have unlimited power and accessing that power is the basis to Awaken Your Authentic Self When you let go of the false belief that you are lacking or inadequate in that moment you arouse your potential Who you are today results from your beliefs thoughts and ideas of the world Unless you challenge the status quo you remain one of the masses One has only look to mainstream culture to see the effects the media and marketing hype have on our society We are drawn into a fictitious way of life at the expense of our sanity and earned dollars
