God Creation And Man:

Why God Created Man James Fish, 2016-06-08 Why God Created Mankind was inspired by the author's studying and understanding of the Bible. This leads to learning that God is too loving to be unkind. One scripture states Broad is the way that leads to destruction and many there will be that go in there at and narrow is the way that leads to life eternal and there will be few that find it. The author felt if God knows all things why would he create mankind knowing the majority would be lost. He personally believes that it was unkind unless he had a superior plan for man. With a lifetime of gathering information of God's love and kindness for redemption he has concluded that this book is a reflection of God's plan for mankind. When you read this book it is so important to grasp the depth of it. You need to reach down in your spirit and soul to understand that your spirit will live on forever. Reach deeper than just the surface. All of my scripture references are taken from the King James Version of the Bible.

God's Creation, Man's Fall, and the Lord's Redemption Witness Lee, 2024-02-08 If we are to understand the purpose and meaning of human life we must go to the Bible. The purpose and meaning of human life is found in the Bible and the first great point in the Bible is creation. Thus our consideration of the Scriptures must begin with God's creation. God created man as a vessel to contain Him. However in the Garden of Eden God's enemy Satan came in and caused man to fall. He usurped and corrupted man. But eventually the Lord Jesus came. God became a man. He lived a human life and went to the cross to die. Through His death He redeemed man and dealt with all the negative things in the universe and then He resurrected and brought us into resurrection. Through Christ's redemption God was able to achieve the purpose for which He had created man namely He was able to put Himself in Christ into us and then bring us back to Himself.

Man As God's Creation Vernon O. Elmore, 1986-01-01 The Man-Savior's Incarnation Fulfilling the Purpose of God's Creation of Man Witness Lee, 2025-03-26 In this booklet taken from Life study of Luke Witness Lee presents the link between Christ's incarnation and God's purpose in creating man. It is a great thing to see that Christ's incarnation is linked to God's purpose in creating man. God's purpose in the creation of man in His image and after His likeness was that man would receive Him as life and express Him in all His attributes. The Man-Savior's incarnation brought God into man to restore and to recover the damaged and lost humanity and to express God in His attributes through human virtues. *God Created Man in His Image and Likeness* Oried E. Graves, 2012-10 Everyone who reads the Bible must admit that it tells us to do things that we never have done and cannot do in our fleshly bodies. One reason is that God our Creator is telling us what He wants us to be and do as created in His image and likeness. Our purpose is in our image and likeness of God our Creator not like the dust of the ground or the flesh of our parents. Most children don't know that they are created in the image and likeness of God and their parents have not asked God for His spirit for their children so they can be taught this vital truth. The reason parents don't ask God for His spirit for their children is because they don't recognize the need for Him. There are several things mankind cannot do in the flesh and they must recognize their origin in the image and likeness of God. Mankind must recognize being in

the image and likeness of God to first love God with all their being and love his neighbors as himself second to obey God and his parents as required in God's word third to trust God with all his heart fourth to worship God in spirit and in truth and fifth to glorify God in his body and spirit which are God The devil does not want mankind to know that he is created in the image and likeness of God because man will always defeat Satan and fulfill God's will Man, The Image of God Christoph Schoenborn, 2011-08-22 God created man in his own image and the profound implications of this assertion are the subject of this book Drawing on philosophy theology science Scripture and art Cardinal Sch nborn reflects on man as the greatest of God's creatures and on the Christian understanding of his incomparable dignity that flows from this truth According to the Christian faith all the works of God converge toward man and find their goal in him The world was made for man and man was made for God This anthropocentrism resounds like good news at a time when many find it hard to believe in God's special and personal providence for man It is good news indeed that man has worth and his life has meaning because God bears an infinite love for him a love which is the very origin of creation and is the reason for the work of redemption Among the topics Cardinal Schonborn addresses are Christ the Loveliest of Men The Exaltation of Man The Basis of Man's Dignity Faith in Art God with a Human Face Man is created by God and for God he has an incomparable dignity because God in creating him has for him an infinite love the very origin of creation and the reason for the work of redemption Cardinal Christoph Schonborn *God Created the Universe with the Purpose to Serve Humankind* Fateh Ullah Khan, 2009

Crowned with Immortal Glory Matthew Hutton Hartline,2024-03-13 The doctrine of glorification is a biblical teaching that has been neglected within the Protestant church and therefore underdeveloped in our day For whatever reason that may be glorification is a doctrine that will affect every aspect of one s overarching theology especially the doctrine of soteriology What one ultimately believes about the future will significantly impact their present This book shows that this neglect or lack of development has not always been the case within the church especially within Reformed Protestantism Looking at one of the most influential second generation reformers and theologians of the English Reformation William Perkins 1558 1602 it becomes evident that embedded within the Reformed Scholastic tradition lays a robust development and understanding of the doctrine of glorification Perkins formulated and wrote a great deal on the final state of the believer in Christ what his rewards are in Christ and ultimately his complete and final transformation and conformity into his image This book is a historical and systematic treatment of William Perkins s celebrated hope eschatological glory
