One Touch B. Hennie, 2012-02 It wasn't until I began to write this book that the Lord would begin to reveal everything to me He was pulling a yes from my spirit but I would have to go through this process for him to develop me before he could use me to help someone else I knew I was being led by the Holy Spirit but my flesh my mind had to catch up with my spirit During the process where you have surrendered your will to his will the Lord has dug deep down in you and taken out of you all that is not like him Then he can impart himself in you His Spirit is in control no longer the works of your flesh He has empowered you to do his will Now you can receive the blessings the Lord has promised you I remember many years ago when the Lord spoke these words into my spirit After you have suffered awhile I will restore strengthen and keep you 1 Peter 5:10 But what I didn't know that it would be years later that I would have to go through sickness pain and suffering Through this process he was preparing me for my healing ministry
