**André Johannes Van der Walt**

## **Health Care Politics Policy And Distributive Justice:**

**Health Care Politics, Policy, and Distributive Justice** Robert P. Rhodes, 1992-01-01 This book describes and evaluates power and influence in the creation administration and distribution of health care in the United States His work is uniquely concerned with distributive justice as well as power Who ought to receive more or less health care How should we decide these distributions Such questions are addressed in works of philosophy with little attention to political legal and economic analysis of budget dilemmas professional and industrial politics and technology This volume takes the issue a step further by placing health policy issues in the broader context of American politics illuminating the conflict between health resources and other needs and evaluating the trade offs Health Care Politics, Policy, and Distributive Justice Robert P. Rhodes, 1991-10-04 This book describes and evaluates power and influence in the creation administration and distribution of health care in the United States His work is uniquely concerned with distributive justice as well as power Who ought to receive more or less health care How should we decide these distributions Such questions are addressed in works of philosophy with little attention to political legal and economic analysis of budget dilemmas professional and industrial politics and technology This volume takes the issue a step further by placing health policy issues in the broader context of American politics illuminating the conflict between health resources and other needs and evaluating the trade offs **Health Care Politics, Policy, and Services, Third Edition** Gunnar Almgren, 2017-12-28 This AJN award winning textbook helps readers understand and critically assess the US health care system and policies This AJN award winning textbook helps readers understand and critically assess the US health care system and policies With a focus on the prevalence of disparities in health and health care the book reviews the historical evolution and organization of our health care system Several social justice theories are used to critically evaluate current US Healthcare systems and policies providing readers with various perspectives of the field Extensive coverage of our health care system s structures finances and performance on a variety of population health indicators provides the necessary background frameworks and principles through which the adequacy of alternative health care system financing strategies can be analyzed Highlights include Analyzes the current US Healthcare system and policies from several social justice theories providing a critical examination of the field Examines the historical involvement of the US health care system its financing and health care delivery structures and the prospects for health care reform Analyzes disparities in access to health and health care by race ethnicity class age gender and geography Compares the US health care system with that of other democracies providing a unique comparative perspective New to this Edition Revised chapter on healthcare reform that considers the 2016 election and anticipated changes to the Affordable Care Act Provides the latest information on the financing and organization of the US health care system Examines the nation s health care needs the prevalence of health and health care disparities and the latest theories that explain the causal origins of health and health care disparities Addresses the latest developments in health care policy domains such as long term care

end of life care and initiatives to reduce disparities in health Updated data on long term financing and expenditures including baby boomer s increased demand for long term services and expanded entitlements for the disabled Updated instructor s resources include for each chapter chapter synopsis and learning objectives ideas worth grasping key terms and concepts discussion questions and writing assignments This book is an ideal text for graduate courses in health care policy or disparities or the US health care system in schools of social work public health nursing medicine and public policy and administration

*Health Care Politics, Policy, and Services* Gunnar Almgren, 2006-11-07 Designated a Doody s Core Title Winner of an AJN Book of the Year Award Who Has a Right to Health Care What Is the Government s Role in Providing Accessible Health Care How Are Corporations Insurance Companies and Health Care Providers Affecting the Quality of Health Care And Most Importantly Can We Reform the U S Health Care System We often debate these issues in health care policy or public health courses yet we do so without the proper knowledge of the underlying structure of the U S health care system or a framework by which it can be judged Many health care workers entering the system are ill equipped to address the issues faced in direct health care practice in part because they have no ability to evaluate it In this innovative text Gunnar Almgren provides all the tools necessary to understand and critique a health care policy in dire need of change First he describes the historical evolution of U S health care explaining how the early roles of hospitals doctors and nurses still influence today s system He explains the complex financial aspects of health care including the concerns of all its major stakeholders He looks at the government s role in regulating and funding health care and how that role has expanded and contracted through various political administrations An entire chapter describes the facilities and services available for the elderly an issue that will continue to rise in importance as America ages Finally he examines the many causes of disparities in the U S health care system In addition Almgren offers a unique social justice analysis as a framework by which the current system and proposed reforms can be judged By analyzing the health care system through various models of social justice we can begin to understand and address the urgent issues of economic racial and geographic disparities that plague our current system With its clear thorough and comprehensive coverage of U S health care this unique text is accessible to all those in public health nursing social work public policy or public administration No other book addresses the underlying issues of the U S health care system alongside a variety of social justice models that we can use to evaluate and perhaps eventually change it

*Health Care Politics, Policy and Services* Gunnar Almgren, 2012-10-25 This new edition of the AJN Award winning textbook analyzes the most current health care reforms and their effect on our health system from a social justice perspective It addresses the reforms of the landmark health care reform bill passed in March 2010 and provides students of health care policy with a framework within which they can understand and evaluate our health system The text provides a comprehensive description and analysis of the historical evolution and organization of our health care system that is framed by a forthright social justice critique In addition to extensive coverage of our health care system structures finances and

performance on a variety of population health indicators the text analyzes disparities in access to health and health care in America by race ethnicity class age gender and geography Issues of special focus include long term care policy the bioethical dimensions of health care policy the transformation of health to an economic commodity the politics of health care policymaking and the global context of health care disparities New to the Second Edition Contains numerous chapters that have been extensively revised or completely rewritten Explains the political goals of and barriers to each stage of the Patient Protection and Affordable Care Act s PPACA implementation plan Provides two distinct critiques of the PPACA Offers a social and political health care agenda based on a social justice perspective Features a teaching guide

Health Care Politics, Policy and Services Gunnar Robert Almgren, 2013 Print CourseSmart

*Justice and Profit in Health Care Law* Sabrina Germain, 2019-03-21 The issue of justice in the field of health care is becoming more central with concerns over access cost and provision Obamacare in the United States and the Health and Social Care Act 2012 in the United Kingdom are key examples illustrating the increasing pressure put on governments to find just and equitable solutions to the problem of health care provision *Justice and Profit in Health Care Law* explores the influence of justice principles on the elaboration of laws reforming health care systems By examining the role played by key for profit stakeholders doctors employers and insurers it tracks the evolution of distributive norms for the allocation of health care resources in western welfare states Essentially this book sheds light on the place given to justice in the health care law making process in order to understand the place we wish to give these principles in future health care reforms

*Health Care and the Common Good* José I. Lavastida, 1999-11-22 Studies the situation related to access to health care in the US Approaches the problem first by analyzing its history then synthesizing different philosophical and practical solutions that have been attempted in order to reform health care and finally presents and analyzes ways to solve problems of access to health using an ethical approach nourished according to the guidance offered by the teachings of the Catholic Church Lacks a subject index

**EU Health Systems and Distributive Justice** Danielle Da Costa Leite Borges, 2016-07-01 *EU Health Systems and Distributive Justice* uses theories of distributive justice to examine tensions created by the application of the Internal Market rules to the provision of health care services within the European Union Using the concepts and principles embedded in the theories of egalitarianism and libertarianism this book analyses the impact of the Internal Market rules on common values and principles shared by European health systems such as universality accessibility equity and solidarity This analysis is conducted using the specific issue of cross border health care This book makes innovative contributions to the study of the relationship between EU health systems and the Internal Market it encompasses the analysis of all principles recognised by EU institutions as guiding principles of European health systems it integrates human rights law and practice into the discussion of the EU Court of Justice s approach to patient mobility cases and it assesses the potential impact of the Internal Market over EU health systems through the lens of distributive justice looking at the underlying principles of these systems that are mostly concerned with

social justice Ultimately this is not a book on EU law and health care but it is a book on distributive justice health care and the principles and policies guiding European health systems      Dark Horizons Tom Moylan, Raffaella Baccolini, 2003 Dark Horizons presents new essays on the dystopian turn of late twentieth century science fiction Leading scholars discuss major dystopian traditions including cyberpunk and feminist utopian dystopian narratives as seen in works such as Octavia Butler's novel Xenogenesis and the film Fight Club These essays draw out the ways in which contemporary science fiction literature and film has served as a prophetic vehicle for writers with ethical and political concerns      **Encyclopedia of Health**

**Services Research** Ross M. Mullner, 2009-05-15 Today as never before healthcare has the ability to enhance the quality and duration of life At the same time healthcare has become so costly that it can easily bankrupt governments and impoverish individuals and families Health services research is a highly multidisciplinary field including such areas as health administration health economics medical sociology medicine political science public health and public policy The Encyclopedia of Health Services Research is the first single reference source to capture the diversity and complexity of the field With more than 400 entries these two volumes investigate the relationship between the factors of cost quality and access to healthcare and their impact upon medical outcomes such as death disability disease discomfort and dissatisfaction with care Key Features Examines the growing healthcare crisis facing the United States Encompasses the structure process and outcomes of healthcare Aims to improve the equity efficiency effectiveness and safety of healthcare by influencing and developing public policies Describes healthcare systems and issues from around the globe Key Themes Access to Care Accreditation Associations Foundations and Research Organizations Biographies of Current and Past Leaders Cost of Care Economics Finance and Payment Mechanisms Disease Disability Health and Health Behavior Government and International Healthcare Organizations Health Insurance Health Professionals and Healthcare Organizations Health Services Research Laws Regulations and Ethics Measurement Data Sources and Coding and Research Methods Outcomes of Care Policy Issues Healthcare Reform and International Comparisons Public Health Quality and Safety of Care Special and Vulnerable Groups The Encyclopedia is designed to be an introduction to the various topics of health services research for an audience including undergraduate students graduate students and general readers seeking non technical descriptions of the field and its practices It is also useful for healthcare practitioners wishing to stay abreast of the changes and updates in the field

**Theories of Social and Economic Justice** André Johannes Van der Walt, 2005-08-01 The bulk of the contributions in this publication originated in a research project initiated by the Stellenbosch Institute for Advanced Study STIAS in 2002 The book is based on the idea that the attainment of greater social and economic justice specifically in the South African context is strongly influenced by the implications and the coherence of various theories of social and economic justice      **Health and Social Justice** Jennifer Prah Ruger, 2009-12-17 Societies make decisions and take actions that profoundly impact the distribution of health Why and how should collective choices be made and policies implemented to address health

inequalities under conditions of resource scarcity How should societies conceptualize and measure health disparities and determine whether they've been adequately addressed Who is responsible for various aspects of this important social problem In *Health and Social Justice* Jennifer Prah Ruger elucidates principles to guide these decisions the evidence that should inform them and the policies necessary to build equitable and efficient health systems world wide This book weaves together original insights and disparate constructs to produce a foundational new theory the health capability paradigm Ruger's theory takes the ongoing debates about the theoretical underpinnings of national health disparities and systems in striking new directions It shows the limitations of existing approaches utilitarian libertarian Rawlsian communitarian and effectively balances a consequentialist focus on health outcomes and costs with a proceduralist respect for individuals health agency Through what Ruger calls shared health governance it emphasizes responsibility and choice It allows broader assessment of injustices including attributes and conditions affecting individuals human flourishing as well as societal structures within which resource distribution occurs Addressing complex issues at the intersection of philosophy economics and politics in health this fresh perspective bridges the divide between the collective and the individual between personal freedom and social welfare equality and efficiency and science and economics [Routledge Handbook of Sport, Leisure, and Social Justice](#) Stefan Lawrence, Joanne Hill, Rasul Mowatt, 2024-05-23 This is the first book to explore in breadth and in depth the complex intersections between sport leisure and social justice This book examines the relations of power that produce social inequalities and considers how sport and leisure spaces can perpetuate those relations or act as sites of resistance and makes a powerful call for an activist scholarship in sport and leisure studies Presenting original theoretical and empirical work by leading international researchers and practitioners in sport and leisure this book addresses the central social issues that lie at the heart of critical social science including racism sexism homophobia transphobia ableism religious persecution socio economic deprivation and the climate crisis and asks how these issues are expressed or mediated in the context of sport and leisure practices Covering an incredibly diverse range of topics and cases including sex testing in sport sport for refugees pedagogical practices in physical education community sport development events and human rights and athlete activism this book also surveys the history of sport and social justice research as well as outlining theoretical and methodological foundations for this field of enquiry The *Routledge Handbook of Sport Leisure and Social Justice* is an indispensable resource for any advanced student researcher policymaker practitioner or activist with an interest in the sociology culture politics history development governance media and marketing and business and management of sport and leisure [Pediatric Ethics: Theory and Practice](#) Nico Nortjé, Johan C. Bester, 2021-12-01 This book assists health care providers to understand the specific interplay of the roles and relationships currently forming the debates in pediatric clinical ethics It builds on the fact that unlike adult medical ethics pediatric ethics begins within an acutely and powerfully experienced dynamic of patient family state physician relationship The book provides a unique perspective as it interacts

with established approaches as well as recent developments in pediatric ethics theory and then explores these developments further through cases The book first focuses on setting the stage by introducing a theoretical framework and elaborating how pediatric ethics differ from non pediatric ethics It approaches different theoretical frameworks in a critical manner drawing on their strengths and weaknesses It helps the reader in developing an ability to engage in ethical reasoning and moral deliberation in order to focus on the wellbeing of the child as the main participant in the ethical deliberation as well as to be able to identify the child s moral claims The second section of the book focuses on the practical application of these theoretical frameworks and discusses specific areas pertaining to decision making These are the critically ill child new and enduring ethical controversies and social justice at large the latter of which includes looking at the child s place in society access to healthcare social determinants of health and vaccinations With the dynamic changes and challenges pediatric care faces across the globe as well as the changing face of new technologies no professional working in the field of pediatrics can afford not to take due note of this resource

**Elder Justice, Ageism, and Elder Abuse** Lisa Nerenberg, 2019-04-15 The beauty of this important book lies in its conclusion This book provides the roadmap that has led us to our current dilemmas and offers the path forward to a truly just society for all Terry Fulmer PhD RN FAAN President of The John A Hartford Foundation Delivering the first comprehensive analysis of elder justice and its implications for policy and practice this book offers a promising approach that ensures the rights safety and security of all older Americans It explains the antecedents of elder justice in the fields of elder abuse aging and public health and describes the opportunities for achieving more comprehensive cohesive and integrated public policy The text examines the cumulative impact of ageism racism sexism heterosexism class and other forms of disadvantage and isolation on the lives of older adults and how these contribute to poverty disease disability abuse and neglect It draws from the fields of public health and health equity and plans devised by international organizations that frame elder abuse as a human rights issue Practical and achievable goals in the prevention of elder abuse aid policy makers program developers grant makers and service providers in the fields of gerontology social work public health and nursing in their efforts towards elder abuse prevention Key Features Identifies institutionalized ageism in public policy and practice Proposes core principles of elder justice to guide policy and service development Introduces knowledge and techniques from the fields of elder abuse and public health Provides greater understanding of social determinants and how they are addressed in the public health arena Offers techniques for improving access to the legal system for people with physical cognitive and communication disabilities Offers practical and achievable goals objectives and recommendations and models for state national and international policy and programs

*Practical Decision Making in Health Care Ethics* Raymond J. Devettere, 2009-12-04 For nearly fifteen years Practical Decision Making in Health Care Ethics has offered scholars and students a highly accessible and teachable alternative to the dominant principle based theories in the field Devettere s approach is not based on an ethics of abstract obligations and duties but following Aristotle

on how to live a fulfilled and happy life in short an ethics of personal well being grounded in prudence the virtue of ethical decision making This third edition is revised and updated and includes discussions of several landmark cases including the tragic stories of Terri Schiavo and Jesse Gelsinger the first death caused by genetic research Devettere addresses new topics such as partial birth abortion law embryonic stem cell research infant euthanasia in The Netherlands recent Vatican statements on feeding tubes organ donation after cardiac death new developments in artificial hearts clinical trials developed by pharmaceutical companies to market new drugs ghostwritten scientific articles published in major medical journals and controversial HIV AIDS research in Africa This edition also includes a new chapter on the latest social and political issues in American health care Devettere s engaging text relies on commonsense moral concepts and avoids academic jargon It includes a glossary of legal medical and ethical terms an index of cases and thoroughly updated bibliographic essays at the end of each chapter that offer resources for further reading It is a true classic brilliantly conceived and executed and is now even more valuable to undergraduates and graduate students medical students health care professionals hospital ethics committees and institutional review boards and general readers interested in philosophy medicine and the rapidly changing field of health care ethics

**Solidarity and Social Justice in Contemporary Societies** Mara A. Yerkes, Michèle Bal, 2022-04-25 This textbook will familiarize readers with some of the most pressing solidarity and social justice issues in contemporary societies Ongoing and emerging inequalities along the lines of gender age socio economic status ethnic background and sexual orientation challenge the solidarity underlying societies resulting in complex questions of social justice Moreover several global challenges such as digitalization climate change and the COVID 19 pandemic challenge solidarity and social justice in new ways How do societies respond to these enduring growing or changing inequalities Do these challenges lead to an expansion or an erosion of solidarity in an us versus them rhetoric And to what extent do societies differ in their social justice values and hence the acceptance of social inequality Taking a sociological psychological and political philosophical approach to these topics this book offers state of the art theoretical and empirical contributions from globally recognized scholars in sociology psychology and political philosophy providing a unique interdisciplinary approach to understanding solidarity and social justice in response to social inequalities in contemporary European societies

*Social Justice for Children and Young People* Caroline S. Clauss-Ehlers, Aradhana Bela Sood, Mark D. Weist, 2020-08-27 The first volume of its kind to take a comprehensive view of social justice issues and interventions for young people from a global perspective

Political Science Quarterly Columbia University. Faculty of Political Science, 1931 A review devoted to the historical statistical and comparative study of politics economics and public law

## Health Care Politics Policy And Distributive Justice Introduction

In today's digital age, the availability of Health Care Politics Policy And Distributive Justice books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Health Care Politics Policy And Distributive Justice books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Health Care Politics Policy And Distributive Justice books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Health Care Politics Policy And Distributive Justice versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Health Care Politics Policy And Distributive Justice books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Health Care Politics Policy And Distributive Justice books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Health Care Politics Policy And Distributive Justice books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them

accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Health Care Politics Policy And Distributive Justice books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Health Care Politics Policy And Distributive Justice books and manuals for download and embark on your journey of knowledge?

### **FAQs About Health Care Politics Policy And Distributive Justice Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks.
