Marco Cascella

Health And Well Being For Older People:

Health, Well-being and Older People Reed, Jan, Stanley, David, Charlotte Clarke, 2004-03-31 Health well being and older people provides an overview of relevant research and service development literature presents and discusses a range of issues that are important to the health of older people including attitudes and ageism the body the environment family and community sexuality and having fun draws on material developed and in some cases written by older people themselves integrates theory and empirical evidence with practice experience offers models of best practice Designed with the needs of students in mind each chapter has helpful aids to understanding including key learning pointssummaries and exercisesmodels for case studiesglossaries and recommended textsThroughout readers are encouraged to think through the implications for students and staff on qualifying and post qualifying programmes in nursing social work social care social policy gerontology and related courses It is also recommended reading for practitioners who will want to engage with the ideas for best practice presented in the book Well-Being of Older People in Ageing Societies Asghar Zaidi, 2017-10-24 Well Being of Older People in Ageing Societies poses answers to the question of how we can measure and conceptualize the well being of older people It focuses on the future research agenda and policy reforms that will be necessary to maintain a decent well being for older people given the context of our ageing populations This book draws on longitudinal datasets and empirical research on the multidimensional measures of older people s welfare providing a comparative analysis of social assistance and pensions for older people in the UK and The Netherlands This title will be essential reading to anyone with an interest in gerontology and the effect society public policy and governance can have on the welfare of older people The Care and Wellbeing of Older People Angela Kydd, Tim Duffy, Raymond Duffy, 2009-03-15 PART ONE 1 Values what older people have told us 2 Policy and politics disadvantaged 3 Sociology disadvantaged 4 Person centred care PART TWO 5 Communication 6 Promoting dignity and compassionate care for older people in hospital 7 Assessment and care planning 8 Involving relatives and carers 9 Advocacy and rights 10 Protecting older vulnerable adults 11 Inter professional working PART THREE 12 Lifestyle major physical and mental health risks 13 Promoting mental health and wellbeing 14 Promoting physical health 15 Transitions 16 Palliative care death and bereavement 17 Medicines concordance 18 The homeless 19 Life in care 20 Social networks Conclusion Glossary References *Social Work Practice with Older People* Rory Lynch, 2013-11-13 Older people are the biggest service user group for social workers and an increasing proportion of the population In this refreshingly positive and practical textbook Rory Lynch draws on years of practice and teaching experience to show how to achieve best social work practice with older adults He takes a person centred approach which fosters respect by valuing the fact that elderly people have more lived experience than others Exploring the key theoretical approaches and methods of intervention this book helps social workers to identify understand and facilitate their service users wishes for well being and a fulfilling older age Chapters are practice driven containing case studies drawn from a range of care settings

reflective questions and exercises Mapping directly onto the key modules on the social work degree this is essential reading for all student social workers especially as they prepare to go on their practice placement It is also valuable reading for qualified social workers Rory Lynch is Lecturer in Social Work at Robert Gordon University

Addressing the Sexual Rights of Older People Catherine Barrett, Sharron Hinchliff, 2017-11-02 There is growing evidence that the sexual rights of older people are not being met One reason perhaps the main reason relates to the way that old age is viewed In many cultures being old is associated with decline and disease which positions older people as dependent and powerless Furthermore an absence of positive or celebratory discourses around older people's sexuality is particularly striking The book addresses a gap in research and policy Using an adaptation of the Declaration of Sexual Rights from the World Association of Sexual Health it provides readers with an innovative and evidence based framework for achieving the sexual rights of older people Drawing on interdisciplinary research it explores the cultural and social locations of old age and its intersections with sexual orientation gender identity and intersex status Key themes include stigma silencing invisibility prejudice discrimination and a lack of information awareness and understanding Addressing the Sexual Rights of Older People Theory Policy and Practice is a text for academics health professionals social professionals service providers and policy makers It is a timely and insightful collection which suggests ways to apply the sexual rights framework raise awareness and engage communities in constructing strategies for reform

Mental Health: Psycho-Social Perspectives Aradhana Shukla, Anubhuti Dubey, 2017-01-01 About the series Mental health issues are the burning concern today because they work hard to make an equilibrium in a person In this series various aspect and dimensions of mental health has been taken and they are classified in four volumes Volume One deals with psychological issues and interventions regarding mental health It is followed by the Second Volume in which an exhaustive analysis of the mental health of multi cultural societies has been made The Third Volume deals with the strengths and resources that facilitate mental health Fourth Volume is related with psychological treatment and therapeutic exercises used as in mental health promotion programmes We hope that the series will be appreciated by the researchers teachers and mental health professionals of psychology About the volume It is the third volume of our series and it deals with the major issue of mental health There are twenty one articles in this volume They are review grounded empirical and they are presented very well in the volume

Arts, Health and Well-Being Norma Daykin, 2019-09-04 This important book develops a critical understanding of the bridging of arts and health domains drawing on models and perspectives from social sciences to develop the case for arts and health as a social movement This interdisciplinary perspective offers a new research agenda that can help to inform future developments and sustainability in arts health and well being Daykin begins with an overview of the current evidence base and a review of current challenges for research policy and practice Later chapters explore the international field of health and the arts arts with well being as a social movement and boundary work and the role of boundary objects in the field The book also includes sections

summarising research findings and evidence in arts and health research and examples from specific research projects conducted by the author chosen to highlight particularly widespread challenges across many arts health and well being contexts Arts Health and Well Being A Critical Perspective on Research Policy and Practice is valuable reading for students in sociology psychology social work nursing psychiatry creative and performing arts public health and policymakers and practitioners in these fields

Universal Health Coverage Aida Isabel Tavares, 2019-11-27 The chapters in this book contribute to the wide discussion on universal health coverage The variety of topics discussed here confirms the importance of UHC for academics and health professionals and also the controversies and challenges of its implementation I invite you to read the book and be involved in the discussions around the goals of universal health coverage

NIH Guide for Grants and Contracts, 1991

Social Determinants of Health for the Global Aging Population in Pandemic and Disaster Environments Lené Levy-Storms, Mary Beth Morrissey, Marcia G. Ory, Camille Castelyn, Soohyoung Rain Lee, 2025-02-18

From a biopsychosocial perspective physical and to a lesser extent mental health have been a priority for researchers policymakers and healthcare providers relative to social health The hegemony of physical health weakened during the COVID pandemic as mental and social health also emerged as equally important and at risk at the same time Not since the 1960s has society attended to the social vulnerabilities of older adults particularly in institutional settings For the first time the urgency of providing care for older adults has transcended physical settings as frontline workers in hospitals prisons schools and other community based settings as well as families in their own homes also emerged as vulnerable The institutional care workforce faces an ongoing crisis at the same time some countries have restricted migration posing a threat to in home and community based long term care COVID has forced healthcare policymakers to prioritize both acute and long term health issues simultaneously as society tries to regain full functionality COVID and future natural and unnatural disasters associated with climate change threats to democracy discrimination against societal groups based on age gender race ethnicity religion and income status promise to challenge us all to acknowledge and act such that our well being is everybody s well being across the life course We are all aging and how different age groups fare affects how other age groups fare

mHealth Multidisciplinary Verticals Sasan Adibi, 2014-11-21 An in depth overview of the emerging concept Mobile Health mHealth mHealth Multidisciplinary Verticals links applications and technologies to key market and vendor players It also highlights interdependencies and synergies between various stakeholders which drive the research forces behind mHealth The book explores the trends and directions where this vertical market is headed Divided into nine sections the book covers a number of multidisciplinary verticals within the field of mHealth such as Preventive and curative medicine Consumer and patient centric approaches Psychological behavioral and mental verticals Social perspectives Education adoption and acceptance Aged care and the aging population Regional geographical and public health perspectives Technology implications Cloud applications The book collates emerging and diverse mHealth applications into a single resource The result of extensive

Creating New Meanings For Old Age Isabella Paoletti, 2024-08-12 This edited volume proposes a radical change in perspective fighting the prevalent ageist culture that tends to relegate the oldest old to isolation and irrelevance The chapters show that having plans and projects being involved in life is possible for those aged 80 and over as well as for oldest old people with disabilities Exploring the involvement of oldest old people in various activities that make

them feel happy worthy and connected this volume builds on a large empirical literature documenting that a sense of purpose in life is associated with delayed mortality and reduced health risks In doing so this book aims to combat widespread ageist attitudes at an interactional and institutional level and shift the focus from loss and decay to adaptability involvement inner strength and resilience It illuminates how oldest old people are inventing new meanings for ageing The 1981 White House Conference on Aging ,1981 **Proceedings of International Conference on Governance, Management & Social Innovation (ICGMSI 2023)** Marziana Madah Marzuki,Wan Marhaini Wan Omar,Siti Nur Zahirah Omar,Khalid Abdul Wahid,Wan Nazihah Wan Mohamed,2024-05-21 This is an open access book It is my great pleasure to introduce the Proceedings of the International Conference on Governance Management Social Sciences Education and Innovation ICGMSI2023 The event was held at UST Angelicum College Manila Philippines on 20th 21st September 2023 The conference convenes researchers scientists academics and practitioners from various nations to facilitate conversations and debates on pertinent problems opportunities challenges and research discoveries It is one of its significant and valuable features Building worldwide relationships and offering participants a fantastic venue to share and exchange outstanding original research findings and creative ideas are the main goals of ICGMSI2023 In the fields of governance management social sciences education and innovation we live up to our pledge of contributing to the development of a positive outlook A total of 13 submissions including authors from Malaysia the Philippines Saudi Arabia United Arab Emirates Indonesia and other countries were approved as full papers for publication and presentation in ICGMSI2023 These papers offer excellent illustrations of recent research on pertinent subjects such as governance management social sciences innovation and education among others I express my gratitude to the authors for presenting the conference and contributing their knowledge and research findings to this occasion We will be able to develop and clear the path for the future of governance management social sciences education innovation and related fields with their vision contributions and involvement They are the best players and assets available now and in the future The authors and delegates had a great time during their visit to Manila in the Philippines and that ICGMSI2023 was fascinating thrilling and motivating We would like to take this opportunity to thank and acknowledge the reviewers who assisted us in maintaining the high caliber of the manuscripts published in the ICMGSI Proceedings We also sincerely thank the organising staff and conference committee members for their tireless efforts **Demographic Challenges for the 21st Century** Johan Surkyn,2008 Inspired by the work of Ron Lesthaeghe retired Belgian professor of demography and social science research methodology this collection of contributions is also based on a conference entitled Demographic Challenges for the 21st Century A State of the Art in Demography During Ron Lesthaeghe s tenure he established himself as a scholar publishing highly influential work that changed the face of demography and founded the research group Interface Demography Most of his research was in the various subfields of demography historical social and economic and mainly covered populations of Europe and of sub Saharan Africa He also

researched the fields of cultural change in Europe and of ethnic minority studies This book offers a collection of tributes to his contribution to demography presented by leading international demographers **International Handbook of Love**

Claude-Hélène Mayer, Elisabeth Vanderheiden, 2021-05-04 This handbook is the winner of the William B Gudykunst Award for Outstanding Book in 2023 given by the International Academy of Intercultural Research This handbook includes state of the art research on love in classical modern and postmodern perspectives It expands on previous literature and explores topics around love from new cultural intercultural and transcultural approaches and across disciplines It provides insights into various love concepts like romantic love agape and eros in their cultural embeddedness and their changes and developments in specific cultural contexts It also includes discussions on postmodern aspects with regard to love and love relationships such as digitalisation globalisation and the fourth industrial revolution The handbook covers a vast range of topics in relation to love aging health special needs sexual preferences spiritual practice subcultures family and other relationships and so on The chapters look at love not only in terms of the universal concept and in private intimate relationships but apply a broad concept of love which can also for example be referred to in postmodern workplaces This volume is of interest to a wide readership including researchers practitioners and students of the social sciences humanities and behavioural sciences In the 1970s through the 90s I was told that globalization was homogenizing cultures into a worldwide monoculture This volume as risky and profound as the many adventures of love across our multiplying cultures proves otherwise The authors revolutionary and courageous work will challenge our sensibilities and expand the boundaries of what we understand what love is But that's what love does It communicates what is offers what can be and pleads for what must be I know you'll enjoy this wonderful book as much as I do Jeffrey Ady Associate Professor retired Public Administration Program University of Hawaii at Manoa Founding Fellow International Academy for Intercultural Research The International Handbook of Love is far more than a traditional compendium It is a breath taking attempt to synthesize our anthropological and sociological knowledge on love It illuminates topics as diverse as Chinese love one night stands teen romance or love of leaders and many more This is a definitive reference in the field of love studies Eva Illouz author of The End of Love A sociology of Negative relationships Oxford University Press This is not a volume to be read in a single sitting though I almost did due to a protracted hospital stay nor is it romantic or inspirational reading though in some cases I had hoped for more narrative examples and case studies Rather it is a highly diverse scholarly effort a massive resource collection of research papers on love in a variety of contexts personal and professional settings and cultures The work is well referenced providing a large number of resources for deeper exploration We owe our thanks to the authors and editors of this handbook for work well done though that word in the title should not lead readers to suspect that enlightening as it is this book is a vade mecum or practical tour guide that provides ready solutions to the vicissitudes and challenges of our love lives Reviewed by Dr George F Simons on amazon com Please see Claude H l ne Mayer's interview related to the handbook in LeanHealth Talks published

by Bernadette Bruckner <https://www.youtube.com/watch?v=yVNXA9sWuWo> Please see Claude H l ne Mayer s interview related to the handbook published In Iran News Daily <https://newspaper.irandaily.ir/nid/6941/pid/6/type/0> *Mental Health and Well-being in Later Life* Health Education Board for Scotland,NHS Health Scotland,2005-03-01 **Aging** Harry R. Moody,Jennifer R. Sasser,2014-03-10 Presenting current research in an innovative format Harry Moody and Jennifer Sasser s *Aging Concepts and Controversies* encourages students to become involved and take an informed stand on the major aging issues that we face as a society Using their extensive expertise the authors provide a thorough explanation of the issues in the Concepts sections and current research in the Controversy sections demonstrating the close links between concepts and controversies in these broad areas of aging health care socioeconomic trends and the life course

Health And Well Being For Older People Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Health And Well Being For Older People free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Health And Well Being For Older People free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Health And Well Being For Older People free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Health And Well

Being For Older People. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Health And Well Being For Older People any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Health And Well Being For Older People Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks.
