choice Charlotte Miller, 2018-12-07 Healing in Progress tells my story of how I overcame a homosexual life choice In my story I tell of how the enemy never gives up he waits patiently for us to give him an open door so he can get us off God's path for our lives I named this book Healing in Progress because I am a witness that healing is a progress and is POSSIBLE Understand this you can receive healing and deliverance from all the enemy has placed in your path The enemy is a master of DECEPTION but GOD is THE MASTER DELIVERER HEALER My story is about how I chose to believe the devil's lies and the journey it took me on It reveals how the LORD removed the blinders from my eyes and showed me the TRUTH SET ME FREE However freedom is an ongoing choice *The Unchanging Heart of the Priesthood* Thomas Acklin, 2006 In *The Unchanging Heart of the Priesthood* Father Thomas Acklin presents an apologetic for that which is immutable that which cannot change since it is found in the unchanging heart of Christ Father Acklin refutes modern misconceptions and false understandings of the priesthood while uncovering the beauty strength and hope that is found in God's plan This book will encourage the heart of every priest and help the laity to understand and appreciate the reality and mystery of the priesthood in the Church In *The Unchanging Heart of the Priesthood* Father Thomas Acklin presents an apologetic for the immutability of the priesthood that which cannot change since it is found in the unchanging heart of Christ Father Acklin refutes modern misconceptions while uncovering the beauty strength and hope that is found in God's plan bringing the reader to an appreciation of the reality and mystery of the priesthood in the Church **Agnes Sanford and Her Companions** William L. De Arteaga, 2015-08-17 Agnes Sanford was arguably the most original and spiritually fruitful theologians of the twentieth century Among her achievements were the discovery and development of the inner healing ministry the development of a theology of the light of God missing in Western theology and the first ever theology of nature prayers as in stilling storms She and her husband developed a school to teach ministers and lay leaders healing and deliverance prayer and the gifts of the Spirit a decade before the charismatic renewal made such things acceptable in mainline churches In spite of these achievements she is largely ignored and unrecognized today This work examines her career and shows why her theology though deeply biblical was unacceptable to orthodox critics Sanford was part of a group who worked from the 1900s through the 1960s to make healing and deliverance prayer as normal in church They had to confront the erroneous established theology of cessationism which affirmed that the healing ministry of the church was past **Religious Trauma, Queer Identities** Joel Hollier, 2023-04-06 In a polarised milieu that too often posits queer and Christian as competing realms this book explores the complexities of identity development religious traumatised and the task of creating safe faith spaces in which LGBTQIA people can find healing particularly in the Evangelical context First Joel Hollier examines the historical path of Evangelicalism providing context for the current terrain of the culture war we find ourselves in He then parses out experiences of gender sexuality and religious spiritual identity development grounding them in an evolving theoretical base Finally Hollier offers a rounded critique of Evangelical

church structures and mechanisms of trauma that hinder the healing process along with potential sources of healing Central to this work are the voices of LGBTQA people whose stories weave together a deeper understanding of the harms the Church has perpetrated and the path forward *Homosexuality and the Catholic Church* Fr. John F. Harvey, O.S.F.S.,2014-06-25 As the founder and director of the Courage and Encourage support groups Fr John Harvey is aware of the sensitive nature of homosexuality With his extensive experience ministering to those with same sex attraction Fr Harvey presents the Church s teaching in an objective and pastorally sensitive manner Priests religious and laity alike will benefit from the many questions considered here including What is the basis of the Church s teaching regarding homosexuality What do many consider to be the cause of same sex attraction Can a person overcome same sex attraction Why is it important for civil law to limit marriage to one man and one woman How can a person live the virtue of chastity joyfully **No, I Was Not Born Gay!** Jay L. Hudson,2012-01-06 Do you believe you were born gay and had no choice in the matter Or do you struggle with gay or lesbian desires or perhaps wrestle with sexual sin Or are you a Christian who harbors the secret of sexual sin and have been too afraid to confess this sin so that God can set you free from such bondage The author of this book No I Was Not Born Gay understands your dilemma The Holy Spirit has inspired Author Jay Hudson by the grace of God to speak the truth of God to all nations This writing is not meant to be a warm fuzzy feeling read and some may even be offended Nonetheless Jay has been led by God to tell the truth to all people in these last days concerning sexual sin homosexuality in particular God has also anointed Jay to be God s mouthpiece to help those who want to find and experience freedom in Christ Seeing the Light Thomas DeGloma,2014-11-26 The chorus of the Christian hymn Amazing Grace reads I once was lost but now am found Was blind but now I see Composed by a minister who formerly worked as a slave trader the song expresses his experience of divine intervention that ultimately caused him to see the error of his ways This theme of personal awakening is a feature of countless stories throughout history where the lost and the blind are saved from darkness and despair by suddenly seeing the light In Seeing the Light Thomas DeGloma explores such accounts of personal awakening in stories that range from the discovery of a religious truth to remembering a childhood trauma to embracing a new sexual orientation He reveals a common social pattern When people discover a life changing truth they typically ally with a new community Individuals then use these autobiographical stories to shape their stances on highly controversial issues such as childhood abuse war and patriotism political ideology human sexuality and religion Thus while such stories are seemingly very personal they also have a distinctly social nature Tracing a wide variety of narratives through nearly three thousand years of history Seeing the Light uncovers the common threads of such stories and reveals the crucial little recognized social logic of personal discovery
