Healing The Nations A Call To Global Intercession:

Healing the Nations John Loren Sandford,2000-03-01 Teaches the Body of Christ how to break Satan s hold on lands and peoples

Mothering the Fatherland George Faithful,2014-04-03 How should one respond personally or theologically to genocide committed on one s behalf After the Allied bombing of Darmstadt Germany in 1944 some Lutheran young women perceived their city s destruction as an expression of God s wrath a punishment for Hitler s murder of six million Jews purportedly on behalf of the German people George Faithful tells the story of a number of these young women who formed the Ecumenical Sisterhood of Mary in 1947 in order to embrace lives of radical repentance for the sins of the German people against God and against the Jews Under Mother Basilea Schlink the sisters embraced an ideology of collective national guilt According to Schlink a handful of true Christians were called to lead their nation in repentance interceding and making spiritual sacrifices as priests on its behalf and saving it from looming destruction Schlink explained that these ideas were rooted in her reading of the Hebrew Bible in fact Faithful discovers they also bore the influence of German nationalism Schlink s vision resulted in penitential practices that dominated the life of her community While the women of the sisterhood were subject to each other they elevated themselves and their spiritual authority above that of any male leaders They offered female and gender neutral paradigms of self sacrifice as normative for all Christians Mothering the Fatherland shows how the sisters overturned German Protestant norms for gender roles communal life and nationalism in their pursuit of redemption

Power to Pray Don Andreson,2012-05-08 There is or at least ought to be power in prayer The Bible after all is filled with stories of people who prayed and saw amazing results Jesus our Discipler besides praying often and with the clear expectation of results taught us to always pray and to never give up Yet too many of us lack the power to pray consistently and effectively Prayer is often a duty seldom performed instead of a living

experience of connecting with heavens power The Bibles true statement Faith without works is dead is also true when turned backward an absence of prayer in our life demonstrates the absence of faith in our heart faith in the actual effectiveness of prayer as the Bible describes it If we pray God will act if we dont pray he wont The sole aim of Power to Pray is to increase this faith in all of us so that our Father who eagerly waits for us to pray can act on earth as in heaven The rest is up to you and the Holy Spirit My prayer is that the immense purposes of God will be accomplished through your simple prayers
