Church Hurt Angela L. Corprew-Boyd, 2008 The body of Christ is full of people who have been wounded by Christians or the church Author Dr Angela Corprew Boyd helps the hurting recognize they are not alone and provides them with wisdom and knowledge to reach out to Christ and receive deliverance from wounds that have made them bitter resentful and less effective in ministry Church leaders and laypeople will benefit from Dr Corprew Boyd's testimony and teaching Once crippled by wounds inflicted by her pastor and trusted members of her church family the author describes how she found healing and offers words of comfort and practical advice for readers grappling with their own church hurt She emphasizes the importance of acknowledgement reaching out to God and finally forgiveness of others and oneself Her message serves as a crucial reminder that there is hope for the future in spite of what our adversaries have said and done Topics covered include the many possible sources of church hurt how to recognize when a wound is still open how woundedness can be transferred to church members and the process of healing

Church Hurts and the Healing Process Dot Kelley, 2021-08-27 People hurting people with their words and actions is a known reality in most of our Christian environments and this kind of pain can affect the lives of Christians all over the world Insults and ridicule have become commonplace in our society and in our churches and many of us have begun to speak critically of our brothers and sisters in Christ never giving a thought to the consequences or the emotional pain that it can cause Church Hurts and the Healing Process invites Christians to consider their own church hurts both the ones they've experience and the ones they've inflicted Author Dot Kelley shares biblical advice and wisdom for treating the wounds we can experience while on our Christian walks with our fellow brothers and sisters And through the healing power of forgiveness Christians can learn how to manage their relationships and trust in God's love to make the necessary changes In the end embracing this gift from God will help us love beyond our pain You can receive healing through acts of unconditional love and forgiveness for others And Church Hurts and the Healing Process can restore your wounded heart through humility helping you to display God's kind of love and forgiveness the same kind of love that he showed when Christ shed his blood for us on the Cross at Calvary
Hope For Healing Church Wounds Dr. Michael Gray, 2019-05-07 Statistics from George Barna Research Group reveal that twenty five to thirty million adults stay away from the Christian church because of hurtful treatment experienced at the hands of the body of Christ Having gone through several church hurts himself the author has written this book to be a practice guide on how to be restored renewed and healed from church inflicted wounds so that one's relationship to God is joyous and fruitful From his own experience and documented research through surveys to pastor's church members and non church goers the author provides a training manual that churches and church leaders can use to reach and restore church members to a healthy relationship with God and His church We all want the church to be a place

where we can go to worship God with freedom and joy We all want to be encouraged to grow in our faith and walk with Christ We all want a place where we find joy in serving others a place of safety and unconditional love No one wants to be part of a church that acts like the world treating people with judgment condemnation lack of compassion and love Church wounds happen but God is a restorer of the broken hearted God is the great healer of our pain and disappointment The author believes that if one takes the steps outlined in the book there will be renewal and restoration If churches reach out to those who have been wounded in the way outlined in this book many will come back into fellowship with the Lord and His church

Wounded in the Church Chris Hayward, Ray Beeson, 2017-03-14 Church should be a safe place right Then why do so many get hurt there Ray Beeson and Chris Hayward combine their years of ministry experience to address head on the elephant in the room church members and church leaders hurt Christians All the time And the long lasting effects rejection shame despair loneliness fear can be devastating The authors have witnessed the rise of the dones those who are just done with God thanks to scars from church With first person stories of hurt and loss this book is a wake up call for any who deny woundedness in the church but is also a redemptive message for any who hurt from church wounds Leaders and laypeople alike will learn how to grieve over abuse to leave unhealthy attitudes and patterns that cause pain and to trust in God's real delivering work through churches that build up not tear down Thanks to the grace of God there is always hope beyond the pain

thoughts and behaviors to healing and transformation Speaking from his own experience with sexual addiction and recovery Dr Mark Laaser is sensitive to the shame of sexual addiction without minimizing its sinfulness He traces the roots of the problem discusses its patterns and impact and maps out a biblical approach to self control and sexual integrity Whether you know someone with a sexual addiction or struggle yourself Healing the Wounds of Sexual Addiction points the way to understanding wholeness and holiness Spanish edition also available previously titled Faithful and True

From Hurt to Healing Andrew Sung Park, 2004 Look around at any gathering whether it be a sporting event a civic meeting or a worship service and you will likely see representatives of two groups of people On one hand there will be someone who has caused grievous harm to another person by physical mistreatment emotional abuse sexual victimization violence or any number of other ways On the other hand will be those who have been harmed by just these same evils While the two groups are inextricably linked and while it is far too often the case that an individual can be both abused and abuser nonetheless the two groups stand before God with very different sets of needs In Christian theology however we have approached these very different sets of personal situations with one vocabulary and one solution Traditionally we have had only the language of sin to describe these very different human predicaments What's more we have offered but one solution to the problem the two way transaction of God's forgiveness of sinners Yet when one person harms another that action not only violates God's will but also unleashes anguish and misery in the victim scarring his or her soul We are right to speak of the sinner's need of forgiveness but we have forgotten to take the next step to seek healing for the victims Having drawn the map of salvation for sinners we have left it to those who have been sinned against to find their own way to wholeness and peace Andrew Sung Park argues that it is time for the church and its theology to face this issue and work toward its remedy It is time to give a name to the suffering of those who have been sinned against and to seek their healing He proposes that the Korean religious term *han* can serve as an instrument in this endeavor While it is an intricate concept in short *han* can be defined as the psychic and spiritual hurt caused by unjust oppression and suffering As the church seeks to play its distinctive role in healing the wounds of abuse and violence the idea of *han* can be a powerful tool It can allow pastors and other caregivers to explore the depths of anguish that victims experience It can illustrate the fact that having sinned against their victims as well as against God the perpetrators of violence and abuse must seek salvation not only by asking for God's forgiveness but also by working for the healing of those they have wronged
