Healing Hearts Jan J. Drantell, 1993 Offers daily meditations to help women cope with the feelings of anger guilt and sorrow caused by the end of a relationship and to rebuild their lives **American Journal of Family Law**, 1998 The Spiritual Side of Writing Regina Paxton Foehr, Susan A. Schiller, 1997 The Spiritual Side of Writing helps teachers and students to achieve that level of understanding to discover ways to tap the inner power inherent to us all Circle of Mysteries Christin Lore Weber, 1995 CIRCLE OF MYSTERIES 2E is a set of meditations on the rosary the life of Mary and the lives of women everywhere This book is a garland celebrating the divine feminine and an acknowledgment of the mysteries of every woman's life *Books in Print Supplement*, 1994 **From Broken Vows to Healed Hearts** Rebecca L. Mitchell, 2018-05-29 Divorce can be a sensitive topic for Christians After all a husband and wife are supposed to be one flesh Yet even in the church divorce rates continue to be substantial And women are desperate for biblically based guidance encouragement and hope not to sweep their pain under the rug and pretend broken vows don't exist but to know that complete healing is possible Rebecca Mitchell knows this because she has experienced divorce firsthand Her marriage crumbled after twenty five years and she went through every stage of grief But one day she realized she needed to stop being trapped by the past and move forward She refused to accept the role of victim Her journey to healing and her experience leading a support group in her home church led to a conviction that others could be helped in the same way through engaged community biblical self care and compassionate reflective practices This unique book covers topics such as depression loneliness forgiveness hope and even joy Each of the twelve chapters includes five days of devotionals and journaling questions From Broken Vows to Healed Hearts leads readers through the process of realizing that brokenness is a stage not an identity Mitchell encourages women to maintain hope for healing to be patient with the time recovery takes to be committed to community and above all to seek God The Publishers Weekly, 1993 **Forthcoming Books** Rose Arny, 2002-02 **The Cumulative Book Index**, 1996 A world list of books in the English language **One Woman's Testimony of a Transformed Life: a Book for the Hungry, Hurting, and Healing Heart** Darlene Lorraine Gibson, 2023-03-23 This book exemplifies the many things that God used to transform her own life Darlene went back to school in 2006 at the age of forty two during some of the most difficult times in her life In her younger years she was quiet shy an average student a slow learner and not very enthusiastic about school However God blessed her with the opportunity and desire to participate first in a program at Montgomery County Community College for adult students This course New Choices New Options helped her to reinvent herself This was not an easy road for her She had to take remedial classes before she could even begin college courses It took six years for her to complete the associate's degree program Immediately following she entered a bachelor's program which took less than two years to complete After that she enrolled in a master's program which took all of seven years to complete while stopping and starting again and changing her program several times

These things are highlighted because they were part of her struggles journey healing process failures and accomplishments She dropped out a few times failed some classes that she then repeated and made numerous changes while on this path By God s grace and strength she diligently kept going and maintained an average of 3 08 to 3 56 and sometimes higher and or slightly lower One part of this book in Part 2 The Heart of Me a k a Straight From My Heart is a book that she wrote and completed at the beginning of this journey in 2008 Now fourteen years later it is finally being published According to the Bible Study website the number fourteen means Double measure of spiritual perfection of God s people The number seven is completion and rest in the Bible According to the Bible Study website the number six represents Man and human weakness sin and Satan This symbolism is significant to understand because while finishing this part of her life s journey it allowed her to see God s plan more clearly On her path Satan was always trying to stop her from walking in the way of the Lord However God is faithful and has given her the courage and strength to go forward with a mighty testimony and do His will for His glory We are never too old to go back to school to start a new journey or to dare to hope and or change our paths Despite the struggles she finds complete joy in this journey and is looking forward to what is to come Her prayer is that in these pages others will see Jesus and find strength hope encouragement and joy in their journeys too
