Kathy Shelton, 2014-02-03 *Healing Hearts A Journey in the Midst of Spiritual Adversity* is the remarkable story of many emotionally painful and traumatic experiences from author Kathy Shelton's life telling how the Lord Jesus Christ healed deep places of emotional and spiritual wounds in her heart so that she could then help others. It was written to encourage those who have undergone painful and traumatic situations and let them know that there is healing and freedom available through the love of Jesus Christ. *Healing Hearts* is also intended to be a resource for and inspiration to those who are currently serving the Lord or who are considering becoming involved in inner healing ministry. Our spiritual growth is often blocked by unhealed emotional and spiritual wounds. Most of us have been unaware of the effect that the painful and traumatic events in our lives have had on us and our ability to grow in the Lord. Unless healing occurs for the pain that has been stuffed we may struggle for years and sometimes our entire life in our walk with God. Spiritual maturity is a process. It is not something that occurs automatically the moment after we ask Jesus into our lives. Oh if it were just that simple. In James 1:4 we are instructed to become mature and complete not lacking anything. We must pursue spiritual maturity. **Healing Heart, Happy Soul** Smaranika Rout, In this anthology *Healing Heart Happy Soul* our talented co-authors have poured their hearts into poem and stories that celebrate the unique and enduring bond between siblings. We the literary group are dedicated to honoring the beautiful relationships with love, trust, sacrifice. We hope that you will cherish this anthology as it captures the essence of love and companionship. May the love between every relationship grow stronger and may this anthology serve as a reminder of the love, support and shared memories that make all relationships so special. Enjoy your reading. *The Healing Heart of God* Malcolm Smith, 1991-12-12 The true meaning of wholeness is found in knowing the Father's heart. When you fully realize the intense love God has for you through sending his Son Jesus as your redeeming, undeserved gift, the broken places in your heart will be healed. Healing Hearts Donna K. Ford, 2013-05-01 Christian Sutter is a broken woman. After the loss of her lover, she is plagued by survivor guilt and struggles to engage contact with others in the simplest relationships. Seeking refuge, she turns to the solitude of Willow Springs, an all-women retreat in the mountains of East Tennessee. When Christian meets a reclusive artist, her world is turned upside down again. Elaine Barber is on the run. She is no fugitive but the victim of a vicious crime that keeps her in constant fear. A once renowned FBI profiler and psychologist, Elaine has turned her back on her career, her home, and her lover to escape the unbearable fear that someone is still out there waiting to finish what they started. Both women will begin the journey toward healing, a journey that will take them on a collision course with the very person who can destroy them all. Can love heal all wounds? One thing is certain: the lives of the women of Willow Springs will never be the same. **Healing Hearts** Dakota Lane, 2025-04-19 Maya Rivera came to Mule Creek for a fresh start. As a therapist, she's seen pain, but she's never met anyone like Caleb Beckett, the silent brooding cowboy carrying scars. He refuses to share. Caleb doesn't want help. He doesn't want connection. But when Maya arrives, his carefully constructed walls start to crack. As they spend more time together working around the ranch, a fragile trust begins to form, and so does

something deeper Healing Hearts is a deeply emotional slow burn romance about trauma trust and the redemptive power of love Set in a close knit small town with a found family feel this story is perfect for readers who love wounded heroes gentle strength and stories of healing wrapped in heat and heart A swoony romance for fans of military veterans western small towns and guarded cowboys who secretly crave love *Reflections of a Healing Heart* T. Monique,2022-03-27 Healing is a process a personal process that encompasses individual strength behaviors actions and attitudes We get to decide when how and why we complete the healing process Many times we petition for God to speak to acknowledge or to send a sign for the pain challenges and places we face If we listen close enough or pay attention we will find He does send a Word through a scripture person circumstance or our own prayers Unfortunately there are times we simply miss it Times when we overlook the exact thing we asked God for and there are times when we can t recognize God s answer amid our troubles because they feel so loud big painful This compilation of Love Letters Notes of Encouragement Pivot Points and Prayers are a remembrance of God s Word speaking to the challenges pains and places over a young adult life resulting in hope encouragement and connection Through the Love Letters we see how God s love is revealed and supported by scripture In Notes of Encouragement we find God s word releasing us from the frustrations of disappointment resentment and perceived failed opportunities In Pivot Points we find God s word soothing our decisions discretions and renewing hope Finally in Prayers we find an honest conversation with the Father The reflections within the Love Letters Notes of Encouragement Pivot Points and Prayers acknowledge the hurt which began the healing process We all deserve to heal from past hurts to embrace the possibilities of future happiness Recognizing that the Father will answer that healing is possible and He wants us to be filled with the Fruit of the Spirit is a beautiful phenomenon filled with real hope There is a petition for each of you to lean in to listen for or remember when God spoke directly to your challenge pain and place Be encouraged **Healing the Heart** E.
