**David Weiss**

## **God In The White House How Religion Has Changed The Modern Presidency:**

*God in the White House* Richard G. Hutcheson, 1989 Should a president's religious beliefs affect his public policy Using extensive interviews and documentary research Hutcheson examines the effects of a politician's religious convictions on public policy and political debate

**Beyond Religious Right and Secular Left Rhetoric** K. Fry, 2014-06-05 This book covers arguments made by various sides of the political religious divide from the past 30 years showing what the actual differences are between these groups By stressing the typically ignored similarities the book better informs partisans and the public to move debate forward

*The Pentagon's Battle for the American Mind* Lori L. Bogle, 2004-10-12 The U S military has historically believed itself to be the institution best suited to develop the character spiritual values and patriotism of American youth In *Strategy for Survival* Lori Bogle investigates how the armed forces assigned itself the role of guardian and interpreter of national values and why it sought to create ideologically sound Americans capable of defeating communism and assuring the victory of democracy at home and abroad Bogle shows that a tendency by some in the armed forces to diffuse their view of America's civil religion among the general population predated tension with the Soviet Union Bogle traces this trend from the Progressive Era through the early Cold War when the Truman and Eisenhower administrations took seriously the battle of ideologies of that era and formulated plans that promised not only to meet the armed forces manpower needs but also to prepare the American public morally and spiritually for confrontation with the evils of communism Both Truman's plan for Universal Military Training and Eisenhower's psychological warfare programs promoted an evangelical democracy and sought to inculcate a secular civil military religion in the general public During the early 1960s joint military civilian anticommunist conferences organized by the authority of the Department of Defense were exploited by ultra conservative civilians advancing their own political and religious agendas Bogle's analysis suggests that cooperation among evangelicals the military and government was considered both necessary and normal The Boy Scouts pushed a narrow vision of American democracy and Joe McCarthy's chauvinism was less an aberration than a particularly noxious manifestation of a widespread attitude To combat communism American society and its armed forces embraced brainwashing narrow moral education that attacked everyone and everything not consonant with their view of the world and how it ought to be ordered Exposure of this alliance ultimately dissolved it However the cult of toughness and the blinkered view of reality that characterized the armed forces and American society during the Cold War are still valued by many and are thus still worthy of consideration

*What Democrats Talk about When They Talk about God* David Weiss, 2010-10-11 What Democrats Talk about When They Talk about God is a collection of essays on the religious communication of members of the Democratic Party past and present in office while campaigning and in their public and private writing While many books on the market address issues at the intersection of church and state none to date have focused exclusively on Democrats as important participants in the dialogue about religion and politics

**Nixon's First Cover-up** H. Larry Ingle, 2015-07-07 Have you ever

thought you completely knew a story inside and out only to see some new information that shatters what you had come to accept as unquestioned fact Well Richard Nixon is that story and Nixon s First Cover up is that new information With few exceptions the religious ideologies and backgrounds of U S presidents is a topic sorely lacking in analysis H Larry Ingle seeks to remedy this situation regarding Nixon one of the most controversial and intriguing of the presidents Ingle delves more deeply into Nixon s Quaker background than any previous scholar to observe the role Nixon s religion played in his political career Nixon s unique and personally tailored brand of evangelical Quakerism stayed hidden when he wanted it to but was on display whenever he felt it might help him advance his career in some way Ingle s unparalleled knowledge of Quakerism enables him to deftly point out how Nixon bent the traditional rules of the religion to suit his needs or in some cases simply ignored them entirely This theme of the constant contradiction between Nixon s actions and his apparent religious beliefs makes Nixon s First Cover up truly a groundbreaking study both in the field of Nixon research as well as the field of the influence of religion on the U S presidency Forty years after Nixon s resignation from office Ingle s work proves there remains much about the thirty seventh president that the American public does not yet know

**Religion und Politik in den Vereinigten Staaten von Amerika** Norbert Finzsch, Stefanie Coché, 2012

**Happy Days and Wonder Years** Daniel Marcus, 2004 In the 21st century why do we keep talking about the fifties and sixties In Happy Days and Wonder Years Daniel Marcus reveals how interpretations of these decades have figured in the cultural politics of the United States since 1970

**The Encyclopedia of Politics and Religion** Robert Wuthnow, 2013-12-04 Containing over 200 articles from prominent scholars The Encyclopedia of Politics and Religion examines ways in which politics and religion have combined to affect social attitudes spark collective action and influence policy over the last two hundred years With a focus that covers broad themes like millenarian movements and pluralism and a scope that takes in religious and political systems throughout the world the Encyclopedia is essential for its contemporary as well as historical coverage Special Features Encompasses religions individuals geographical regions institutions and events Describes the history of relations between religion and politics Longer articles contain brief bibliographies Attractively designed and produced The Encyclopedia of Politics and Religion will be invaluable for any library public and academic which serves those interested in politics sociology religious studies international affairs and history Contents include Abortion Algeria Anabaptists China Christian Democracy Ethnic Cleansing Gandhi Israel Italy Jesuits Jihad Just War Missionaries Moral Majority Muslim Brethren Temperance Movements Unification Church War Zionism

*The American Leadership Tradition* Marvin Olasky, 2000 From the beginning there have been principled men alongside unprincipled ones in our government Focusing on the lives and careers of 13 American leaders from Washington to Clinton Marvin Olasky systematically examines the connections between personal faith and political decisions offering indisputable evidence that private morality does indeed affect public policy A serious work of historical scholarship this succinct book guides Americans who are seeking their way in the moral fog of the new millennium

**Education and HIV/AIDS** Nalini Asha Biggs, 2012-02-09 Examines the relationship HIV AIDS has with education in different international contexts from Sub Saharan Africa Southeast Asia Eastern Europe the USA UK and the Caribbean  
Provided by publisher The Oxford Handbook of Religion and American Politics Corwin Smidt, Lyman Kellstedt, James Guth, 2009-09-10 This handbook examines the considerable research that has been conducted into the study of religion and politics It reviews previous work explains the findings of that research and speculates about the bases of the various findings

God's Democracy Emilio Gentile, 2008-09-30 In God's Democracy Emilio Gentile argues that the presidency of George W Bush sought to alter the way religion functions in American political life Prior to the events of 9 11 the national government operated under a civil religious regime that placed a sacred umbrella over the entire country and its leading political figures American civil religion was not only an inclusive faith but one that provided ample room for citizens with different politics and different world views But in the wake of 9 11 President Bush used religion to differentiate Americans on partisan lines Relying heavily on his evangelical Christian base he attempted to substitute for the inclusivism of the traditional American civil religion an exclusivist political religion in which Democrats were portrayed as hostile to religious values and incapable of dealing with the country's foreign enemies This book provides the historical context for this attempted transformation and shows in a detailed way how the Bush administration pursued it Gentile concludes by posing the question of whether this radical shift in the way Americans understand themselves religiously will prove permanent Unlike other works that strive to show how religion has generally come to be treated in American politics this new book looks more squarely at the Bush Administration and its attempt to shut out Democrats from the political process by invoking religious language and ideals He goes on to consider the political exclusivism and whether or not it will persist beyond Bush's tenure

**A Catholic in the White House?** T. Carty, 2016-03-14 According to most political and religious scholars and pundits JFK's victory in 1960 symbolized America's evolution from a Protestant nation to a pluralist community that included Catholics as all citizens However if the presidential election of 1960 was indeed a turning point for American Catholics how do we explain the failure of any Catholic in over forty years to repeat Kennedy's accomplishment In this exhaustively researched study that fuses political cultural social and intellectual history Thomas Carty challenges the assumption that JFK's successful campaign for the Presidency ended decades if not centuries of religious and political tension between American Catholics and Protestants paving a new role for Catholics in American presidential politics

**Partisan Rhetoric and Polarization** Robert X. Browning, 2024-12-15 Partisan Rhetoric and Polarization The Year in C-SPAN Archives Research Volume 10 features chapters written from a variety of perspectives that address divisions in American politics The topics range widely including TikTok abortion the middle class the January 6 riot and partisan rhetoric in Congress The unifying theme of the volume is that each author uses C-SPAN videos to examine how members of Congress and other elites speak and act on these issues Two other thoughtful pieces examine Supreme Court justices speaking off the bench and emotional reactions in presidential debates

Partisan Rhetoric and Polarization provides context to understand how the partisan split in American politics is reflected and evidenced in even the highest political institutions Congress the presidency and the Supreme Court

*Christian Spirituality* Gordon Mursell, 2020-02-21 There is a growing interest today in the context and history of Christian spirituality In this book a team of expert authors from the East and West present a full and fascinating picture of humanity's desire for the divine across the centuries Highlighting the contribution of significant figures through history authors explore the ways in which Christians from the earliest times onwards have sought to express and live out the deepest truth of their faith The Bible and the life of Jesus Christ are the starting point for the story The reader is then guided through the development of spirituality starting an exploration of the significance of the early church fathers and culminating in a survey of the explosion of expressions of Christian divinity across the world in the twentieth century Interspersed with boxed features that provide more detail on key individuals and groups and timelines that put events into their chronological contexts *Christian Spirituality* is an ideal overview for scholars and interested readers alike

*Modern American Religion, Volume 3* Martin E. Marty, 1986 Vol 1 The Irony of it all 1893 1919 Vol 2 The Noise of conflict 1919 1941

**Economic Globalisation as Religious War** Michael McKinley, 2007-06-28 Using a critical theory approach to analyze the globalization of the world economy this provocative and topical new book presents economic globalization not as a recent development but rather as a familiar process that has occurred throughout history Michael McKinley argues that it is ultimately a self serving arbitrary and destructive imperial project that should be viewed as a religious war

**The Story of Christian Spirituality** Gordon Mursell, 2001 Beautifully illustrated throughout The Story of Christian Spirituality is a readable and vivid guide to the spiritual riches of one of the world's most influential religions

*Under God* Garry Wills, 2013-05-28 In *Under God* Pulitzer Prize winner and eminent political observer Garry Wills sheds light on the frequent collision between American politics and American religion Beginning with the 1988 presidential contest an election that included two ministers and a senator accused of sin award winning author Garry Wills surveys the tapestry of American history to show the continuity of present controversies with past religious struggles and argues that the secular standards of the Founding Fathers have been misunderstood He shows that despite reactionary fire breathers and fanatics religion has often been a progressive force in American politics and explains why the policy of a separate church and state has ironically made the position of the church stronger Marked by the extraordinary quality of observation that has defined Will's work *Under God* is a rich original look at why religion and politics will never be separate in the United States

*Upon the Altar of the Nation* Harry S. Stout, 2007-03-27 A profound and timely examination of the moral underpinnings of the War Between the States The Civil War was not only a war of armies but also a war of ideas in which Union and Confederacy alike identified itself as a moral nation with God on its side In this watershed book Harry S Stout measures the gap between those claims and the war's actual conduct Ranging from the home front to the trenches and drawing on a wealth of contemporary documents Stout

explores the lethal mix of propaganda and ideology that came to justify slaughter on and off the battlefield At a time when our country is once again at war Upon the Altar of the Nation is a deeply necessary book

## **God In The White House How Religion Has Changed The Modern Presidency Introduction**

In today's digital age, the availability of God In The White House How Religion Has Changed The Modern Presidency books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of God In The White House How Religion Has Changed The Modern Presidency books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of God In The White House How Religion Has Changed The Modern Presidency books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing God In The White House How Religion Has Changed The Modern Presidency versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, God In The White House How Religion Has Changed The Modern Presidency books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing God In The White House How Religion Has Changed The Modern Presidency books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for God In The White House How Religion Has Changed The Modern Presidency books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their

own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, God In The White House How Religion Has Changed The Modern Presidency books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement.
