doesn't have to hurt your present      **Beauty for Ashes** Joyce Meyer, 2008-11-16 Learn how God's grace can help you heal from emotional wounds and abuse in this spiritually uplifting guide to living a beautiful healing and fulfilling life. Many people seem to have it all together outwardly but inside they are a wreck. Their past has broken, crushed, and wounded them inwardly. They can be healed. God has a plan, and Isaiah 61 reveals that the Lord came to heal the brokenhearted. He wants to heal victims of abuse and emotional wounding. Joyce Meyer is a victim of the physical, mental, emotional, and sexual abuse she suffered as a child. Yet today she has a nationwide ministry of emotional healing to others like herself. In *Beauty for Ashes*, she outlines major truths that brought healing in her life and describes how other victims of abuse can also experience God's healing in their lives. You will learn: How to Deal with the Emotional Pain of Abuse; How to Understand Your Responsibility to God for Overcoming Abuse; Why Victims of Abuse Often Suffer from Other Addictive Behaviors; How to Grab Hold of God's Unconditional Love; The Importance of God's Timing in Working Through Painful Memories      [Help God, I Am Hurt](#) Cheryl Travis, 2020-05-01 Feelings of unhappiness or sadness caused by someone's words, actions, or life's traumas can be detrimental to our emotional and psychological wellbeing. Our adversary strategically uses these feelings to foster bitterness, sadness, despair, low self-esteem, and self-conscious feelings. In this book, we will talk about hurt, its affects, and its power. My prayer is that this book will assist with uncovering and resolving every hurt, hidden or realized, so that we are empowered to overcome hurt feelings and use every emotional pain to produce spiritual power      **Healing Emotional Wounds** David G. Benner, 2016-07-20 Though emotional pain constitutes an inevitable part of life, not only can it be healed, it can be the soil out of which we grow into greater wholeness and wellbeing. This book arose not simply out of the author's work with others but out of lessons learned as he worked his way to healing and forgiveness associated with his own emotional wounds as well. In helpful, practical language that is filled with real-life examples, *Healing Emotional Wounds* examines the inner course of events that predictably follows experiences of emotional wounding. This includes a discussion of the ways in which we attempt to cope with hurt, focusing on common but counterproductive coping strategies that actually impede healing. It then examines in detail the emotional, intellectual, and volitional tasks that are involved in healing emotional wounds, each presenting concrete steps that we can take to help ourselves and others experience healing and gain freedom from bondage to our wounds. Such freedom does not involve escape from unpleasant experiences or difficult circumstances but release from their tyrannizing inner consequences. This also provides the possibility of living a more fulfilling and significant life because of these experiences      **Healing the Hurt** Myesha J. Saleem, 2010-05-03 We have all been hurt at some time in our lives. Some experiences have hurt more than others. There are people who have survived unimaginable circumstances and, although they made it through, they must deal with the wounds that have been left on their hearts, souls, and minds. *Healing the Hurt: Recovering from Life's Letdowns* provides instructions for healing those wounds based on the biblical story of the woman with the issue of blood. You do not have to endure the issues of life any longer. You can be healed and made whole      *Wounds*

*That Heal* Stephen Seamands, 2013-08-08 By his wounds we are healed Isaiah 53:5 We are wounded people In this fallen world people are hurt and exploited Children are abused Marriages are broken Tragedies of all kinds afflict us and the ones we love Woundedness it seems is simply a fact of life But we are not alone in our suffering Despite our emotional psychological and physical injuries God has not abandoned us God is not distant or aloof On the contrary through the ministry of Jesus God enters our painful situations to bring healing and redemption Balancing sound biblical exposition with sensitive pastoral care Stephen Seamands examines the profound implications of Jesus crucifixion for our healing and restoration Because Jesus experienced abuse shame and rejection he understands the hurts we experience today And his response to pain and suffering gives us hope that we too can experience forgiveness and new life Filled with real life stories of people's brokenness and healing Wounds That Heal offers comfort for our wounded souls Ultimately we take heart that God not only understands our pain but has done something about it Encounter here the promise that the wounds of Jesus are wounds that heal
