Touching Heaven Dr. Chauncey Crandall, 2015-09-15 How a doctor's glimpses of eternity confirmed everything he believed about God suffering life on earth and what happens after death Dr Chauncey Crandall knows his patients well When they are dying he sits at the bedside with them and holds their hands He prays with them Sometimes he can feel what they feel and see what they see At other times his patients have near death experiences and come back with astonishing descriptions of the afterlife In TOUCHING HEAVEN Dr Crandall reveals how what he has seen and heard has convinced him that God is real that we are created for a divine purpose that death is not the end that we will see our departed loved ones again and that we are closer to the next world than we think *ENOUGH GRACE* Pastor (Rev.) Spartan Ikponmwosa IMAFIDON, 2018-09-11 No matter what you are going through brethren keep trusting God and run away from any fast lane that the devil may open for anyone that is desperate and vulnerable Whenever you are desperate you become vulnerable to the devil and his agents They can lure you into all manner of evil means of getting what you think you want but they are not what you need Desperation is not always godly it is filled with foolishness because in desperation you cannot think straight So whatever God did not give us when we are going through challenges in life are not what we needed One thing is sure at whatever time we are in any challenge in life God is with us and He wants us to stand strong and stand in righteousness We cannot fight or face any challenge with evil or ungodly means The best way for God's children to fight any challenge is godliness and confidence in Christ Jesus His grace is sufficient indeed I trust that the messages in this book will go along to add value to your Christian faith
