God Did It But How:

God Did It ROSE ANN PALMER, 2014-05-14 I thank God for the opportunity to do this work and know that He will use it in a mighty way to bring people to Him So many I know were raised in the church and no longer believe They are such good people but no longer believe that God exists So many stories of Gods power must have an effect crowds of witnesses A collection of stories about healing of individuals from life threatening illnesses Each one is medically documented so that there is no doubt about the source of the healing Stories are written in a lively fashion Even though the author Rose Ann Palmer died from brain cancer it was her belief and the belief of her husband and her son that she received her healing in ways none of us can ever understand Trust that Our Love is fully alive in the pages of this book The stories here are documented as being miraculous We invite you to get a glimpse of Our Love at work in impossible ways in the lives of people across time We are the healer The healers are Our Instruments How can this be We are a God of Impossibilities If you dont believe in Us then that is all the more reason why you need to read this book Are you afraid to face truth Let go of doubt Give Our Stories of Miraculous Healings a try Who knows You might even get a healing as well We hope you enjoy Our Love Stories Dear friends you begin a journey in Our Love that is unmatched anywhere Tell your friends about what We do in the lives of those in need As they read Our Love Stories they too will be touched by Our Presence in them All We ask of you dear readers is to suspend your human logic and accept the truth of Our Impossibilities [www GODDIDIT com](http://www.GODDIDIT.com) *God Did It, But How?* Robert B. Fischer, 1997-01-01 **The Complete Works** John Bunyan, 1877 *God Did Not Do It!*

Michael, 2022-04-05 Too often people limit God by believing that He has only forgiven their sins and promised eternal life That is act 1 of the Father s gifts God s people have not been taught how to operate in His power God planned for man to have dominion over the earth when He created Adam He then had to send Jesus to restore His kids to Him The Jew s yearly atonement covered their sins They were in right standing by believing Same as us God told them repeatedly if you turn away from what you are doing and come to me you will be forgiven and blessed They believed in the Messiah who would provide it all for them Since Christ and the Cross we now have a better agreement the power of the Holy Spirit in us a 24 hour a day access that is ours to boldly use in life We now have what God originally designed for our use The truth is that eternal life is right now The emphasis in the New Testament Gospel is on the word life and not on the word eternal Life represents a vitality where all your needs and wants are met We will always be somewhere here in heaven or on the new earth This is eternity right now wherever you are The life described in scripture is a too good to be true life This book is about leading us to the life God wants us to have To those who are willing and able to grasp the concepts laid out and will believe great things will come to pass for you and countless others **The Bibliotheca Sacra and American Biblical Repository** , 1851
