

A landscape with rolling green hills, a dirt road, and a tree on a hill under a dramatic sunset sky. The sky is filled with vibrant colors of orange, red, and purple. A dirt road leads from the bottom center towards the horizon. On a hill in the distance, a large, dark tree stands prominently. The overall scene is peaceful and inspiring.

God Can Help:

How God can Help Make Your Dreams come True Richard Shinn, 2018-10-02 The purpose of this book is to encourage readers to never give up With God on your side your dreams will come true The author is a United States veteran who fought during the Korean War serving the country on a destroyer USS Mansfield DD728 in the service He returned to America at the age of twenty three and became a Christian He received a call to serve others in the ministry With his family they pioneered a work beginning in his home in 1969 that led to establishing a church work among the Chinese and Vietnamese in San Jose California God miraculously provided several properties worth over 1 500 000 and a local church now worth several million dollars in cash today The church is debt free and completely paid in full This is all due to a God who led the journey of a poor boy who started with nothing and became a dreamer With the help of God he made it all come true I hope you enjoy reading this book Thank you Richard Shinn *God's Power to Help Hurting People* Colleen Birchett, 2003-06 How does the Bible help hurting people The answers are included in the 12 chapters of this book Addressed are issues such as loneliness guilt fear anxiety grief and anger Each chapter tells the story of a different biblical character and demonstrates God's power to overcome these particular challenges **Junior High and Middle School Talksheets Psalms and Proverbs-Updated!** Rick Bundschuh, Tom Finley, 2001 These updated discussion starters based on the wisdom books of the Old Testament can stand alone or lead into a full blown Bible study with help from the leaders accompanying instructions Includes Bible references Internet resources and other suggested further activities **God Can't** Thomas Jay Oord, 2019-01-05 Hurting people ask heart felt questions about God and suffering Some answers they receive appeal to mystery God's ways are not our ways Some answers say God allows evil for a greater purpose Some say evil is God's punishment The usual answers fail They don't support the truth that God loves everyone all the time God Can't gives a believable answer to why a good and powerful God doesn't prevent evil Author Thomas Jay Oord says God's love is inherently uncontrolling God loves everyone and everything so God can't control anyone or anything This means God cannot prevent evil singlehandedly God can't stop evildoers whether human animal organism or inanimate objects and forces In God Can't Oord gives a plausible reason why some are healed but many others are not God always works to heal everyone but sometimes our bodies organisms or other creatures do not cooperate with God's healing work Or the conditions of creation are not right for the healing God wants to do Some people think God causes or allows suffering to teach us lessons or build our character God Can't disagrees Oord says God squeezes good from the evil God didn't want in the first place God uses pain and suffering without willing or even allowing it Most people think God can overcome evil singlehandedly In God Can't Oord says God needs cooperation for love to reign now and later This leads to a better view of the afterlife called relentless love It rejects traditional ideas of heaven hell and annihilation Relentless love holds to the possibility all creatures and all creation will respond to God's love God Can't is written in understandable language As a world renown theologian Thomas

Jay Oord brings credibility to the book's radical ideas. He explains these ideas through true stories, illustrations, and scripture. *God Can't* is for those who want answers to tragedy, abuse, and other evils that make sense. What They're Saying If conventional notions of God make less and less sense to you, you'll find Thomas Jay Oord's new book a breath of fresh air. Simply put, *God Can't* presents an understanding of God that thoughtful, ethical people can believe in. Brian D. McLaren, author of *The Great Spiritual Migration*, I did not want this book to end. I wish Dr. Oord had written it 100 years ago or 1000 years ago. To find your understanding of life and your love for God renewed, read this book. Dr. Karen Strand Winslow, Ph.D., Biblical and Jewish Studies Professor of Bible, Azusa Pacific University. As a clinical psychologist working with people in trauma, I owe Thomas Jay Oord an enormous debt of gratitude for recasting the so-called problem of evil in terms that are conceptually satisfying, theologically consistent, and pastorally liberating. Dr. Roger Bretherton, Principal Lecturer at the University of Lincoln, UK, Chair of the British Association of Christians in Psychology. Victims of trauma sometimes hear theological responses that imply their suffering is somehow God's will. A more careful theological reflection on the nature of the power of a God who is love can help. Oord gives us a clear and compelling alternative in this profoundly insightful and admirably concrete and accessible book. Dr. Anna Case Winters, Professor of Theology at McCormick Theological Seminary. I know of no book that speaks to suffering with the depth of theological sophistication and psychological sensitivity as *God Can't*. This book is a rare combination of depth and accessibility, truly written for the wounded. I recommend it to my students, parishioners, and therapy clients. Dr. Brad D. Strawn, Professor of the Integration of Psychology and Theology, Fuller Theological Seminary.

Finding God's Will for Your Life Joyce Meyer, 2024-05-07. 1 New York Times bestselling author and renowned Bible teacher Joyce Meyer instructs readers on an integral part of the Christian faith: knowing God's will and acting on it. In this practical and encouraging book, Did you ever dream about what you would be when you grew up? We think naturally about our purpose because God tells us that He created us to do great things. But how do we know when we have truly found God's calling for our lives? Many people live most of their lives striving to find and follow God's will but still wondering whether they've gotten it right. The many pressures, expectations, and distractions we experience can create confusion and anxiety and cause us to doubt whether we are following God's will or if He even has a plan for us at all. Beloved Bible teacher Joyce Meyer invites us on a journey to confidence, freedom, and peace through exploring the wisdom of what the Bible tells us about God's character and about His love and purpose for us. She also offers practical steps to discovering how to build your trust in God, seek His guidance, and overcome the fear of missing out on His best for you. If you're struggling to have confidence that you can hear God's voice and know what He's created you to be and do, *Finding God's Will for Your Life* will leave you with more peace and more confidence to live joyfully in God's love and walk the path He has for you. *How God Can Use You?*

HOW TO USE GOD'S LIFETIME WARRANTY IN YOUR MARRIAGE Dr. Amos Adeniyi, 2014-08-28 The idea to write fictional letters to marital couples on how to use God's lifetime warranty on their marriages came into being in the process of a sermon preparation as a guest pastor for a local church in November 2011 I prayed about which message to deliver for many days About two days before Sunday I had a dream that a young lady participated during my sermon After the sermon her family greeted me well and said I made her speak in public for the first time and I gave her the encouragement that she needs for the rest of her life Then I woke up On the actual Sunday service during the sermon I asked the congregation how many of them had a dog or a cat A young lady a 17 year old said she had a cat I asked if she ever took her cat for a walk she said no I asked why not She replied Nobody does Then I said people take their dogs for walks but this does not mean that

dogs are more important or better than cats Cats have their own usefulness God who created us knows that we are not the same and that we cannot function in the same way One should not be boasting that s he is better than the other After the service the grandfather of the cat owner who spoke during my sermon and her aunt came to me and thanked me for the opportunity given to the young lady to talk for the first time in public which would enable her to express herself publicly When I was praying at home after the sermon I had the feeling that God wanted me to tell people to try out what seems to be unusual for them It has been my concern for many years that many couples don t take their wedding vows seriously It is affecting children a great deal many children have two or three stepparents Those children without stepparents seem to be the odd ones among their peers In Canada about 50% of first marriages may likely end up in divorce One may presume that the rate of divorce in second marriages would be lower but instead it is higher at 72% while third marriages have the highest divorce rate of 85% Comparative Annual Divorce Rate in Canada Similarly in America the first marriage divorce rate ranges from 41 50% second marriage divorce rate is between 60 67% and third marriage is between 73 74% Information on Divorce Rate and Statistics This book is fictional The stories are not real stories They are about my past experiences with heterosexual couples in my counseling or pastoral care I do not have a particular person or couple in mind No names in the book are real names If anybody s name or any couples have the same names as used in the book I would like them to know that I am not telling their particular story or using them as an example The Holy Spirit inspired the writers of the bible stories instructions messages and the same Holy Spirit is still talking to us today I believe I was inspired to write the book I will encourage anyone or couple whose story or stories are similar to what s in the book not to be too critical but to take it the book as a means through which God is speaking to them to change No marriage is too bad that God cannot change for better Don t fold your arms and accept your troubled marriage as a done deal I will advise the readers to call upon the author of marriage God through Jesus Christ to fix their marriages He is able Since the idea of letter writing is becoming obsolete one may be wondering why letters to marital couples and not email text or any other modern means of communication Letter writing is an old form of communication which is to inform correct and educate In the New Testament there are many letters written by Paul the apostle and others to individuals and churches to deal with issues circumstances and problems faced by the recipients We never read about their responses or their initial letters to the Apostles Similarly only letters written to the couples are featured in this book Most of the Letters in this book are long term correspondence with the imaginary couples The objectives of the letters are to 1 Encourage couples not to give up on their dream of having a successful marriage and to continue fighting until the victory is won 2 Enable the counsellors pastors to keep their counselees hope alive as long as they are still interested in counselling 3 Help families and friends to keep on supporting the couples in crises Note that some of the letters end with prayer while some didn t The idea is we don t have to impose prayer on people Praying with people is as important as praying for people in absentia We need permission to pray with people but we don t need permission to pray for

people while they are not there In both my pastoral and counselling ministries the most prevalent issues are marriage and family matters This book thus serves as a handbook to help couples in crises or prevent couples from getting into a marital mess It can be used in marriage enrichment groups or as a counsellor Pastor s handbook The group Leaders Counsellors or Pastors should not use the book as a weapon of judgment against anyone but as a means of correction and education The book is calling people who just want a family and not a marriage Many couples lose love in their marriages Love is the greatest gift God gives to people but many people do not accept it They choose anger instead of peace or love from God The book is calling the readers who are making wrong decisions for wrong reasons We should not let bitterness anger frustration alcohol drugs etc ruin our marital relationships The principles of marital solutions in the book focus on God May God bless you as you read the it Shalom Discover God's Word David C Cook,2018-05-04 These lessons help young children explore the world God made and thank him for his care talk about who Jesus is and how to be his helper and learn to pray to God A 52 Week Bible Journey Just for Kids Route 52 is a Bible based journey that will take kids through the Bible every year for ages 3 4 Every lesson features Scripturally sound themes Culturally relevant hands on activities Age appropriate Bible learning challenges Reproducible life application activity pages Route 52 Bible lessons will help kids learn the Bible and how to apply it to their lives at their own level of spiritual development These reproducible Bible lessons are appropriate for Bible school children s church youth group kids club and midweek Bible study programs **God's Will** J. I. Packer,Carolyn Nystrom,2012-01-01 Seeking God s guidance is a focus for many believers We want to know what God has planned for our lives Are we making the right decision Are we in his will For some people knowing God is guiding their lives makes them relax and enjoy the ride But others fear making the wrong choice and find themselves paralyzed as they wait for signs from above J I Packer and Carolyn Nystrom answer these fears with God s Will With solid biblical footing they shed light on the notion of God s guidance in response to the many misunderstandings well meaning Christians can have Readers seeking God s will in major life decisions as well as anyone interested in understanding how God guides us will welcome this practical and inspiring book **Our haunted world, Spiritual attacks, and God's protection** Dr. Anthony B.
