Vaughan-Lee,2002-05-02 Humanity has been given access to the secrets of oneness but we need to learn how to work with them Working with Oneness brings mysticism into the center of the marketplace into the world of business and technology and shows how we can work with it in everyday life The dynamic energy of oneness has the potential to heal the planet and revolutionize life more than we can imagine but it requires our individual participation and awareness to become fully alive The energy of oneness is already present but waiting to be lived and Llewellyn Vaughan Lee provides a blueprint for working

consciously with this energy As we understand how our consciousness affects the whole fabric of life the potential for real global change comes alive Llewellyn Vaughan Lee stresses the need to change from hierarchical patriarchal power structures to organic patterns that allow for the free flow of energy and ideas Through these patterns the dynamic energy of oneness can become part of everyday life Working with Oneness includes a number of additional important topics including the changing energy structure of the planet and how to work with it the power of individual consciousness the danger of the desire for spiritual security the return of joy to everyday life the awakening of the heart of the world a new understanding of magic the use of the imagination and mystical participation in life with the energy of oneness Working with Oneness offers guidance on how to work with the energy of oneness to learn how to participate in life free of the patterns of the past so that the divine can come alive in every moment of every day Working with Oneness is mystical activism at its most potent There is a growing and eager audience waiting for a vision of unity consciousness Working with Oneness offers a salutary antidote to worn out antagonisms It challenges readers to join other kindred souls in a mystical activism that can bring new hope to humanity Spirituality Health A book filled with wonder and the kind of insights that can leap out to your heart and gladden you for having read them Its words are simple and straightforward always a blessing but its message is the most vital and important for the time in which we live I recommend it David Spangler author Blessings the Art and the Practice 15

this change of man and his awareness to the reuniting of our worlds Among facets of this visionary yet down to earth adventure helping persons in crisis to unlock their hearts find their new balance deepening our sense of community as a core group risks old selves in order to truly meet confronting dark energies across lifetimes undoing man's obsession with power seeing that the planet's upheavals now mirror our own as a vast evolution in consciousness comes full circle aided by higher dimensional beings and the Earth Mother voicing her plea for man to awaken as a willing partner We are entering a New Age of humanity Instead of man creating only on his own set apart from the rest of the universe this time he is involved in a co creation and we are the co creators Those who are here have arrived to help found a new world
