God Cares C. Mervyn Maxwell,1981-02-01 God Cares: The message of Daniel and revelation for you and your family C. Mervyn Maxwell,1981 The Incredible Expanding Mountain of Hope Joshua Herald, Even though this book is about Daniel 2 it s not really about Daniel 2 It s really about Jesus Come tag along on this exciting journey of re discovery Even if you think you ve long understood all details of the prophecy you may just discover a most important new insight and find yourself dumbfounded by precise prophetic fulfillments in Christian history that once sent chills up the author s spine You too may discover the fuller gospel meaning embedded within ancient cryptic symbols almost like a hidden picture Daniel 2 specifically unveils the very Foundation Stone of all later Bible prophecies and correctly understood it places the Lamb of God His unfathomable love for sinners and the heart conquest of His Kingdom of glory and of grace squarely back at the center of all Bible prophecy That Christ centering hidden picture is nothing short of a self portrait of Jesus and the prophesied growth of his New Testament kingdom of God message into all the world of his royal incarnate rule from its tiniest beginnings in Bethlehem to its mountainous NO END in eternity This book is really about a too often hidden message that Herald believes God always intended to shout out to our anxiety ridden world today as we now teeter on the brink of eternity It is the timeless and yet so timely message of HOPE Real hope A long growing hope as you will discover embodied in a Person that reaches all the way down to even the most apparently hopeless if she or he will only recognize it and take hold of JESUS In this magnificent book which at times seems like a spy thriller Joshua Herald methodically details insights into Scripture He does so with such clarity and precision that you will wonder how you could have missed coming to the same conclusion he did Ron Price MA author of Play Nice in Your Sandbox at Church Play Nice in Your Sandbox at Work and Play Nice in Your Sandbox at Home Hang onto your seats for this rollercoaster Joshua Herald pens a twisting turning ride to a better understanding of Daniel s beastly prophecies and the mysterious stone that strikes the colossal metallic image Chris Conrad PG professional geologist If you have found the insights in this book to be spiritually uplifting and helpful please share this title with a friend The a to Z of the Seventh-Day Adventists Gary Land,2009-07 Covering the Millerite movement of the 1830s and 1840s sabbatarian Adventism prior to organization of the denomination and the Seventh day Adventist Church since its organization in 1861 63 this volume provides a comprehensive history of the denomination The A to Z of the Seventh-Day Adventists Gary Land,2009-07-29 Covering the Millerite movement of the 1830s and 1840s sabbatarian Adventism prior to organization of the denomination and the Seventh day Adventist Church since its organization in 1861 63 this volume provides a comprehensive history of the denomination The first major element of the book is a chronology of Adventist history that begins with William Miller s conclusion in 1818 that the Second Advent of Jesus would occur about 1843 and extends through the Science and Theology Conferences of 2002 04 The interpretive introduction that follows places the emergence of Adventism within the context of the Second Great Awakening describes the development of

sabbatarian Adventism from its early opposition to church organization to its highly institutionalized and bureaucratically structured contemporary form and examines the denomination's geographical expansion from a small North American sect to a global church. The dictionary entries that constitute the bulk of the volume address individuals, organizations, institutions, and doctrines that have been important in the history of the church, including dissident movements and individuals who have emerged as critics of the denomination and its beliefs. Second, there are entries on the development and current situation of Adventism in many individual countries. Finally, thematic entries on such subjects as art, music, literature, health care, and women address other elements important to understanding church life. The dictionary entries are followed by a bibliography of scholarly and popular works published by the denomination, commercial and academic presses, and individuals and organizations.

Visions of Turmoil and Eternal Rest Ebenezer A. Belete, Warren A. Shipton, 2011-09-19 One of the most fascinating periods of history must certainly be around the time of Daniel, the prophet's time, sixth and fifth centuries B.C. It was then that many of the philosophies that were to exert a telling influence on Western thought and Christianity arose. This is the period when Buddha, Confucius, Lao Tzu, Zoroaster, and Pythagoras developed their ideas. In this book, we consider the coded messages written by Daniel and later by the apostle John, preserved in the Bible. History offers outstanding confirmation of the accuracy of their predictions. We indicate how past and developing world events fit into the fabric of prophecy.

The Oxford Handbook of Seventh-Day Adventism Michael W. Campbell, Christie Chui-Shan Chow, David Holland, Denis Kaiser, Nicholas Miller, 2024 This Oxford Handbook contains 39 original essays on Seventh-day Adventism. Each chapter addresses the history, theology, and various other social and cultural aspects of Adventism from its inception up to the present as a major religious group spanning the globe.

Historical Dictionary of the Seventh-Day Adventists Gary Land, 2014-10-23 Seventh-day Adventism was born as a radical millenarian sect in nineteenth-century America. It has since spread across the world, achieving far more success in Latin America, Africa, and Asia than in its native land. In what seems a paradox, Adventist expectation of Christ's imminent return has led the denomination to develop extensive educational, publishing, and health systems. Increasingly established within a variety of societies, Adventism over time has modified its views on many issues and accommodated itself to the delay of the Second Advent. In the process, it has become a multicultural religion that nonetheless reflects the dominant influence of its American origins. This second edition of *Historical Dictionary of the Seventh Day Adventists* covers its history through a chronology, an introductory essay, appendixes, and an extensive bibliography. The dictionary section has over 600 cross-referenced entries on key people, cinema, politics, and government, sports, and critics of Ellen White. This book is an excellent access point for students, researchers, and anyone wanting to know more about Seventh-day Adventism.

Religious Liberty and the Fall of Babylon Marc Rasell, 2012-07-10 Religious Liberty is a Biblical principle that man was created with a free will. Satanic forces have worked down the ages to persecute those who are faithful.

to God's commandments God is calling people to come out of Babylon before it is too late a symbol of the corrupt churches that break God's law turn to civil power for support and persecute God's commandment keeping people

Profile of a Religious Man Edwin Zackrison, 2020-11-11 This book is a journey book Sitting down at a computer and producing the story has been a grand trek I have learned that there is a principle in nature that some things need to mellow calm down and soak in The refusal of winemakers to take a wine before its time is a notion I am coming to understand It works with writers as well Like a fetus signaling its mother that it is time to head for the hospital a literary work stays in the mind until its time In my education I have read of the battles of great Church leaders who were eventually thrown out of their churches In my denominational education I was largely led to see them as heretics rebels eccentrics revolutionaries apostates and as generally representing a lower form of spirituality Church education often asked me to surrender my biases in favor of accepting a new set of assumptions my denominational ones We were to be critical of everything except our organization I submit that there is danger in that This book will cover incidents from the first forty years of my life as a religious addict You may find something here that you can identify with

Vortex Harold Reynolds, 2019-05-14 Through the main character of Itso the author of Vortex Death Is Swallowed Up in Victory Harold G Reynolds does indeed ask a most compelling question Will it indeed take a nuclear World War III and its aftermath to allow for the construction of a third Jewish temple and the thousand year millennium to begin

Jesus Only Ernan Norman, 2011-11-01 The focus and theme of this book is Jesus only The eternal verity taught in Scripture is that Jesus alone saves Therefore the central focus of the church must be on Jesus Christ the One crucified risen ascended interceding and coming again This was the secret to the life and power of the apostolic church Everything about the early church as recorded in the book of Acts was due to the presence and power of the Lord in His church The Scriptures clearly speak about their passion but also about the One who was central to their preaching teaching and living as a body of believers And daily in the temple and in every house they ceased not to teach and preach Jesus Christ Acts 5:42 Unfortunately the church no longer measures up to the life that God intended for it In these final and closing days of earth's history Jesus is anxiously awaiting for a portrait of Himself in His church The spirit and power of the apostolic period must return The central focus of Jesus Christ as Lord and Savior must return The dynamic Holy Ghost empowerment of the church must return The daily growth of the church must return The self sacrificing spirit that should mark the life of a true disciple must return There is no question that we must return to primitive godliness and for that to happen the church will have to return to her first love which is a central focus on Jesus

[Decolonizing the Theological Curriculum in an Online Age](#) Chimera Nyika, Y. Mvula, 2022-10-28 The second annual conference of the Theological Society of Malawi was held at the historic Ekwendeni Campus of the University of Livingstonia from 14 to 16 September 2021 It took up the urgent theme of the decolonization of the theological curriculum Though Malawi has been an independent country for 58 years coloniality still stalks the land This book calls theologians to take a lead in decolonization while navigating the

educational task in an online age With more than twenty institutions teaching theology at tertiary level in Malawi and now united in the Theological Society of Malawi there is huge potential to learn from each other in developing the theological curriculum in the country While the primary audience is unashamedly a Malawian one this book might also prove relevant in other contexts where there is a reckoning with past and present experience of colonialism The book is a call to action and is published in the hope that it will have lasting impact on the teaching and learning of theology in Malawi and beyond

Global Deception and the Issue of Freedom Ville Suutarinen, 2022-06-29 A Book about Current Events in Light of Apocalyptic Trumpets Trumpets were signaling devices in ancient Israel and a metaphorical and amazing message is hidden in them for the modern human being The relationship between freedom and responsibility is a very current topic Who has the authority to define the limits of freedom and responsibility Which entity has the authority to decide who has the right to access freedoms The forces of evil including the Antichrist aim to take the hold of this authority by deception The great controversy between light and darkness concentrates on these issues and it is a battle for our mindset and attitudes Jesus Christ will have victory in the end However it is important to know the means of the hoax of Satan and the Antichrist so that we would not be deceived A global medical deception is part of the hoax Liberty of conscience not totalitarianism is at the heart of God s mindset and government The interpretation of the trumpets has a long tradition This book continues the tradition by concentrating on the fifth and the sixth trumpet Often in Protestantism the events of the fifth and the sixth trumpet are either situated into the past so called traditional interpretation in Adventism or they are seen to reach until the present time In this book we unite the two views and think that the trumpets are repeated in history We aim to let the Bible interpret itself Both global deception and freedom of conscience are issues which are grounded on God s Word The book is a self published work and it contains 259 pages

Jesus—The Portrait and Inscription of God George Paki, If we want to understand what God was telling John about the future we need to first understand what John understood Professor Jon Paulien Loma Linda University USA In Jesus The Portrait and Inscription of God the author pours his years of research into addressing the issue that Jon Paulien highlights Paki builds an intriguing case for a dual focused method of interpreting Revelation He uses this method to show i that Revelation was written primarily to John and his initial audience ii that the same prophecies also speak to us with clarity and force iii Then he wonders if God intentionally used the same material to speak to an audience then and now When this method is applied to Revelation 13 the text does come alive Deep theological truths and nuggets extracted are way too many to recount in a single book In fact this fresh approach minimizes most of our interpretive issues and enhances our understanding and appreciation of the apocalyptic Christ Some of our leading scholars agree It is well written well laid out and has good solid biblical insights Good solid evidence for Revelation s high Christology Dr Kayle de Waal Avondale College Australia I found it thoughtful helpful and interesting to read The style of presentation is also very attractive Professor Jon Paulien Loma Linda University USA You have clearly shown the relationship between

Revelation 13 with the rest of Revelation Dr Ross Cole Avondale College Australia The method used its interpretations and the theological insights are corroborated by other Johannine books the New Testament the Old Testament and the Spirit of Prophecy This volume will enhance the libraries of academics and laypeople alike **Faith and Science with Dr.**
