## **God Dwells With His People:**

*The Restoration of God's Dwelling and Kingdom* Peter Nyende, 2023-03-31 The church in Africa is thriving both numerically and in its boldness and fervour Yet the challenge of African folk Christianity a Christianity shaped more by traditional beliefs than the Bible continues to loom large and there remains an acute need for life and faith to be biblically informed In this introduction to biblical theology Prof Peter Nyende draws from nearly two decades of experience teaching the next generation of African church leaders Maintaining the vital importance of a holistic understanding of Scripture and its unified nature he presents the central story of both Old and New Testaments as the restoration of God's dwelling and kingdom in the world He traces this narrative through its many stages of development creation and fall God's covenants with Israel exile to its ultimate fulfilment in Jesus the church and the new Jerusalem Though written with pastors and theological students in mind this book is accessible to any who desire to increase their biblical literacy and partner more fully with the work of God and his kingdom

God Dwells With His People Paul M. Zehr, 1981-01-01 This carefully researched study on the tabernacle of the Old Testament draws from both Christian and Jewish sources The author not only probes the nature of the construction of the tabernacle but also explores its theological meaning in the Old and New Testaments The unavoidable conclusion the author draws is that the divinely instructed building of the tabernacle was evidence of God's desire to dwell with his people and to lead them The author does not try to find typological significance for Christianity in every nook and cranny of the tabernacle yet he does interpret the coming of the incarnate Christ and the establishing of the Christian church as fulfilment of God's desire to tabernacle dwell with his people The ultimate accomplishment of God's desire to dwell with his people is yet to come Only in the heavenly city in the new Jerusalem envisioned in Revelation 21-22 does the tabernacle find its final fulfilment There God himself will dwell with his people eternally

**God's Being in Reconciliation** Adam J. Johnson, 2012-03-01 One of the most pressing issues in the doctrine of the atonement today is the question of the unity and diversity of the work of Christ What are we to make of the diversity within the biblical witness and the history of doctrine when it comes to explanations of the meaning and significance of Jesus' death and resurrection Without a grasp of the unity of his work our understanding and use of the diversity runs the risk of becoming haphazard and disordered Proposals regarding the unity of Christ's work today tend to focus on the metaphorical nature of language the role of culture and various possible conceptual schemes rarely reflecting on unity and diversity proper to the being God To fill this gap Johnson draws on Karl Barth's integrated account of the doctrines of God and reconciliation harnessing the resources contained within the doctrines of the Trinity and divine perfections to energize a properly theological account of the unity and diversity of the atonement

**Tabernacle and the Offerings in the Writings of John** Witness Lee,1991 *God Dwells Among Us* Chris Green,2015-01-16 The writers and chief actors of the Old Testament expressed a deep longing for the presence of God This longing is symbolized through history in the Garden of Eden the ark of the covenant and the tabernacle that housed it the temple and the ruins of the temple In response to this longing God shares his ultimate mission in which his people play a part the expansion of Eden the temple of God s presence to all peoples throughout the earth The temple has always been a source of rich scholarship and theological reflection but what does it mean for the church s ongoing mission in the world Beale and Kim build a bridge from the world of biblical theology to our modern day life They help us to see clearly that the themes of Eden the temple God s glorious presence new creation and the mission of the church are ultimately facets of the same reality Hence from Eden to the New Jerusalem God s people are his temple on the earth the first fruits of the new creation God has always desired to dwell among us now the church needs to follow its calling to extend the borders of God s kingdom and take his presence to the ends of the earth **Revelation (Baker Exegetical Commentary on the New Testament)** Grant R.

Osborne,2002-11-01 The Book of Revelation contains some of the most difficult passages in Scripture Grant Osborne s commentary on Revelation begins with a thorough introduction and the many difficulties involved in its interpretation He also examines elements that complicate the interpretation of apocalyptic literature As with all volumes published in the BECNT series Revelation seeks to reach a broad audience with scholarly research from a decidedly evangelical perspective

Theology of the Old Testament Gustav Friedrich Oehler,1883 Gustav Friedrich Oehler was an Old Testament scholar and professor at Tbingen in Germany At this time he was among the foremost proponents of theological conservatism with regard to the Old Testament rejecting the rationalism of Schleiermacher and the liberal school arising from his work For Oehler the Old Testament is an account of real history and divine revelation rather than a product of mere human development This two volume set published after Oehler s death by his son in 1874 contains the contents of Oehler s three decades of lectures on his area of expertise This early work of Biblical Theology explains the progressive revelation of divine truths from the first chapters of Genesis through the end of the Old Testament It contains both a history of God s people and an examination of the theological convictions of the Old Testament authors as moved by the Spirit

**Dwelling With God** Brandon Nicholson,2023-05-26 For forty years in the desert wilderness the Tabernacle was the focal point of the Israelite camp It served as the meeting place for God and His people He gave specific instructions on the design of this structure in order to provide a place for Him to dwell with His special creation Dwelling with His people has always been God s greatest desire However there was always a barrier that prevented that intimate relationship with God Ever since the Garden of Eden sin had corrupted humanity and kept God at a distance A sinful humanity could not approach a holy and perfect God The wilderness Tabernacle followed a specific God given design in order to provide a way to deal with this sin issue and give God s people a way to worship and approach Him Every element had a practical function and a purpose but more importantly pointed ahead to something

greater This structure was designed to be just a temporary fix to deal with sin but it would foreshadow a way or more accurately a person that would be capable of putting an end to this sin issue forever As we spend forty days on a journey through the Tabernacle we will talk about every element discussing its function and symbolic meaning As Christians today the Tabernacle is not the focal point of our worship like it was for the Israelites but by studying this ancient structure we can still learn so much about God and His love for His creation Join me on this journey through the Tabernacle and discover all that God had in mind when He gave Moses the blueprints The Tabernacle was built so He could dwell with His people again As you will see along this journey that desire to dwell with His people still holds true today Jesus as the Fulfillment of the Temple in the Gospel of John Paul M. Hoskins,2007-02-01 This study examines John s portrayal of Jesus as the fulfillment and replacement of the Temple It also shows how a traditional conception of typology can be helpful for understanding the nature of the relationship between Jesus and the Temple Interpreters often associate John 1 14 1 51 2 18 22 and 4 20 24 with Jesus replacement of the Temple Based on these texts one can already begin to see that he fulfills and replaces the Temple in that he is the new locus of God s presence glory revelation and abundant provision for his people In particular John 2 18 22 clearly associates Jesus role as the Temple with his death and resurrection According to Isaiah part of God s decisive action on behalf of his people and for revealing himself to the nations is the lifting up of the Temple above all other temples In John this expectation finds its fulfillment in Jesus John s language of lifting up and glorification marks Jesus death resurrection and exaltation as climactic events through which God lifts up and glorifies Jesus the true Temple Jesus death resurrection and exaltation are also the means by which God provides for his people Jesus offers his flesh and blood for the life of the world and sends the Spirit to enrich believers with the benefits of his sacrificial death In doing so he simultaneously fulfills prophecies and patterns associated with the Passover Feast of Tabernacles Feast of Dedication and the Temple *Sermons and Addresses* John Benton Briney,1922 **Abraham's Promise** Wyschogrod,2004-09 Abraham s Promise presents a selection of important writings by noted Jewish philosopher theologian Michael Wyschogrod who is widely admired for his singular contributions to Jewish Christian relations Including several pieces never published before this reader aptly captures the broad scope of Wyschogrod s work on Judaism and the Jewish Christian encounter collecting seminal essays articles and reviews that address such topics as the God of Abraham and the God of philosophy sin and atonement Judaism and the land the Six Day War Paul on Jews and Gentiles and the theology of Karl Barth An introductory essay by editor R Kendall Soulen sets Wyschogrod s career and writings in context *A Description of the true Temple and Worship of God, etc* John HARWOOD (Quaker.),1658 **THE SHEKINAH GLORY** Ahmed musa,2024-12-17 The Shekinah glory represents a divine invitation to relationship God s desire has always been to be with His people to walk with them and to reveal Himself to them The overwhelming splendor of His glory is not just an overwhelming display of power but a manifestation of His love and His longing to be near In the garden of Eden He walked with Adam and Eve and that was His heart s desire for all of creation

However sin created a barrier that made such intimacy impossible The rest of Scripture is in many ways the unfolding of God's plan to restore that intimacy From the sacrificial system that allowed for atonement to the sending of His Son to die for our sins God's ultimate desire is to reconcile us to Himself to bring us back into fellowship and to reveal His glory once again

**A Biblical-Theological Introduction to the New Testament** Michael J. Kruger, 2016-05-31 Introductions to the New Testament often take a defensive stance focusing on historical critical issues but failing to address the interests and needs of pastors and Bible teachers However with an emphasis on the theology key themes and overall message of each book in the New Testament this collaborative effort of nine biblical scholars takes a more positive and pastorally relevant approach Written from a distinctly Reformed covenantal and redemptive historical perspective this theologically rich expositional resource will equip readers to study and teach each book in the New Testament with clarity and insight
