## Healing Spiritual Amnesia Remembering What It Means To Be The Church:

Healing Spiritual Amnesia Paul Nixon, 2004 There is no end to clichés and easy assumptions about congregational health and vitality It is much easier to start a new church than turn around an old one nondenominational churches are growing while denominational churches are dying small membership churches are concerned only with survival suburban churches care only about endless programming and spiritual entertainment downtown churches are doomed to decay Whatever kernel of truth such analyses might contain they miss the actual point Churches stagnate decline and die for a number of reasons but principally because they have forgotten who they are They have forgotten their mission to reach out to those who do not know God in Christ They have forgotten that we worship not to feel comfortable and safe but to come into the presence of a God who leads us out into the world They have forgotten the cloud of witnesses who have gone before us in the Christian faith providing models for how we can proclaim the message of the gospel in ways that new generations can hear it Paul Nixon calls this failure of memory spiritual amnesia Concerned with institutional survival and personal comfort congregations have forgotten what previous generations of Christians have learned time and again that the church's great challenge is to make the gospel available in new and compelling ways to those who need most to hear it In a series of sweeping insights into congregational life and contemporary culture Nixon maps a course that will help churches remember who they are and for whom they exist

*I Refuse to Lead a Dying Church!* Paul Nixon, 2007-03-01 God has called all of us to lead healthy growing spiritual churches For this very reason Paul Nixon refused to lead a dying church Paul invites you to join his commitment in refusing ever again to lead a dying church This commitment entails six choices choosing life over death choosing community over isolation choosing fun over drudgery choosing bold over mild choosing frontier over fortress and choosing now rather than later

**Rooted Again** Lillian C. Smith, 2022-11-14 Many established congregations are in need of revitalization It is as if in all of the good efforts of ministry the mission has been forgotten The mission of the church is to make disciples of Jesus Christ for the transformation of the world Disciple making in many churches has diminished which was both caused by and resulted in a loss of understanding of the mission of the church and a low prioritization of reaching new people for Jesus Christ This book will provide insight into some of the causes of the situation identify possible spiritual hindrances to ministry and offer strategies for the congregation to reclaim its spiritual foundation and calling

*Love at Its Best When Church is a Mess* Patrick Allen, 2020-09-30 Love at Its Best When Church Is a Mess is a collection of fifteen meditations drawn from 1 Corinthians 13 perhaps the most well known passage about love in Holy Scripture and certainly one of the most beloved passages found anywhere in the English language It is the centerpiece of many marriage ceremonies but as it turns out the Apostle Paul was not writing to young couples in

love In fact he was writing to a church in a mess a big mess and what he told them has relevance for Christians today Most of us will face a mess at one time or another in church Why Because church life is messy If you don't find a mess a mess will find you Each chapter contains personal stories a meditation and an examination of an aspect of love drawn from 1 Corinthians 13 the wisdom of Scripture some spiritual formation next steps and questions for reflection and discussion Suited for personal devotions or small discipleship groups Love at Its Best When Church Is a Mess invites all of us to an adventure of grace healing and spiritual growth Clearly faith sends us on a spiritual journey hope keeps us going but it is love at its best that bids us home *Inner Healing and Deliverance Handbook* Jennifer Eivaz, 2022-02-08 Let the Holy Spirit Bring Your Heart Back to Life Most of us need help to look at the pain and fear that grip our lives and to find the courage and stamina it takes to do the work to be free You are not alone in your efforts God is eager to work with you to create unprecedented beauty from your ashes and to deliver and restore you to health and wholeness Using her personal story of ongoing inner healing and deliverance prophetic leader and pastor Jennifer Eivaz equips you with biblical and practical tools that will lead you into full restoration She provides support and encouragement for you to uproot every lie coming against you as a child of God Jesus is asking Do you want to be made well With the help of the Holy Spirit to implement His plan using tools He gives you the Word prayer counseling declarations and more you can find healing for all the damage of your past With transparency and powerful insights from Scripture Jennifer Eivaz reveals how God has been faithful to heal the deepest wounds imaginable in her own life and in the lives of many others This is an invitation for every reader to experience supernatural freedom that is found in Jesus Christ Dr Ch Ahn president Harvest International Ministry *United Methodist Beliefs* William H. *Worship as Praise and Empowerment* David R. Newman, 2009-12-01 Worship as praise of an all powerful deity has traditionally been associated with the passive side of life If worship as praise is indeed passive it could be that such worship has the effect on people of taking power away Worship as praise would be at best irrelevant and at worst a hindrance in an age that is as perhaps never before preoccupied with the active exercise of power The central issue of this book is the question Can worship be both praise and empowerment By examining Christian worship in these terms the author seeks to make a strong affirmation of the importance of worship for the movements of liberation that are seeking to exercise power responsibly in our time In this respect *Worship as Praise and Empowerment* can be described as a major work of liberation theology in the North American setting Why worship What are some of the contemporary obstacles to worship What really transpires in the act of worship These are just some of the important questions addressed in this insightful book of liturgical
