judges and several of the kings of Israel are all examined God then sent His Son Jesus Christ to earth to make good His promises and fulfill His desires for mankind which Adam failed to do The study examines Jesus life death and resurrection as well as the lives of His faithful servants such as Paul Stephen and Peter The answer to the title s fundamental question is a unifying thread which not only runs throughout the whole Bible but ties it all together

**God Created Man in His Image and Likeness** Oried E. Graves,2012-10-26 Everyone who reads the Bible must admit that it tells us to do things that we never have done and cannot do in our fleshly bodies One reason is that God our Creator is telling us what He wants us to be and do as created in His image and likeness Our purpose is in our image and likeness of God our Creator not like the dust of the ground or the flesh of our parents Most children dont know that they are created in the image and likeness of God and their parents have not asked God for His spirit for their children so they can be taught this vital truth The reason parents dont ask God for His spirit for their children is because they dont recognize the need for Him There are several things mankind cannot do in the flesh and they must recognize their origin in the image and likeness of God Mankind must recognize being in the image and likeness of God to first love God with all their being and love his neighbors as himself second to obey God and his parents as required in Gods word third to trust God with all his heart fourth to worship God in spirit and in truth and fifth to glorify God in his body and spirit which are God The devil does not want mankind to know that he is created in the image and likeness of God because man will always defeat Satan and fulfill God s will

*Why God Created Man* Okwi Paul,2015-10-20 Why God Created man Understanding God s Original Idea is intended to challenge the long held view that man was created to worship God This book has been written to bring an understanding of who is man and why he was created A lot of long held views on death heaven why Jesus died and what is Eden are explained to bring out clearly God s original idea The book removes the long held view of man being body to a spirit being and further highlights the fact that man should live more as a spirit being and not as body flesh being for him to appreciate the reason why he was created That by living this way man will be able to truly worship God and experience fully the communion and fellowship with God The book emphasis that man is able to live in both the spirit and physical world and the paramount importance for man is to constantly live in the supernatural world Okwi Paul is a minister at Kifumbiro Christian Fellowship Church located in Kampala Uganda As a teacher of the word of God he believes that his purpose and calling is to challenge the long held orthodox views by searching and clarifying deeper revelations and mysteries from the word of God which is the bible so as to bring a new awareness His teachings have brought a new understanding of the scriptures and challenged the believers to know that every word of God has power to change and transform lives The teaching without the demonstration of the power only delivers theories and makes one a scholar and an academician Okwi Paul is married to one wife a true helper and friend and together have 3 children

Avant,2013-05-16 This book expresses an exciting spiritual perspective of the creation of the universe and the life of man in that universe It is the story of man and God It addresses the philosophical who why what and where of mans purpose and the scriptural view for the morality of men It shows the actions of mankind through spiritual eyes and points to the stubborn and egotistical attitudes of mankind beginning with his fall into sin It emphasizes mans spiritual relationship with God Gods love for mankind throughout the ages and the redemption of man from the curse of sin It will draw you into a discussion of the signature sins of our times and challenge you to hear and understand the voice of God instead of just the rumblings of thunder If you are an unbeliever you will be challenged to repent If you are a nominal Christian you will be challenged to seek the power of the Holy Spirit It is in gaining a perspective of the eternal that we understand the moment we live in

God's Creation, Man's Fall, and the Lord's Redemption Witness Lee,2024-02-08 If we are to understand the purpose and meaning of human life we must go to the Bible The purpose and meaning of human life is found in the Bible and the first great point in the Bible is creation Thus our consideration of the Scriptures must begin with God s creation God created man as a vessel to contain Him However in the Garden of Eden God s enemy Satan came in and caused man to fall He usurped and corrupted man But eventually the Lord Jesus came God became a man He lived a human life and went to the cross to die Through His death He redeemed man and dealt with all the negative things in the universe and then He resurrected and brought us into resurrection Through Christ s redemption God was able to achieve the purpose for which He had created man namely He was able to put Himself in Christ into us and then bring us back to Himself **Why Did God Create Man?**

Edwards,2010-06 I have focused on the idea of man in creation and have tried to clarify it Perhaps there is as much confusion and uncertainty here as anywhere today even in Christian ranks There is confusion and uncertainty of the beginning of man was he created as man as of today or did he evolve from an ape Also there are other things that confuse and seem uncertain to man that I tried to point out in this study The idea of God is being attacked in many ways and in many quarters But there seems to be also a growing recognition of man s need of God Man within himself is helpless in the midst of hostile forces on every hand God is man s only refuge and help in time of need I feel that man should know about his total self and relationship with God I will try to point out and focus on studies of man before the world was created the three folds of man s nature and functional parts his
