K. Olukoya,2016-02-06 There is power in the Blood of Jesus It has a voice It cleanses It is allowed to touch the mercy seat and it silences every other voice Satan fears the Blood of Jesus because he cannot create a counterfeit blood nor solve the mystery of the shedding of blood on the Cross **Healing Through Jesus** Rebekah Prewitt, When disease is impurity why should you ever believe that you will be sanctified by having a great deal of sickness Smith Wigglesworth If you are battling with a sickness of any kind plague disease infection virus etc have you employed the spiritual means God has given for your physical healing In *Healing Through Jesus* the reader will find help by learning how to operate in faith on a practical level for healing Having faith means to be fully persuaded of the things of God This kind of faith is concrete and can be used unlike some sort of abstract intangible faith that does not yield results Healing, Weakness, and Power Audrey Dawson,2008-12-01 Healing by Jesus and the apostles is not a popular subject for biblical studies today but the importance of healing in the first century eastern Roman Empire was enormous In the New Testament writings of Mark Luke and Paul we find considerable variation in their use of divine healing With respect to Jesus healing Mark and Luke both emphasize it but differ in their representation of its purpose and source Also Mark s accounts of Jesus healing combine with his overall description in the Gospel to underline his theological view a theologia crucis while Luke depicts healing as showing primarily the glory of God although a theologia crucis is also present and he presents the theological aspect of Jesus healing within each healing narrative Healing in the early church is then compared in Acts and Paul s undisputed letters Luke continues to emphasize the power and evidential value of healing in spreading the gospel Paul instead emphasizes the essence of Jesus ministry love and compassion and underplays healing both by himself and by members of the churches he planted The main reason for this seems to be because of his thorn in the flesh his physical weakness demonstrates that the gospel truth shines only because of Christ s influence Paul s illness probably also sensitizes him to the risk of healing becoming a power which could compromise a fellowship based on love and equality Finally the legacy of Jesus healing is considered briefly over the subsequent few centuries *Christian Healing After the New Testament* R.
