Bijl,2021-06-30 ALL TOO OFTEN WE ATTEMPT to reduce the gospel narrative to a set of theological propositions However our faith is not rooted in the abstract realm of thought but in the tangible sweat and blood world where we live out our calling to follow in the footsteps of Christ The gospel is full of the real life struggles fears failures and triumphs of men and women just like us and in this retelling of Jesus s ministry as experienced by Simon Peter Rev Dr Johannes W H van der Bijl invites us to encounter the gospel s transformative power afresh Breakfast on the Beach is a harmonized chronological retelling of the four Gospels that explores Jesus s fourfold method of discipleship through its impact on his followers especially Simon Peter Harnessing the power of story Johannes brings the gospel to life in new ways emphasizing the relational nature of faith discipleship and what it means to follow Christ whether in first century Judea or in our own lives and contexts *Lord of Long Beach* August Hunter,Dean Schiffman,2010-08-04 For two decades in Long Beach California August Hunter operates as one of the city s most powerful gang lords But as his life alternates between the violence of the streets and the brutality of the California prison system Hunter struggles in his heart and mind with the senselessness of the gang scene Hunter finally surrenders to the greater forces that have been at work in his life and he encounters the real Lord of Long Beach The book reads like a modern day urban Exodus from his bitter childhood in the housing projects of New Orleans to his move with his mother to Long Beach and his rise through the youth gangs to the pinnacle of his power in the adult gangs and the suffering of three prison terms and finally to his emotional collapse and rebirth Hunter s story is a valuable one for young men and women at risk on the streets for those in our prisons and jails who find little hope there and for anyone seeking to make a stronger connection between their everyday life and their faith *Beach Calling* Missy Buchanan,2019-05-17 Aging doesn t take much effort all you have to do is breathe Aging faithfully is different It requires intentional effort to stay focused on God as you make your way through a world of chaos and change Many women dread aging and resist thinking about it Yet God designed the human body to change over time and growing older is part of God s plan How we handle the changes that accompany aging reveals much about our spiritual maturity Beach Calling takes a fresh approach to aging Missy Buchanan uses comforting imagery from the beach and ocean to engage readers in spiritual reflection In this devotional journal for women in their middle years and beyond she guides readers to explore and embrace God s plan for growing older Each devotion focuses on a familiar aspect of beach life and leads the reader to a parallel lesson on aging Each reading contains journaling prompts that invite readers to capture their thoughts in the journaling space provided Beach Calling helps women accept and prepare for life transitions including how to navigate the challenges of loss and decline This inspiring resource leads readers to discover the hope and joy that faithful aging can bring *A Discussion on the Trinity, between Rev. **The Lord's Prayer** Mary Lou Redding,2011-08-01 Many of us feel intimidated about our prayer life we look at other Christians and prayer seems to come naturally to them But somehow we feel that we just don t get it Author Mary Lou Redding reminds us that the disciples were with Jesus continually and still they had to ask him for help in learning how to pray That should reassure us she says Because the Lord s Prayer is so familiar we run the risk of praying it by rote without really thinking about the meaning of the words Redding explores this ancient prayer phrase by phrase and helps us see how it can be a model for all of our praying This insightful practical study of the Lord s Prayer features six brief chapters that can be read in 10 to 15 minutes brief daily scripture passages reflection questions for each chapter suggestions for weekly group meetings Rather than approaching scripture from a scholarly standpoint Redding invites us to consider passages with our hearts She encourages us to make connections between the scriptures and our daily lives As an added benefit Redding leads us through several classic Christian spiritual practices such as examen journaling and reflective reading of scripture This book is a great resource for a congregational study on the Lord s Prayer It will help anyone enrich their faith and deepen their relationship with God 6 weeks Includes Leader s Guide
