**Visionary Dreariness** Markus Poetzsch,2013-09-13 Visionary Dreariness Readings in Romanticism s Quotidian Sublime undertakes a reconceptualization of the theoretical and experiential framework of the Romantic sublime by shifting the focus from Burke s and Kant s prescriptions of natural vastness and grandeur to the narrower but no less wondrous spaces objects and experiences of everyday life This shift is defined as a descent from mountaintops to an encounter in William Blake s terms with a World in a Grain of Sand The purpose of this book is to sift the literature of the Romantic everyday both prose and poetry canonical and noncanonical for such grains In order to define the inherently amorphous and subsumptive sphere called everyday life the author draws upon two main theoretical threads the first based on the phenomenological poetics of Gaston Bachelard serves to elucidate the depth and diversity of everyday household space the second comprising the work of Henri Lefebvre and Michel de Certeau defines the generative potential what de Certeau glosses as the everyday creativity of some of the most basic human activities such as walking reading and washing to name but a few The role of the everyday in Romantic literature has in recent years received greater scholarly attention particularly from critics dissatisfied with the perpetuation of what Karina Williamson characterizes as a debased Romanticism which rules there is a category of experience and expression which is poetic and all the rest is ordinary and inadmissible The present study serves to map the intersections of these categories of experience and expression the sublime and the quotidian and thereby to challenge our assumptions about the aesthetic value of the everyday not only in the Romantic period but also in our own

**The Shepherd's Cross** A. R. Weisser,2023-10-27 To those who are called the shepherding ministry is meant by God to be one of

life's greatest joys Yet like a clipper ship sailing past the tip of a great unknown continent in the dead of night this joy is vast unexpected and easy to miss For many the initial joy of shepherding souls fades into exhaustion resentment even burnout It does not last It was not meant to Much of the early reward of ministry done well is rooted in the gratification of the natural self The immature shepherd fails to glory in weakness and naturally prefers to glory through strength giving God the credit of course Jesus said If anyone would come after me he must take up his cross But why a cross For the joy set before us Only ministry embraced as an opportunity to die will reduce the temptation to eventually hate it Only when walking in the power of a crucified life will a minister be anything more than powerless Only once fallen to the ground and perished will a leader bear much fruit So wrestle that shepherd's cross on your shoulders There is much joy yet to be discovered **Living in**

**The Conspiracy** Monsignor William McCarthy, 2010-08-18 The Conspiracy chronicles the monumental struggles of an innocent priest Monsignor William McCarthy falsely accused in 2003 of molesting two young sisters more than 23 years earlier On the eve of his retirement from a stellar career as a priest and pastor for the next five tortuous years he was the victim of an anonymous complaint that was accepted as true by his bishop and friend of 40 years Share his travails and see how one's faith can overcome the worst injustices that man can heap on a holy and totally innocent person Jack Kraft Esq Monsignor William McCarthy paints a picture embracing a situation that is almost impossible to comprehend Had I not stood by him throughout the years of pure hell he experienced I would not have believed the outright calumny by a detective and how the subsequent action of his bishop and diocesan staff could have occurred Child abuse is a terrible thing but equally horrible is when innocent priests are unjustly condemned and destroyed by the hierarchy of their church Arthur N Hoagland M D This book is a must read for any Catholic who loves their Church but is concerned about its often self destructive response to the tragedy of clerical pedophilia It is a story about tragedy and triumph The tragedy of the Church that Monsignor McCarthy loves deeply and into which he has selflessly devoted his entire life but is sometimes governed by people who have lost all sense of justice It is a Church that betrayed him In its attempt to protect the victims of child abuse it established a new category of victims its faithful priests The triumph of Monsignor McCarthy is his faith and love of Jesus which saw him through his terrible ordeal in spite of the evil that was perpetrated against him Deacon Joseph Keenan
