OK, God, Let's Start From Here Tricia Draper, 2019-04-02 Have you ever wondered what God is saying to you Do you have questions you would like answered In this book God answers such questions about how to trust praise and listen to Him God chose you specifically and wants you to have a deep personal relationship with Him He has a special purpose for your life You may be at a point in your relationship with God that you feel you have messed up and completely ruined everything you had or you may feel that you are simply unworthy When we feel this way God is right there waiting for us to ask for His help We need to empty ourselves of all the negative things in our lives and allow Him to fill us up with His love The great news is that God loves you and He always will He's there in our darkest hour and He's there when we are rejoicing He sees our needs and when we turn to Him He is waiting with open arms to receive us We can all rest assured that no matter how we mess up or how many times we can always start fresh by saying OK God let's start from here

Three Creation Stories Michael Gold, 2018-11-08 What is reality Is reality both mind and matter body and soul as taught by Western religions such as Judaism Christianity and Islam This is dualism the approach of philosophers from Plato to Descartes Or is reality only matter as taught by many modern scientists and philosophers This is materialism the approach of philosophers from Hobbes to Marx Or is reality only mind as taught by Eastern religions and Western mystics This is the approach of philosophers from Berkeley to Whitehead The beginning of Genesis allows for multiple translations and interpretations We will read the creation story in Genesis from the point of view of each of these three approaches dualism materialism and idealism In doing so we will tell three very different creation stories These stories will take us on a fascinating journey through science philosophy and religion Join us on this journey as we explore issues such as does God perform miracles why is there evil in the universe was Darwin correct can robots have souls and if light is a wave what is waving
