God Is Blind:

Overcoming Spiritual Blindness James P. Gills, 2012-06-28 All too often our modern society lacks both sight and insight resulting from a refusal to see the reality of creation Such lack of recognition and appreciation for the Creator is spiritual blindness Yet the fruits and evidence of His love and wisdom are clearly demonstrated everywhere we look Author Dr James Gills a world renowned ophthalmologist with a deep love of the Bible writes about spiritual blindness with stunning clarity and relevance This book illustrates a powerful biblical theme often repeated throughout the Scriptures the analogy between the physical and the spiritual realms regarding blindness and sight From Isaiah's vision of a day when God's Messiah would be a light for the Gentiles to open eyes that are blind to the fulfillment of the prophecy when Paul was sent to the Gentiles to open their eyes and turn them from darkness to light and from the power of Satan to God Overcoming Spiritual Blindness emphasizes the power and work of the Holy Spirit What the surgeon does for cataracts that hinder sight in the physical eye the Holy Spirit does for the cataracts of the heart Overcoming Spiritual Blindness exposes obstructions to spiritual sight that cloud the lens of the soul Such cataracts include pride misguided concepts of money preoccupation with work distorted views of sex and a critical spirit The description of the cataract of bitterness and an unforgiving spirit gives such powerful insight that the reader must gain a new perspective of total forgiveness The list of spiritual cataracts is vast and painfully relevant highlighting the need for spiritual surgery to those who do not realize they are blind **Antichrist unmasked in two Treatises. The first entitled: "The Foundation of Childrens Baptisme discovered and rased" , an answer unto two pædobaptists, Dan. Featly ... and Stephen Marshall i.e. to Featley's "Καταβαπτισται καταπτυστοι. The Dippers dipt" and to Marshall's "A Sermon of the Baptizing of Infants" ... The second, The Man of Sinne discovered in Doctrine, etc** Henry DENNE (Puritan Divine.), 1645 *The Unseen Realities of God's Kingdom* Shirley Christian, 2008-07-09 At last a book that makes the spiritual connection between the Kingdom of Heaven and the unseen yet true realities of God's Kingdom Jesus preached and explained the Kingdom that broke forth with His coming Dr Christian has woven together the threads of the unseen realities expectation and expression of the Kingdom of Heaven in this classic Book **HOW WE SEE GOD AND WHY IT MATTERS** Robert J. Landy, 2001-01-01 This is a book about seeing the ultimate mystery as represented by the figure of God It is not about religion per se although it makes reference to many of the great religious traditions of the world and their gods Rather it is about the presence of the spiritual world and its inhabitants The author's aim is to attempt to answer the question How do we see God through engaging with the images created by a group of children from a number of different cultures and spiritual backgrounds Through a two year period the author travelled the world interviewing more than 500 children asking them to draw a picture of God to act and speak as God and to tell a story about God This text is a documentation of that journey into the lives and spiritual beliefs of children Throughout the book a broad selection of pictures and stories by the children is reproduced and paraphrased The author

offers his own commentaries not as an analyst in a psychological sense or critic in a literary one but as a God seeker trusting in the power of the image to reveal meaning This unique book will be of primary interest to professionals in the field of psychology especially child and family therapists as well as art and drama therapy sociology and theology The book will also have appeal to parents and children who are looking for ways to understand their belief systems in relationship to others

Samuel Whitefield,2020-09-22 What if God is not doing what you think He is God is moving in the world in historic ways but if you have certain assumptions you cannot see what He is doing If you do not face your assumptions about Him you can look at God s work and fall prey to fear confusion anxiety and nationalism Over two thousand years ago a prophet named Habakkuk was filled with anxiety and he accused God of not answering his prayers God s first response to the prophet s accusation was a forceful Look again You will be shocked at what I m doing This prophet s accusations against God revealed a set of assumptions that had left him blind and unable to see what God was doing Many of us hold the same assumptions and like the prophet we are unaware we are blind and headed toward a crisis we do not see coming This greatest crisis currently facing the Church is the lack of a true knowledge of God particularly when He leads history and our lives in ways we cannot comprehend Many well meaning Christians have not faced their assumptions but everyone will be forced to deal with them in the days ahead God wants to address your assumptions now so He can heal you and your faith will not be shipwrecked in the coming days Facing your assumptions will ultimately force you to face the fundamental human sin that leads to all other sin yet often remains hidden In Have You Been Blinded you will discover God s conversation with Habakkuk exposes your assumptions about God s leadership of history Four simple messages from God that confront us with His leadership and are critical for the end time church How Jesus suffering exposes the fundamental human sin and gives you confidence to address it Are you ready to face your assumptions about God s leadership **What and Where is God? which does not divorce it from the practical applications of science Not only does this work establish that theology ought to be empirical in what it says about the world and God's relationship to it but it also outlines a clear method for doing this Science and theology can each share the same empirical method when each attempts a description of any part of reality it is relying on its own essential assumptions or lens When applied to theology the method assumes the existence of God and then seeks the nature of God using falsifiable and verifiable techniques Starting with the sciences that examine happiness particularly biology genetics psychology and social psychology Science of God seeks to understand the spiritual nature of humans and through it the nature of God
