employs a variety of historical psychological sociological philosophical and theological sources He discusses and assesses such diverse figures as Martin Luther Reinhold Niebuhr Zen Buddhists Conrad Hyers Nancy A Walker Jon D Levenson and Harvey Cox How to Tell God From the Devil is an exceptional work and will be significant and enjoyable for sociologists theologians philosophers and specialists concerned with the study of humor *The Mind of God Devils Advocate* (Writer),2011 **How to Tell God from the Devil** A. Roy Eckardt,2017 How to Tell God From the Devil is the first book to depict the relationship among comedy the Devil and God Drawing from Jewish and Christian theories Eckardt describes comedy as a means to distinguish the divine from the diabolic He presents a thorough critique of efforts throughout history to justify God in the presence of radical evil and suffering How to Tell God From the Devil is a sequel to Eckardt s fascinating earlier study *Sitting in the Earth and Laughing* Eckardt offers a theological vision of the comic and shows its practical use in differentiating God from the Devil The viewpoint presupposed is a special application of the incongruity theory of humor which sees humor as an attempt to deal with inexplicable occurrences Eckardt shows how humor can make faulty explanations tolerable for examining evil and suffering particularly the notion that God can somehow be excused for the terrible evils extant in the world Eckardt critiques dualistic views that make the Devil and God independent sovereign beings and monistic views that try to reduce evil to non being Eckardt holds God to be ultimately responsible for evil in such ways that the only final resolution of evil if there is such is a form of divine comedy Eckardt employs a variety of historical psychological sociological philosophical and theological sources He discusses and assesses such diverse figures as Martin Luther Reinhold Niebuhr Zen Buddhists Conrad Hyers Nancy A Walker Jon D Levenson and Harvey Cox How to Tell God From The Devil is an exceptional work and will be significant and enjoyable for sociologists theologians philosophers and specialists concerned with the study of humor Provided by publisher God Woody Allen,1975 **The Story of God** Chris Matheson,2015-09-01 Part Kurt Vonnegut part Douglas Adams but let s be honest Matheson had me at Based on the Bible Dana Gould comedian and writer The Bible offers some clues to God s personality he s alternately been called vindictive and just bloodthirsty and caring all powerful and impotent capricious and foresighted and loving and hateful But no one has ever fully explored why God might be such a figure of contrasts Nor has anyone ever satisfactorily explained what guides his relationship not just with angels the devil and his son but also with all of creation Might he be completely misunderstood a mystery even to himself Might his behavior and actions toward humankind tell us much more about him than it does about us Enter the mind of the creator of the universe travel with him through the heavenly highs and hellish lows of his story from Genesis to Revelation to better understand his burdensome journey being God isn t easy After hearing his story at times troubling and tragic but always hilarious in its absurdity and divine in its comedy you ll never look at a miracle or catastrophe or at our place in the universe or God s the same way again *Our Divine Comedy* T. *Divine Comedy* Philip Krill,2024-07-09 If as Chesterton says angels can fly because they take themselves lightly then it behooves us to lighten up if we wish to come close to God No one ever entered God s Presence taking themselves more seriously than the One who beckons them forward The kingdom of God is a Paradise of peace and joy Funeral faces are not permitted Question Where do we find God Answer Wherever one person is fully present to another Presence creates a mystical space in which angels delight and where the Spirit descends Presence is a mystery of unrestricted openness filled with heavenly light No one can abide in Presence and not be suffused with a joy that comes directly from God This book is an invitation to laugh your way into Presence My prayer is that dipping into this book you will lighten up and fly with the angels into the joyful Presence of God *The Divine Comedy* Cornelius Thomas Sherlock,1923 God's Favorite Neil Simon,1975 A comic rendering of the Biblical story of Job A nouveau riche manufacturer is visited by an offbeat angel who prophesies a series of calamities intended by God to test the man s faith
