Healings In The Gospels:

The Healings of Jesus Michael Harper, 1986 *Jesus' Healing Works and Ours* Ian Cowie, 2012-01-18 Ian Cowie sheds new light on what the healing miracles of Jesus were. Re translating the original Greek of the Gospels he carefully dissects the actions and words of Jesus and draws conclusions which are often at odds with current interpretations. He concludes that there is no justification for saying that miracles break the laws of nature but that such events are a natural result of using untapped human and divine resources in a universe that is totally consistent.

Healings and Miracles of the Bible Paul Halbeck, 2018-01-31 This book contains approximately forty healing within the Gospels done by Jesus and twelve healings within the book of Acts done by His disciples. Each healing was uniquely done and shows us different principles and insights into God's marvelous Word and His ways. Jesus throughout His ministry did both individual healings as well as healings of the multitudes and after His Crucifixion this same healing ministry was continued on by His disciples, letting us know that healing is still for today and can be performed by other men. As you read through these healings it is my prayer that your faith and expectancy will come alive and you will be one step closer to receiving your divine healing.

The Healing Works of Jesus William H. Higgins, 2013-09-17 *The Healing Works of Jesus* is an inspiring and concise reference of the healings Jesus performed in the Four Gospels. Each case of healing includes the full scriptural references where each case of healing is found in the 4 gospels. How many times did Jesus minister to individuals in the 4 gospels? How many times did Jesus minister to the multitudes in the gospels? How many cases of healing are unique to each gospel? How many cases are common to more than one gospel? The answers may take you by surprise. *The Healing Works of Jesus* will save the student countless hours of research. Each case of healing includes the complete scriptural reference allowing you to read ALL of the scriptures together for each case of healing, thereby saving you many hours of study. William has also organized the healing of the multitudes and has arranged them in similar fashion, including the full scriptural references together for each of the cases of the healing of the multitudes. This book may not only be used for individual and group studies but will cause faith to receive healing to arise in the hearts of those who need healing today. This simple practical and well organized guide is designed to bring the student and patient into a deeper revelation of healing and a clearer understanding of how and

when Jesus ministered healing to all who needed healing *The Power of God to Heal* George Frederick Garland, 2015-09-21

Green, Scot McKnight, I. Howard Marshall, 1992-02-18 Edited by Joel B Green Scot McKnight and I Howard Marshall this reference work encompasses everything relating to Jesus and the Gospels **Jesus and the Impurity of Spirits in the Synoptic Gospels** Clinton Wahlen, 2004 This study sheds light on Jewish and early Christian reflections on spirits and demons and explores the relation between Judaism and early Christianity in the first century **Miracles of Healing in the Gospel of Mark** John I. Penn Sr., 2021-12-01 Early on in my study it became evident that Mark was not simply recounting the healing incidents that Jesus had performed Mark looked at the healing miracles of Jesus through the lens of God s perspective What was significant to Mark and what captured my spiritual imagination was his interpretation of the healing miracles He made it clear to the readers that Jesus clearly understood the redemptive implications of his mission as the Jewish healer redeemer Jesus fully embraced his Messianic mission to bring salvation to the Hebrew people He would become the perfect sacrificial lamb of God to bring about the restoration of fallen humanity In and through him God s good creation would be restored Through Jesus sacrificial death God would create a new covenant of grace which could be acceptable to both Jews and Gentiles The healing miracles demonstrated the defeat of sin sickness death and the evil influence of Satan s demonic forces Jesus did this by not only removing our sins but also taking the consequences of our sins upon himself nailing them to the cross All of Jesus healing miracles were interpreted similarly I found Mark s gospel both inspiring and informative allowing me to see the heart love compassion and mind of God for His creation **Jesus as Healer** Harold Remus, 1997-04-03 This 1997 book presents in readable non technical language the findings of scholarship on one important aspect of who Jesus was the many reports in

the New Testament and other early Christian writings that Jesus performed healings The book paints a picture of the sick and sickness in Jesus world and the means available to deal with sickness It shows how Jesus as healer fits and doesn't fit into that world We see him as one of the many healers of his day but set apart as a wounded healer who in his own death achieves the ultimate healing victory over death In addressing the question did Jesus really heal the author provides readers with resources from biblical scholarship medicine sociology and anthropology to help arrive at their own answers to the question The suggestions for further reading as well as the questions for discussion make this book ideal both for personal reading and for group study

The Miracles in the Gospels Keith Warrington, 2016-01-01 Keith Warrington's book paints a compelling picture of Jesus as miracle worker It shows how miracles functioned as a strategy in his ministry and explains why some miracles are recorded differently in different Gospels In this magisterial study Keith Warrington paints a rounded picture of Jesus as a miracle worker by exploring each of the miracles in the Gospels in their literary and historical setting He demonstrates that while the miracles are historically authentic there are several reasons for their presence in the Gospels other than simply to identify Jesus as a miracle worker They are also intended to function as vehicles of teaching expressing aspects of the mission and person of Jesus providing lessons for his would be disciples and adding theological value for each Gospel's original audience

The Healing Stories of Jesus Louis Grams, 2016-05-01 This Bible study part of our popular Keys to the Bible series will examine six of the Gospel stories in which Jesus healed those suffering from a variety of physical or spiritual afflictions While healings demonstrate the love and compassion that Jesus has for each one of us they are also a sign of the new creation he came to inaugurate an announcement that the kingdom of God is at hand Even today supernatural healing gifts are meant to be a sign that God is present and active in the world today This study will help you view Jesus healings in a new way and encourage you to pray for healing for yourself your family and those you encounter each day

The Healing Tradition of the New Testament Douglas Ellory Pett, 2015-10-29 Over the last twenty years there has been a great surge of interest in the healing ministry yet this ferment of activity seems not to have been matched by an equally fresh or energetic study of healing in the New Testament which ostensibly forms the basis and is still claimed as supplying the inspiration for the revival of this ministry This work is the first serious critical study of healing in the New Testament as a discrete subject Its purpose is to arrive at a clearer understanding of what Scripture actually tells us about healing not what we imagine it says or hope that it might say not what we may have been led to believe it says nor indeed what we have sometimes been taught that it says but what the sacred authors actually wrote and more to the point what they meant by what they wrote
