Healing The Masculine Soul:

Healing the Masculine Soul Gordon Dalbey, 2003-09-09 In his groundbreaking book fifteen years ago Gordon Dalbey identified the fact that men's souls have been torn between strength and sensitivity Today the situation is even worse The politically correct crowd cries out for men to be more sensitive to tame their masculine nature On the opposing side the media bombards men with macho images of violence and lust Is it any wonder men are left bewildered about who they should be In this newly revised and updated edition of *Healing the Masculine Soul* Dalbey claims that there's hope for restoration hope for healing because Christ has come to heal us God is calling men out to a relationship with Himself and calling them out to authentic manhood Our task is not to curse our manhood but to redeem it he writes Gordon Dalbey's refreshing comprehensive picture of God's design for the masculine soul dares men to be as God created them to be not as society demands Dalbey tackles the tough issues including work sexuality marriage and fatherhood Book includes Study Guide

Healing the Masculine Soul Gordon Dalbey, 1991-02-27 Caught between a women's movement that requires they abdicate masculinity to gain sensitivity and a deluge of Rambo like media portrayals men of the 90s are increasingly confused over the meaning of true manhood Dalbey proposes a remedy *Healing the Masculine Soul* Gordon Dalbey, 1989 Men are increasingly confused over the meaning of true manhood In *Healing the Masculine Soul* Dalbey reveals Christ centered methods for pursuing and attaining genuine masculine virtues and identity Practical proven insights for learning how to become a true man of God **Healing the Masculine Soul** Patrick M. Booyesen, 2008 *Healing the Male Soul* Dwight H. Judy, 1992 A revealing explanation of male myths from the Bible and many cultures and sources of renewal for men reared in Western Christian traditions Judy also presents a personal recounting of one man's journey and search that will encourage readers to claim a spiritual center and look beyond the immediate horizon to find the truth *Another Path Into Healing* Sam Oliver, 2009-05 This book is the masculine side of the soul portrayed in an image of a man looking inside a cave desiring to penetrate it and discovering his inner self Just like *The Path into Healing* introducing the feminine side of healing this book will uncover the other side of all our souls It will be the masculine side This journey into the masculine soul appears to do the opposite of the feminine spirit but this is far from the truth The feminine spirit embraces the sacredness of the earth The masculine spirit works to set boundaries and penetrate the earth's depths and guides us through the unknown and creates what can be known *Fight Like a Man* Gordon Dalbey, 2013-02-02 *Fight like a Man* is not about how to be a man but knowing the One who rescues and restores men It's not even about how to be a warrior but surrendering to the Commander of the Lord's Army You won't learn a technique here you'll remember your longing for a relationship You won't be exhorted to obey you'll be invited to trust You won't be commanded to do right you'll be freed to be real You won't be warned to be strong you'll be promised your Father's strength And if you're honest you'll be battling for your life Both refreshing and upending Gordon Dalbey's books take us to the depths of authentic manhood where we're humbled by its mystery and

engaged by its call Fight like a Man completes his men s trilogy by focusing on the crippling byproduct of fatherlessness in men namely shame too often fostered by religion always overcome by Jesus *Healing the Male Soul* Dwight H. Judy,1994
